(a) Rescission During First Thirty (30) Days. The Resident may terminate the Residency and Care Agreement for any reason within thirty (30) days following the later of the execution of the Residency and Care Agreement or receipt by the Resident of the Disclosure Statement (the "Rescission Period"), and the Resident is not required to move into the facility before expiration of the Rescission Period. The Resident's termination of the Residency and Care Agreement during the Rescission Period is without penalty, and all payments made by the Resident before such termination, less a service charge of One-Thousand Dollars (\$1,000.00) and less any charges specifically incurred by the Company at the Resident's request and set forth in Exhibit A of the Residency and Care Agreement or in writing in a separate addendum to the Residency and Care Agreement, signed by the Resident and the Company. Any refund shall be paid within thirty (30) days after the Company receives written notice of the Resident's election to terminate the Residency and Care Agreement.

(b) Termination After Rescission Period but Prior to the Occupancy Date. For Residents electing to reside in an Apartment, the Resident

may terminate the Residency and Care Agreement for any reason after the Rescission Period but prior the Occupancy Date upon written notice to the Company. In the event of such termination, the Resident shall be entitled to a refund of all monies paid to the Company, except, as the case may be, the Community Fee, the Apartment Selection Fee, and any costs or other charges that the Resident and the Company agree in advance are non-refundable.

- (c) General Termination Right. The Resident may terminate the Residency and Care Agreement at any time for any reason by giving the Company thirty (30) days' written notice signed by the Resident (or both of them if there are two Residents). In the event of such termination by a Resident for reasons other than those permitted in the Residency and Care Agreement, the Resident shall pay the Company for all Optional Services rendered by the Company to the Resident through the date of termination and shall continue to be liable for the Monthly Service Fee until the date that all of the Resident's personal belongings are removed from the Apartment. In addition, the Resident shall be responsible for payment of liquidated damage of one month's rental charge, calculated at the existing market rate.

#### Termination by Death or Serious Illness

- (d) Termination by Death or Serious Illness Prior to the Occupancy Date. If prior to the Occupancy Date the Resident dies or is precluded from living in the CCRC under the terms of the Residency and Care Agreement as a result of serious illness, injury, non-qualification or incapacity, the Residency and Care Agreement will automatically terminate. In the event the Residency and Care Agreement is terminated as provided for in the Residency and Care Agreement, the Resident or the Resident's estate shall be entitled to a refund of any amounts paid to the Company, except, as the case may be, a service charge of One-Thousand Dollars (\$1,000.00) and for costs or other charges that the Resident and the Company agree in advance are non-refundable. Such refund shall be paid by the Company within thirty (30) days after the Residency and Care Agreement is terminated pursuant to the applicable subsection of the Residency and Care Agreement. The foregoing notwithstanding, if there is more than one Resident, the Residency and Care Agreement will continue to be binding on the surviving or eligible Resident until the Residency and Care Agreement is terminated as to or by the surviving Resident as provided for in the Residency and Care Agreement.
- (e) Termination by Death or Serious Illness After the Occupancy Date. If the Resident dies after the Occupancy Date or the Resident is

precluded from living in the CCRC under the terms of the Residency and Care Agreement as a result of serious illness, injury, or incapacity and the serious illness, injury or incapacity is not otherwise addressed by the provision of the Residency and Care Agreement, then the Residency and Care Agreement shall terminate. In such event, the Resident or the estate of the Resident shall pay for any Optional Services rendered to the Resident through the date of termination and shall continue to be liable for the Monthly Service Fee until the later of the date that all of the Resident's personal belongings are removed from the Apartment and the Apartment can be made ready for re-occupancy. The foregoing notwithstanding, if there is more than one Resident, the Residency and Care Agreement will continue to be binding on the surviving or eligible Resident until the Residency and Care Agreement is terminated as to or by the surviving Resident as provided for in the Residency and Care Agreement.

#### Termination by the Company

- (f) Termination by the Company Prior to the Occupancy Date. If, in the Company's sole discretion, the Resident does not satisfy the criteria for occupancy in the CCRC, the Residency and Care Agreement shall terminate upon the Company's notification to the Resident of non-approval. In such event, all amounts paid to the Company shall be refunded to the Resident within thirty (30) days after the Company provides the Resident notice of non-approval.
- (g) Termination by the Company after the Occupancy Date. The Company may terminate the Residency and Care Agreement upon thirty (30) days written notice to the Resident in the event of the following:
  - (1) The Resident fails to make payments to the Company of any amounts when due and such failure is not cured within fifteen (15) days after notice is given to the Resident;
  - (2) The Resident fails to comply with any term of the Residency and Care Agreement not involving the payment of money or any provisions of the Rules and Regulations and the Resident fails to cure such non-compliance within seven (7) days after written notice from the Company; or
  - (3) The Resident or the Resident's authorized representative makes a material misrepresentation or omission in the information provided to the Company for its consideration of the Resident for residency in the CCRC.

- (h) Immediate Termination. If the Company determines in its sole and absolute discretion that a Resident's behavior interferes with or threatens to interfere with the safety of the Resident or the quiet enjoyment or safety of other Residents, visitors and/or staff of the CCRC, or if the Resident's behavior is a detriment to other residents, visitors, and/or staff of the CCRC, the Company may immediately terminate the Residency and Care Agreement and the Resident shall promptly vacate the Apartment. In such event, the Resident shall pay the Company for all Optional Services rendered by the Company through the date of termination and shall continue to be liable for the Monthly Service Fee until all of the Resident's personal belongings are removed from the Apartment.
- (i) Effect of Termination by the Company after the Occupancy Date. In the event the Company terminates the Residency and Care Agreement after the Occupancy Date pursuant to the applicable subsections of the Residency and Care Agreement, the Resident shall promptly vacate the Apartment, but shall pay the Company for all Optional Services rendered by the Company through the date of termination and shall continue to be liable for the Monthly Service Fee until the date that all of the Resident's personal belongings are removed from the Apartment.

