

Mobile device request

- (1) Any changes to agency policies on the use of mobile devices.
No changes to the mobile device policy. We will need to update policy this year as it's the last year that we will have the current MDM solution that we have. Vendor will not be providing the solution any longer and then next solution will most likely be much more costly.
- (2) The number and types of new devices issued since the last report.
36 more devices than the year before as of 9/29/2026
- (3) The total number of mobile devices issued by the agency.
432 Mobile capable devices currently issued.
- (4) The total cost of mobile devices issued by the agency.

Verizon 12 month average \$ 6,069.19

Firstnet (AT&T) 12 month average \$14,453.93

- (5) The number of each type of mobile device issued, with the total cost for each type.