## VIII. Fees

The following is a list of the fees and charges expected to be charged to the Residents of the CCRC:

- A. Priority Deposit. Upon the execution of the Priority Partner Agreement, the prospective resident shall submit to the Company a payment of One-Thousand Dollars (\$1,000.00) (the "Priority Deposit"). The Priority Deposit is fully refundable should the prospective resident choose not to proceed with the reservation process and not enter into a Residency and Care Agreement for any reason. The Priority Deposit will be fully applied toward the Security Deposit should the prospective resident proceed with the reservation process and execute a Residency and Care Agreement.
- B. Apartment Selection Fee. Upon the execution of the Apartment Selection Agreement, the Resident shall submit to the Company a fee equal to one Monthly Service Fee payment (the "Apartment Selection Fee"). The Apartment Selection Fee is a non-refundable fee (except as defined in the Residency and Care Agreement) and shall be fully applied toward the first month's Monthly Service Fee.
- C. Community Fee. Upon the execution of the Apartment Selection Agreement, the Resident shall submit to the Company a fee equal to one Monthly Service Fee payment (the "Community Fee"). The Community Fee is a one-time, non-

refundable fee (except as defined in the Residency and Care Agreement) which entitles the Resident priority access to all services and amenities of the Community. A Community Fee will not be charged to Residents upon any renewal of the Residency and Care Agreement.

- D. Security Deposit. Upon the execution of the Residency and Care Agreement, the Resident shall make a Security Deposit payment to the Company equal to one Monthly Service Fee payment (the “Security Deposit”), which shall be deposited in accordance with statute, law or regulation of the federal, state, and local Government. If the Resident has complied with all terms of the Residency and Care Agreement and returns the Apartment in the same or materially similar condition as when the Resident moved into the Apartment, the Company will return the Security Deposit to the Resident within thirty (30) days after the Resident’s move-out date. The Security Deposit shall be credited to the Resident as the last Monthly Service Fee payment in the event of the Resident’s death. In the event that the Resident breaches or otherwise violates the Residency and Care Agreement before the end of the last month of occupancy by the Resident, then the Security Deposit shall be forfeited to the Company. The Resident is additionally responsible for any expense incurred by the Company resulting from damages to the Apartment that are in excess of the Security Deposit. In the event that the Resident has entered into a Priority Partner Agreement and paid a refundable deposit to the Company, the Priority Deposit shall be applied to the amount due as the Security Deposit.
- E. Monthly Service Fee. Throughout the Term, the Resident shall pay to the Company a Monthly Service Fee (the “Monthly Service Fee”) as described in Exhibit A attached to the Residency and Care Agreement. The Monthly Service Fee shall be paid by the Resident on or before the fifth (5<sup>th</sup>) day of each month for Basic Services to be rendered that month with the first payment due on or before the Occupancy Date. The Monthly Service Fee shall be due regardless of whether or not the Apartment is actually occupied by the Resident on the scheduled Occupancy Date and such Monthly Service Fee will not be adjusted if the Resident is voluntarily absent from the CCRC at any time after such date. If the Resident obtains possession of the Apartment prior to the first of a month, the Resident shall pay the Company the first Monthly Service Fee on a pro-rata basis based on the actual number of days contained in the month. If the Residency and Care Agreement does not terminate at the expiration of the initial Term or a renewal Term, the Monthly Service Fee may continue to be payable beyond the date of termination as set forth in the Residency and Care Agreement.
- F. Adjustments to Monthly Service Fees. The Company reserves the right to change the amount of the Monthly Service Fee upon thirty (30) days’ written notice prior to any renewal of the Residency and Care Agreement. Adjustments to the Monthly Service Fee will be made as may be reasonably necessary according to the economic requirements and conditions of the CCRC and the level and quality of services provided to the residents of the CCRC and consistent with operating on a

sound financial basis. See Exhibit F for five years of the historical average dollar amount of increases in fees.

- G. Fees for Optional Services. The Resident shall receive a monthly statement from the Company showing the total amount of fees and other charges owed by the Resident, which shall be paid by the fifth (5<sup>th</sup>) day of each month. A list of fees for recurring Optional Services the Resident has elected to purchase as of the date of the Residency and Care Agreement shall be attached to the Residency and Care Agreement as Exhibit A.
- H. Healthcare Center Fees and Charges. The Healthcare Center will consist of accommodations, equipment and staffing necessary for assisted living, assisted housing with services, skilled nursing care and memory care services on a temporary or permanent basis. The Company shall establish and publish per diem rates for accommodations and services at the Healthcare Center. Each calendar year, the Resident shall receive a ten percent (10%) discount on fees the Resident accrues during its first thirty (30) days of residency in the Healthcare Center (each day being a "Discounted Fee Day"). The Resident may not carry any unused Discounted Fee Days over to the following calendar year. Fees for residency in the Healthcare Center shall otherwise be payable in accordance with the Residency and Care Agreement and in accordance with the then published Healthcare Center per diem charge.
- I. Refund of Fees. If the Resident cancels during the Rescission Period as defined in the Residency and Care Agreement, the Priority Deposit, Apartment Selection Fee, Community Fee, and Security Deposit (and any other fees paid by Resident) in accordance with the Residency and Care Agreement will be refunded to the Resident, without interest, less a service charge of One Thousand Dollars (\$1,000.00) and less any charges specifically incurred by the Company at the Resident's request and set forth in Exhibit A of the Residency and Care Agreement or in writing in a separate addendum to the Residency and Care Agreement, signed by the Resident and the Company. Any refund shall be paid within thirty (30) days after the Company's receipt of the Resident's written notice of rescission. The Apartment Selection Fee and the Community Fee become non-refundable after the Rescission Period. The Security Deposit is refundable and will be returned to the Resident within thirty (30) days after the Resident's move-out date if the Resident has complied with all terms of the Residency and Care Agreement and returns the Apartment in the same or materially similar condition as when Resident moved into the Apartment. If the Resident breaches or otherwise violates the Residency and Care Agreement before the end of the last month of occupancy by the Resident, then the Security Deposit shall be forfeited to the Company.
- J. Late Charges. The Company will charge a one percent (1%) late payment charge per month on any Monthly Service Fees and extra charges that have not been paid within five (5) days after their due date.

## **IX. Financial Information**

- A. Audited Financial Statements. Audited financial statements of the Company as of and for the year ended December 31, 2023 are included as Exhibit A.
- B. Actual versus Projected Results. A narrative of material differences between the previously projected financial statements and actual results of operations for the year ended December 31, 2023 for the Company are included in Exhibit B.
- C. Interim Financial Statements. Interim financial statements for the three-month period ended March 31, 2024 for the Company are included as Exhibit C.
- D. Five-Year Prospective Financial Statements. Financial projections for each of the five years ending December 2028 for the Company as compiled by an independent public accountant are included as Exhibit D.
- E. Reserves, Escrow and Trusts. North Carolina law requires continuing care retirement communities such as the Community to maintain operating reserves equal to fifty percent (50%) of the total operating costs in a given year, or twenty-five percent (25%) of such total operating costs if occupancy as of a certain date exceeds ninety percent (90%) of the Community's capacity (such reserve amount is referred to herein as the "Statutory Reserve"). This law provides security to the Residents that the Company will be able to meet its contractual obligations to provide continuing care. The Company's Statutory Reserve will be maintained through a letter of credit issued by a financial institution approved by the North Carolina Department of Insurance (the "Letter of Credit"). The Letter of Credit will name the Company as the beneficiary and be in an amount sufficient to satisfy the Statutory Reserve requirement.

During the Fill-up Period, all Priority and Security Deposits received from prospective Residents will be held in escrow with a state-chartered or federally-chartered bank. The escrowed funds may not be released to the Company until statutorily mandated levels of reserves are received and long-term financing is secured. If the Company fails to meet these pre-opening financing obligations, the bank shall return the escrowed monies to the prospective Residents. These statutorily mandated financing levels are detailed in the North Carolina General Statutes at §58-64-35.

## Report of Independent Auditor

To the Members  
The Barclay at SouthPark  
Wilmington, North Carolina

### Opinion

We have audited the accompanying combined financial statements of The Barclay at SouthPark (the “Company”), a group of entities under common control, which comprise the combined balance sheet as of December 31, 2024, and the related combined statements of operations and changes in members’ equity and cash flows for the year then ended, and the related notes to the combined financial statements.

In our opinion, the combined financial statements referred to above present fairly, in all material respects, the combined financial position of the Company as of December 31, 2024, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor’s Responsibilities for the Audit of the Combined Financial Statements* section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Responsibilities of Management for the Combined Financial Statements

Management is responsible for the preparation and fair presentation of the combined financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of combined financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the combined financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company’s ability to continue as a going concern within one year after the date that the combined financial statements are available to be issued.

### Auditor’s Responsibilities for the Audit of the Combined Financial Statements

Our objectives are to obtain reasonable assurance about whether the combined financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the combined financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the combined financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the combined financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the combined financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

### **Supplementary Information**

Our audit was conducted for the purpose of forming an opinion on the combined financial statements as a whole. The supplementary information is presented for the purpose of additional analysis and is not a required part of the combined financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the combined financial statements. The information has been subjected to the auditing procedures applied in the audit of the combined financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the combined financial statements or to the combined financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the combined financial statements taken as a whole.

### Note 2—Summary of significant accounting policies

*Principles of Combination* – The combined financial statements include the accounts of SouthPark PROPCO and Barclay at SouthPark, which are owned and controlled by the members of the limited liability companies, and Barclay Senior Living who provides management services. All significant inter-company accounts and transactions have been eliminated, including right-of-use (“ROU”) assets and ROU lease liability amounts. The combined financial statements do not and are not intended to represent the activity of a legal entity.

*Basis of Accounting* – The accompanying combined financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”).

## NOTES TO THE COMBINED FINANCIAL STATEMENTS

DECEMBER 31, 2024

---

### Note 2—Summary of significant accounting policies (continued)

**Restricted Cash** – Restricted cash is comprised of an escrow and refundable priority deposits (the “Priority Deposit”) received from future residents, which are held in accordance with statute, law, or regulation of the federal, state, and local government. The escrow balance amounted to \$878,094 as of December 31, 2024. The Priority Deposit will be applied to the security deposit paid by the resident upon execution of a Residency and Care Agreement. The liability associated with refundable priority deposits is included within accrued expenses and other payables on the combined balance sheet, and totaled \$138,093 as of December 31, 2024.

**Property and Equipment, Net** – Property and equipment are stated at actual cost. Maintenance and repairs are charged to expense as incurred, and renewals and betterments are capitalized. Gains or losses on disposals are credited or charged to operations.

Depreciation and amortization is computed using the straight-line method over the estimated useful lives of the assets. Depreciation and amortization amounted to \$4,905,968 for the year ended December 31, 2024.

The estimated useful lives used in computing depreciation and amortization are as follows:

Buildings and improvements	5 to 40 years
Land improvements	5 to 15 years
Furniture and fixtures	5 to 20 years
Vehicles	10 years
Software	3 years
Leasehold improvements	Lesser of 40 years or the lease term
Equipment	3 to 20 years

**Debt Issuance Costs** – Financing costs associated with the notes payable have been deferred and are being amortized over the term of the related debt using the straight-line method, which approximates the effective interest method. Amortization of debt issuance costs is recognized as interest expense in the combined statement of operations and changes in members’ equity. Unamortized debt issuance costs are included as a reduction related to debt liabilities.

**Revenue Recognition** – The Company follows the guidance provided by Accounting Standards Codification (“ASC”) 606, *Revenue from Contracts with Customers* and uses a five-step model to apply to revenue recognition, consisting of: (1) determination of whether a contract, an agreement between two or more parties that creates legally enforceable rights and obligations, exists; (2) identification of the performance obligations in the contract; (3) determination of the transaction price; (4) allocation of the transaction price to the performance obligations in the contract; and (5) recognition of revenue when (or as) the performance obligation is satisfied.

**Resident Revenue** – Resident fee revenue is reported at the amount that reflects the consideration the Company expects to receive in exchange for the services period. These amounts are due from residents or third party payors and include variable consideration for retroactive adjustments, if any, under reimbursement programs. Performance obligations are determined based on the nature of the services provided. Resident fee revenue is recognized as performance obligations are satisfied.

Under the Company’s skilled nursing and assisted living senior living residency agreements, the Company provides senior living services to residents for a stated daily or monthly fee. The Company recognizes revenue for room, assistance with activities of daily living, inpatient therapy, healthcare, and personalized health services provided under assisted living and skilled nursing residency agreements in accordance with the provisions of U.S. GAAP. The senior living services included under the daily or monthly fee have the same timing and pattern of transfer and are a series of distinct services that are considered one performance obligation which is satisfied over time and recognized ratably over the contractual term, typically daily.

### Note 2—Summary of significant accounting policies (continued)

The Company also collects a one-time upfront nonrefundable community fee. The community fee is a one-time fee equivalent to one monthly service fee and becomes non-refundable 30 days after the resident signs the Residency and Care Agreement (the “Rescission Period”). The community fee is initially recorded as deferred revenue, then recognized as revenue at the end of the Rescission Period.

The Company has a performance obligation related to the series of distinct goods and services and another performance obligation related to access residents have for discounted fee days. Management has determined it is appropriate to allocate an equal amount of revenue to this material right each month.

The Company receives revenue for services under various third party payor programs which include Medicare, Medicaid, and other third party payors. Settlements with third party payors for retroactive adjustments due to audits, reviews, or investigations are included in the determination of the estimated transaction price for providing services. The Company estimates the transaction price based on terms of the contract with the payor, correspondence with the payor and historical payment trends, and retroactive adjustments are recognized in future periods as final settlements are determined.

The Company receives revenue from independent living residents containing a lease component that would fall under the guidance of ASC 842, *Leases*. The amount of revenue recorded under this guidance was approximately \$12,891,000 and there would be no difference in how the revenue would be recognized under ASC 606 or ASC 842.

*Disaggregated Revenue* – The Company has determined that the senior living services included under the daily or monthly fee have the same timing and pattern of transfer and are a series of distinct services that are considered one performance obligation which is satisfied over time.

*Contract Balances* – Timing differences among revenue recognition may result in contract assets or liabilities. Contract liabilities on the accompanying combined balance sheet related to the nonrefundable community fee and prepaid resident revenue totaled \$65,873 and \$275,307, respectively, as of December 31, 2024 and is recorded as deferred revenue on the combined balance sheet. There were no contract assets as of December 31, 2024.

*Resident Accounts Receivable, Net* – Receivables from residents, insurance companies, and third party contractual agencies are recorded at regular resident service rates, net of estimated contractual adjustments. Contractual adjustments are estimated based on the terms of third party insured contracts and arrangements. The allowance for credit losses is based on the Company’s assessment of the collectability of resident accounts receivable. In accordance with ASC Topic 326, *Financial Instruments – Credit Losses*, the Company makes ongoing estimates relating to the collectability of resident receivables and records an allowance for estimated losses expected from the inability of its residents to make required payments. The Company establishes expected credit losses by evaluating historical levels of credit losses, current economic conditions that may affect a resident’s ability to pay, and creditworthiness. These inputs are used to determine a range of expected credits losses and an allowance is recorded within the range. Accounts receivable is stated in the amount management expects to collect from outstanding balances.

*Income Taxes* – The Company, with the consent of its members, has elected under the Internal Revenue Code to be taxed as a partnership. In lieu of corporate federal income taxes, the members of a limited liability company are taxed on their proportionate share of the Company’s taxable income. Management has evaluated the effect of the guidance provided by U.S. GAAP on accounting for uncertainty in income taxes. Management has evaluated all other income tax positions that could have a significant effect on the combined financial statements and determined the Company had no uncertain income tax positions at December 31, 2024.

### Note 2—Summary of significant accounting policies (continued)

*Intangible Assets* – In accordance with U.S. GAAP, intangible assets that have indefinite useful lives are not amortized but rather are tested at least annually for impairment. For the Company, this asset includes a CON. Intangible assets with indefinite useful lives are reviewed for impairment in accordance with ASC 350, *Intangibles – Goodwill and Other*, which requires the Company to evaluate the recoverability of long-lived assets annually and whenever events or changes in circumstances indicate that its carrying amount may not be recoverable. The Company continually evaluates whether events and circumstances have occurred that indicate the remaining estimated useful life of its CON may warrant revision or that the remaining carrying value may not be recoverable. As permitted by ASC 350, the Company performed a qualitative assessment of impairment to determine whether the value of the CON was impaired. Based on the results of this qualitative assessment, the CON was not impaired as of December 31, 2024.

*Impairment of Long-Lived Assets* – The Company reviews the carrying value of its long-lived assets such as property and equipment, whether held for use or disposal when events and circumstances indicate that the carrying amount of an asset may not be recoverable based on expected undiscounted cash flows attributable to that asset. The amount of any impairment is measured as the difference between the carrying value and the fair value of the impaired asset. Based on results of this review, property and equipment was not impaired as of December 31, 2024.

*Operating Reserves* – Continuing care retirement communities located in North Carolina are licensed and monitored by the NC DOI under Article 64 of Chapter 58 of the North Carolina General Statutes. The Commissioner of Insurance has the authority to revoke or restrict the license of or impose additional requirements on any continuing care facility under certain circumstances specified in North Carolina General Statute 58-64-10.

North Carolina General Statute 58-64-33 requires that continuing care retirement communities with occupancy levels in excess of 90% maintain an operating reserve equal to 25% of total operating costs projected for the 12-month period following the most recent annual statement filed with the NC DOI, upon approval of the Commissioner. Continuing care retirement communities with less than 90% occupancy are required to maintain an operating reserve equal to 50% of projected total operating costs. Total operating costs shall include budgeted operating expenses plus debt service less depreciation and amortization expense and revenue associated with non-contractual expenses.

In order to meet the North Carolina General Statute operating reserve requirement for 2024, the Company maintained an irrevocable standby letter of credit throughout the year. At December 31, 2024, the amount of the letter of credit was \$12,453,000.

*Credit Concentrations* – The Company places its cash and cash equivalents on deposit with financial institutions in the United States. The Federal Deposit Insurance Corporation covers \$250,000 for substantially all depository accounts. During the year ended December 31, 2024, the Company from time to time may have had amounts on deposit in excess of insured limits.

The Company grants credit without collateral to its residents, most of whom are insured by third party payors. The mix of receivables from third party payors at December 31, 2024 was as follows:

Medicare	39%
Commercial insurance/private pay/other	61%
	<u>100%</u>

The Company's mix of revenue sources for the period ended December 31, 2024 was as follows:

Medicare	4%
Commercial insurance/private pay/other	96%
	<u>100%</u>

*Advertising Costs* – Advertising costs are expensed in the year incurred and totaled \$601,844 for the year ended December 31, 2024.

*Deferred Marketing Costs* – Management has implemented Accounting Standards Update (“ASU”) 2014-09, *Revenue from Contracts with Customers* and adopted the treatment of deferred marketing costs. Under the standard, the Company capitalizes marketing sales commissions associated with securing new Residency and Care Agreements as an asset and amortizes these commissions over five years, the estimated term of the respective Residency and Care Agreements. The net amount of deferred marketing costs as of December 31, 2024 are included within other assets, net on the combined balance sheet. Amortization of deferred marketing costs amounted to \$86,531 for the year ended December 31, 2024.

*Residence and Care Agreement Services* – The Residency and Care Agreement (“Residency Agreement”) is a rental contract under which the Company is obligated, upon payment by the resident of a community fee and ongoing payments of the monthly fee to the Company, to provide certain services to the resident. While the resident occupies an independent living unit, services provided include: one meal per day; all utilities, except telephone; for apartment and garden flat residents, housekeeping services; maintenance of both the unit and the grounds and equipment; scheduled local transportation; use of the wellness center; planned social, recreational, and cultural activities; and use of the community area and other common activity facilities.

*Admittance Standards* – To be accepted for admission to the independent living units at the CCRC, each prospective resident must be at least 62 years of age at the time residency is established, with the exception of an underage spouse, who must be at least 50 years of age, have financial assets adequate to pay the admission fee, and have sufficient income to meet the anticipated monthly fee and other personal expenses not provided under the Residency Agreement. A reservation requires a signed Residency Agreement and the payment of a one-time community fee equal to one month's monthly resident fee. The community fee is refundable within the first 30 days of the execution of the Residency Agreement.

*Terms of Residency* – For residents living in an apartment, the initial agreement shall be for a term of 13 months. After the initial term, the Residency Agreement will automatically renew for an additional 13-month period, unless terminated as set forth in the Residency Agreement applicable to the apartments.

*Termination by the Resident Prior to Occupancy* – The resident may terminate the Residency Agreement prior to moving into the CCRC for any reason at any time by giving written notice. The community fee will be refundable at termination, except for costs or other charges that the resident and the CCRC agree in advance are non-refundable.

*Termination by the Resident After Occupancy* – The resident may terminate the Residency Agreement after moving into the CCRC by giving a 30-day prior written notice of termination, which shall be effective and irrevocable upon delivery. If the resident terminates the Residency Agreement prior to the expiration of the initial term or renewal term, then the resident will be obligated to pay the monthly fee throughout the remainder of the term until the later of (i) removal of possessions from the apartment and key return to administration or (ii) re-occupancy of the apartment by a new resident.

*Termination by the Company* – The CCRC may terminate the Residency Agreement for just cause. Just cause includes (i) breach of agreement; (ii) misrepresenting information in admission process; (iii) failure to pay any charges; (iv) resident becomes infected with dangerous or contagious disease; and (v) a major change in physical or medical condition that cannot be cared for or is beyond the limits of the CCRC's license.

### Note 7—Related party transactions

Other entities owned by Liberty Healthcare provide other benefits to the Company. These transactions are also considered related party transactions and are settled through related party cash accounts and payments to the other entities. As of December 31, 2024, total receivables and payables to related parties were \$305,263 and \$1,547,213, respectively.

Barclay at SouthPark has entered into management agreements with a fee of 5% of total revenue derived from independent living units and 6% of total revenue derived from assisted living units, memory care units, and skilled nursing units paid to Barclay Senior Living. These fees totaled \$1,317,213 for the year ended December 31, 2024.

### Note 8—Leases

SouthPark PROPCO (the “Lessor”) leases real estate which includes office space, nursing homes, and long-term care centers to Barclay at SouthPark (the “Lessee”), under the terms of the Operating Lease Agreement (the “Operating Lease”) effective July 24, 2018. The Operating Lease expires on June 30, 2037, and the Lessee has the option to renew for two additional terms of five years each. Renewal and termination clauses are factored into the determination of the lease term if it is reasonably certain that these options would be exercised by the Lessee.

The lessor determines whether a contract contains a lease at inception by determining if the contract conveys the right to control the use of identified property and equipment for a period of time in exchange for consideration. The lessor has elected to apply the practical expedient to account for lease and non-lease components as a single component, and all components qualify for this practical expedient as the timing and pattern of transfer of the lease and non-lease component are the same, and the lease would be classified as an operating lease if it were accounted for separately. The lessor has determined that the lease is predominant in the contract and is accounting for the lease as an operating lease under ASC 842.

The presentation is dependent on lease classification. However, the Lessor only has an operating lease from a lessor perspective. Assets leased by the Company under operating lease are presented as property and equipment in the Company’s combined balance sheet and depreciated over their estimated useful life.

The cost basis of land, buildings and improvements, and office furniture and equipment held under the terms of the lease agreement was \$156,128,815 and related accumulated depreciation was \$19,259,166 at December 31, 2024.

The lessor receives rent payments directly from the lessee. For the year ended December 31, 2024, the monthly payments were \$700,000 for the lessee. According to the terms of certain leasing arrangements, the annual rent to be paid by the lessees will be increased according to the agreed upon payment schedules included as part of the lease agreements.

Total rent receivables from intercompany related parties on a straight-line basis as of December 31, 2024 was \$9,012,564 and has been eliminated in the combined financial statements.

Total rental income for the year ended December 31, 2024 was approximately \$10,204,000 for the lessor and has been eliminated in the combined financial statements.

### Note 8—Leases (continued)

Minimum future cash rentals due on a straight-line basis to the lessor under the terms of the operating lease agreement are as follows:

#### Years Ending December 31,

2025	\$ 8,610,000
2026	8,820,000
2027	8,820,000
2028	8,820,000
2029	8,820,000
Thereafter	57,330,000
	<u>\$ 101,220,000</u>

Total rent expense incurred by the lessee to the lessor was approximately \$10,024,000 for the year ended December 31, 2024, including amortization of the ROU asset of approximately \$4,264,000. These amounts have been eliminated in the combined financial statements.

### Note 9—Contingencies

The Company is subject to legal proceedings and claims which arise in the course of providing health care services. The Company maintains malpractice insurance coverage (\$1,000,000 per claim, \$3,000,000 aggregate) for claims made during the policy year. In management's opinion, adequate provision has been made for amounts expected to be paid under the policy's deductible limits for unasserted claims not covered by the policy and any other uninsured liability.

The health care industry is subject to numerous laws and regulations of federal, state, and local governments. These laws and regulations include but are not necessarily limited to matters such as licensure, accreditation, government-health care program participation requirements, reimbursement for patient services, and Medicare and Medicaid fraud and abuse. Recently, government activity has increased with respect to investigations and allegations concerning possible violations of fraud and abuse statutes and regulations by health care providers. Violations of these laws and regulations could result in expulsion from government health care programs together with the imposition of significant fines and penalties, as well as significant repayments for patient services previously billed.

### Note 10—Pension plan

The Company offers a defined contribution plan (the "Plan") to eligible employees as defined by the Plan. The Company will match employee contributions at the discretion of management. The Company contributed \$99,104 to the Plan for the year ended December 31, 2024.

### Note 11—Subsequent events

The Company has evaluated subsequent events through May 6, 2025, in connection with the preparation of these combined financial statements, which is the date the combined financial statements were available to be issued. The Company is unaware of any subsequent events that should be recognized or disclosed in the combined financial statements.

**Material Difference Narrative**  
**As of and for the Year Ended December 31, 2024**

Charlotte SP Senior Housing PROPCO, LLC, Charlotte SP Senior Housing OPCO, LLC, and Barclay Senior Living SouthPark, LLC ("The Barclay at SouthPark") used the following financial reports as of and for the year ended (actual)/ending (projected) December 31, 2024:

Audited - Obtained from the combined audited financial statements of The Barclay at SouthPark as of and for the year ended December 31, 2024.

Projected - Obtained from the projected financial statements for the Company with the Independent Accountants' Compilation Report dated June 28, 2024, which was included in The Barclay at SouthPark Disclosure Statement dated May 31, 2024.

The following explanations are furnished pursuant to Section 58-64-30 of the General Statutes of North Carolina. The explanations pertain to material differences between The Barclay at SouthPark's audited and projected financial statements, as described above, as of and for the year ending December 31, 2024. See the summary Balance Sheets, Statements of Operations and Statements of Cash Flows behind this narrative for amounts and percentages.

For purposes of this narrative, "material" differences are considered to be variances of \$1,000,000 and 10% on line item amounts.

## Balance Sheets:

1. Cash Restricted - Restricted cash was approximately \$1,244,000 (53%) below projected due to refinancing.
2. Due From/To Related Parties - There are transactions throughout the year between other companies related to The Barclay at SouthPark which are not part of the economic entity. Below is a summary of the net balances due to and from these companies (shown in a comprehensive total) at December 31, 2024:

In \$1,000s	Forecasted			Actual		
	<u>Due From</u>	<u>Due To</u>	<u>Net Rec/(Pay)</u>	<u>Due From</u>	<u>Due To</u>	<u>Net Rec/(Pay)</u>
Total receivable/(payable)	\$ 3,065	\$ (3,826)	\$ (761)	\$ 305	\$ (1,547)	\$ (1,242)
						\$ (481)
						63%

The Barclay at SouthPark received less from related parties, and owes less to the related parties, than forecasted by a net amount of approximately \$481,000 (63%). Intercompany activity was much less than was expected mainly due to rent receivable/accrued rent being recorded in accounts separate from the intercompany.

3. Other Assets - Other Assets were approximately \$1,668,000 (554%) more than projected. This is due to recording rent due to the property in a rent receivable account and not the related party due to.
4. Long-term Debt - The current portion of the long-term debt was \$102,924,000 (100%) above projected, but the long term portion of the debt was approximately \$102,877,000 (100%) more than projected. This is just due to the projected timing of the debt.

## Statements of Operations and Changes in Members' Equity:

5. Assisted Living Revenue - Assisted living revenue was less than projected by approximately \$1,659,000 (15%). This is mainly due to the census being around 11% under budget for the year.
6. Operating Income - Operating income was approximately \$2,216,000 (27%) lower than projected. This was a result of lower Assisted Living revenues, and increased expenditures in Skilled Nursing.
7. Interest Expense - The interest expense was approximately \$2,423,000 (40%) higher than projected. This was due to the loan refinancing.
8. Net income (loss) - The net loss from operating activities was greater than projected by approximately \$4,589,000 (154%). Total occupancy was below the projection (see note #6 above). Total expenses were more than projected for the year. See notes# 4, 6, and 7.
9. Members' contributions - Members' contributions were more than projected by approximately \$4,694,000 (100%). This is due to investors contributing capital during the year and none being projected.

## Statements of Cash Flows:

10. Changes in Operating Assets and Liabilities - Changes in Operating Assets and Liabilities was less than projected by approximately \$2,170,000 (9436%). This is largely the result in the lower than expected net income (see note #6 above). The effect on cash was offset with the members' contribution (see note #5 above), and through intercompany payables/receivables.

Wilmington, North Carolina

Management of The Barclay at SouthPark (the "Company"), a group of entities under common control (the "Company"), and the day-to-day operating manager, Liberty Living Management, LLC (collectively "Management") is responsible for the accompanying financial projection of the Company, which comprises the projected combined balance sheets as of and for each of the five years ending December 31, 2029, the related projected combined statements of operations and changes in members' equity and cash flows for each of the years then ending, and the related summaries of significant assumptions and rationale in accordance with guidelines for the presentation of a financial projection established by the American Institute of Certified Public Accountants ("AICPA").

The accompanying projection and this report were prepared for inclusion with the disclosure statement filing requirements of North Carolina General Statutes, Chapter 58, Article 64. Accordingly, this report should not be used for any other purpose.

We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services Committee of the AICPA. We did not examine or review the financial projection nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by Management. Accordingly, we do not express an opinion, conclusion, or provide any form of assurance on this financial projection. The projected results may not be achieved, as there will usually be differences between the prospective and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

Furthermore, even if the following hypothetical assumptions occur during the projection period:

- the independent living units and health center units and beds achieve and maintain projected occupancy levels during the projection period; and
- Management refinances its building loan during fiscal year 2027 at terms and rates similar to those reflected in the projection.

There will usually be differences between the projected and actual results because events and circumstances frequently do not occur as expected, and those differences may be material.

We have no responsibility to update this report for events and circumstances occurring after the date of this report.

### **Summary of Significant Projection Assumptions and Rationale**

---

#### **General**

The accompanying financial projection presents, to the best of the knowledge and belief of management of The Barclay at SouthPark, a group of entities under common control, (the “Company” or the “Community”) and the day-to-day operating manager, Liberty Living Management, LLC (the “Operating Manager”) (collectively “Management”), the expected financial position, results of operations and changes in members’ equity, and cash flows of the Company as of and for each of the five years ending December 31, 2029. Accordingly, the accompanying financial projection reflects Management’s judgment as of May 29, 2025, the date of this projection, of the expected conditions and its expected course of action during the projection period assuming the hypothetical assumptions defined below occur. However, even if the hypothetical assumptions stated below were to occur, there will usually be differences between the prospective and actual results because events and circumstances frequently do not occur as expected, and those differences may be material.

Management’s purpose in releasing this financial projection is for inclusion in the Company’s annual disclosure statement in accordance with Chapter 58, Article 64, of the North Carolina General Statutes. Accordingly, this report should not be used for any other purpose. The assumptions disclosed herein are those that Management believes are significant to the prospective financial statements.

*Basis of Presentation* – The prospective financial statements included in the projection have been prepared in accordance with the accounting principles generally accepted in the United States of America. Significant accounting policies are described in the appropriate assumptions and notes to the prospective financial statements. The assumptions described are not all-inclusive.

*Hypothetical Assumptions* – A hypothetical assumption is an assumption used in a financial projection to present a condition or course of action that is not necessarily expected to occur but is consistent with the purpose of the presentation. Hypothetical assumptions are not derived from sources, which are based upon supporting documentation such as contracts, agreements, or other empirical data. Management has prepared its financial projection assuming the following hypothetical assumptions:

- the independent living units and health center units and beds achieve and maintain projected occupancy levels during the projection period; and
- Management refinances its building loan during fiscal year 2027 at terms and rates similar to those reflected in the projection.

**See Accountant’s Compilation Report**

- (1) The Monthly Fee and Daily Fee pricing is an average of the Month Fees and Daily Fees effective as of January 1, 2025. The Monthly Fees and Daily Service Fees increase each January for all Residents (hereinafter defined).
- (2) Residents of the Independent Living Units are required to pay a one-time, non-refundable community fee equal to \$10,000 (the “Community Fee”); a one-time, non-refundable fee equal to one month’s Monthly Fee (the “Apartment Selection Fee”); and a one-time, refundable security deposit equal to one month’s Monthly Fee (the “Security Deposit”).
- (3) The second person Monthly Fee is \$1,366 for the Independent Living Units and \$3,200 for the Assisted Living Units.
- (4) In 2024, Management combined one one-bedroom and one two-bedroom Independent Living Unit into a single Independent Living Unit, which reduced the number of available Independent Living Units to 164.

**See Accountant’s Compilation Report**

**Residency and Care Agreement**

Services – The residency agreement (“Residency and Care Agreement”) is a rental contract under which the Company is obligated, upon payment by the resident (the “Resident” or “Residents”) of the Security Deposit, Community Fee, Apartment Selection Fee, and ongoing payment of the Monthly Fee, to provide certain services to the Resident. While the Resident occupies an Independent Living Unit, services provided include:

- Utilities, except telephone and internet service;
- Declining balance meal plan;
- Weekly housekeeping services;
- Interior unit and appliance maintenance;
- Maintenance of common areas and the grounds;
- Use of common areas and wellness center;
- Uncovered parking;
- Scheduled transportation; and
- 24-hour emergency response system.

Optional services, including covered parking, personal laundry, additional transportation, additional dining, and additional housekeeping services, are available for extra fees.

Admittance Standards – Prior to taking occupancy of a selected Independent Living Unit, the Resident shall execute a Residency and Care Agreement. The terms of the Residency and Care Agreement require the Company accept persons at least 62 years of age at the time of occupancy, who demonstrate the ability to live independently and meet the financial obligations as a Resident. A reservation requires a signed Residency and Care Agreement and payment of a Security Deposit, a non-refundable Apartment Selection Fee, and a non-refundable Community Fee. Upon occupancy, Residents are expected to pay an ongoing Monthly Fee.

Healthcare Benefit – The Company provides Residents temporary or permanent assisted living, memory care, and skilled nursing services in the Healthcare Center, within the limits of the Company’s licensure. Residents receive an annual, non-cumulative discount of 10 percent from the current market rate during the first 30 days of residency in the Healthcare Center.

Terms of Residency – The initial Residency and Care Agreement shall be for a term of 13 months. After the initial term, the Resident has the option, each year, of executing another Residency and Care Agreement for 13 months. If another 13-month Residency and Care Agreement is not executed, the Residency and Care Agreement shall expire at the end of the term.

**See Accountant’s Compilation Report**

Termination by the Resident Prior to Occupancy – The Resident may cancel at any time and for any reason during the 30-day rescission period as defined in the Residency and Care Agreement (the “Rescission Period”) and shall receive a refund of any fees paid, less a service charge. After the Rescission Period, the Resident may terminate the Residency and Care Agreement prior to moving into the Community by giving 30 days’ prior written notice. Under this circumstance, the Apartment Selection Fee and Community Fee become non-refundable after the Rescission Period.

Termination by the Resident After Occupancy – The Resident may terminate the Residency and Care Agreement after moving into the Community by giving 30 days’ prior written notice of termination, which shall be effective and irrevocable upon delivery. If the Resident terminates the Residency and Care Agreement prior to the expiration of the initial term or renewal term, then the Resident shall be liable for the Monthly Fee until the date that all of the Resident’s personal belongings are removed from the Independent Living Unit. In addition, the Resident shall be responsible for payment of liquidated damages of one month’s rental charge.

The Residency and Care Agreement shall automatically terminate upon death of the Resident (unless there is a surviving joint Resident) and a personal representative shall have 30 days from date of death to remove personal property from the Independent Living Unit. The Resident’s estate is obligated to pay the Monthly Fee until the removal of possessions from the Independent Living Unit and key return to administration.

Termination by the Company – The Company may terminate the Residency and Care Agreement for just cause to include: (i) breach of agreement; (ii) misrepresenting information in the admission process; (iii) failure to pay any charges; (iv) the Resident becomes infected with dangerous or contagious disease; or (v) violation of any reasonable procedures at the Community.

**Summary of Significant Accounting Policies**

- (a) Basis of Accounting – The Company is assumed to maintain its accounting and financial records according to the accrual basis of accounting.
- (b) Principles of Combination – The combined financial statements include the accounts of SouthPark PROPCO and Barclay at SouthPark, which are owned and controlled by the members of the limited liability companies, and Barclay Senior Living who provides management services. All significant inter-company accounts and transactions have been eliminated, including right-of-use assets and right-of-use lease liability amounts. The combined projected financial statements do not and are not intended to represent the activity of a legal entity.
- (c) Cash – Cash includes cash on hand and cash on deposit held by one financial institution.
- (d) Restricted Cash – Restricted cash is comprised of refundable priority deposits (the “Priority Deposit”) received from future residents, which are held in accordance with statute, law, or regulation of the federal, state, and local government. The Priority Deposit shall be applied to the security deposit paid by the resident upon execution of a Residency and Care Agreement.
- (e) Related-Party Transactions – The principal members of the Company and other entities, which they own or with which they are associated, are considered related parties. Management monitors cash flow at each related party entity and transfers cash on an as-needed basis.
- (f) Statutory Operating Reserve – North Carolina General Statute section 58-64-33, requires licensed CCRCs to maintain an operating reserve equal to 50 percent of the total projected operating expenses (adjusted for non-cash items) in a given year. If a CCRC maintains a combined independent and assisted living occupancy in excess of 90 percent, the operating reserve amount required equals 25 percent of projected operating expenses (adjusted for non-cash items). The reserve may be funded by cash, invested cash, or investment grade securities. In order to meet the North Carolina General Statutes operating reserve requirements, the Company maintains an irrevocable standby letter of credit from a financial institution. At December 31, 2024, the amount of the letter of credit was \$12,453,000. Management is to fund a \$500,000 operating reserve, at its discretion, to provide additional liquidity for Community’s operations.
- (g) Lease Accounting – ASU 2016-02 requires all leases with lease terms over twelve months to be capitalized as a right-of-use asset and lease liability on the balance sheet at the date of lease commencement. Leases are to be classified as either finance or operating. This distinction shall be relevant for the pattern of expense recognition in the statement of operations. Upon combining the Company’s financial statements, material lease transactions occurring during the projection period are recognized as internal lease transfers and eliminated from the financial presentation.

**See Accountant’s Compilation Report**

- (h) Property and Equipment – Property and equipment are recorded at cost. Depreciation is calculated on the straight-line method over the estimated useful lives of depreciable assets. The cost of maintenance and repairs is charged to operations as incurred, whereas significant renewals and betterments are capitalized.
- (i) Deferred Marketing Costs – Management has implemented ASU No. 2014-09 Revenue from Contracts with Customers and adopted the treatment of deferred marketing costs. Under the standard, the Company capitalizes marketing sales commissions associated with securing new Residency and Care Agreements as an asset and amortizes these commissions over five years, the estimated term of the respective Residency and Care Agreements.
- (j) Intangible Asset – the intangible asset includes fees related to the Company’s application for the CON. In accordance with accounting standards generally accepted in the United States of America, intangible assets with indefinite useful lives are reviewed for impairment in accordance with Accounting Standards Codification (“ASC”) 350, Intangibles – Goodwill and Other, which requires the Company to evaluate the recoverability of long-lived assets annually and whenever events or changes in circumstances indicate that its carrying amount may not be recoverable. The Company continually evaluates whether events and circumstances have occurred that indicate the CON may warrant revision or that the remaining carrying value may not be recoverable. As permitted by ASC 350, the Company performs qualitative assessments of impairment to determine whether the value of the CON was impaired. Management assumes no impairment for the intangible asset to occur during the projection period.
- (k) Debt Financing Cost – Cost associated with the issuance of debt is capitalized and is amortized over the term of the related debt using the straight-line method, which approximates the effective interest method. Debt issuance costs are netted against the related debt on the combined projected balance sheet and the amortization is included on the combined projected statement of operations and changes in members’ equity.
- (l) Income Taxes – The Company has elected to be treated as a partnership for income tax purposes. The Company’s taxable income, its losses, and other pass-through items are reported on the members’ tax returns. Accordingly, no provision for income taxes has been included in the projection.

1. Eligibility Requirements and Procedures.

The Resident will be qualified for admission as an occupant of the CCRC on the following terms and conditions:

- a. Age Criteria. The requirements for admission into the CCRC are nondiscriminatory except as to age. Admission is restricted to persons sixty-two (62) years of age or older with the exception of a younger second occupant. An underage second occupant may be approved for residency in the Apartment in the Company’s sole discretion but must, at a minimum, be at least fifty (50) years of age and meet the other requirements for residency in the CCRC. The Company reserves the right to limit the number of residents under the age of sixty-two (62) that will live in the CCRC.
- b. Preliminary Health Screen. The Resident must be capable of living independently and must satisfy the then current independent living criteria as published by the

Company, which criteria may be amended from time to time in the Company's sole discretion. The Resident shall provide to the Company an internal preliminary health screen (the "Preliminary Health Screen"), substantially in the form attached to the Apartment Selection Agreement executed by the Resident and the Company dated as of the \_\_\_\_ day of \_\_\_\_\_, 20\_\_ (the "Apartment Selection Agreement"), completed by the Resident's primary physician and certifying that the Resident meets the independent living criteria within the period outlined in Section 1.e. of this Agreement.

- c. Apartment Selection Agreement. At the time of selecting an Apartment, the Resident completed an Apartment Selection Agreement and submitted it to the Company along with an Apartment Selection Fee and Community Fee, as defined in Sections 7.a. and 7.b., respectively, of this Agreement. In the event of any conflict between the provisions of the Apartment Selection Agreement and this Agreement, the provisions of this Agreement shall control.
- d. Disclosure Statement. Upon execution of this Agreement, the Company will provide the Resident a copy of the CCRC's Disclosure Statement (the "Disclosure Statement") which fully describes the organization, facilities, policies, services, fees, financial condition, projections, and the vital information related to the CCRC. Included in the Disclosure Statement is a copy of this Agreement.
- e. Application. Within thirty (30) days of execution of the Apartment Selection Agreement, the Resident will complete a Preliminary Health Screen and a confidential financial statement, all on the forms provided by the Company, and deliver the same (all such documents collectively referred to herein as, the "Application Forms") to the Company.
- f. Interview. The Resident must have an interview with a representative from the Company prior to being approved for residency in the CCRC. This interview may include a non-medical assessment of the Resident(s) as an initial step in determining the whether the requirements for residency may be met.
- g. Financial Condition. The Company must be satisfied that the Resident has the financial income and assets to pay the Monthly Service Fee (as defined in Section 7.d. of this Agreement), extra meal charges, charges for additional services, personal living expenses, and the future adjustments of these charges during the term of this Agreement. Immediately prior to the Occupancy Date (as defined in Section 1.n. of this Agreement), the Resident will affirm to the Company that the Resident's financial situation does not differ materially or adversely from the financial situation as presented in the Application Forms (substantially in the form attached to the Apartment Selection Agreement). If the Resident's then personal financial situation differs materially and adversely from the Resident's prior financial situation, the Company may terminate this Agreement. After the Occupancy Date, the Company may require updated financial information. In the case of two Residents occupying an Apartment, and in the event of the death of one of the occupants, the surviving Resident will be required to submit an update of the

original Application Forms within thirty (30) days after the Company's request for the same.

- h. Health Insurance. Prior to the Occupancy Date, the Resident shall provide evidence of health insurance coverage to the Company at a level reasonably satisfactory to the Company.
- i. Review of Application. The Company will review the completed Application Forms as a basis for initial approval for residency in the CCRC. The Company will accept or deny an application based on the criteria and policies it has established, as the same may be amended from time to time. The Company will notify the Resident in writing of its decision on the application.
- j. Physician's Report. Thirty (30) days prior to the Occupancy Date (as defined in Section 1.n. of this Agreement), the Resident is required to submit to the Company an updated Preliminary Health Screen. The Company will respect the privacy of the Resident's personal health information and is committed to maintaining the Resident's confidentiality.
- k. Representations and Warranties. The Resident affirms that the representations made in the Application Forms or other statements of financial capability are accurate and reflect the Resident's current status. The Resident acknowledges that such representations are the basis for which the Company agrees to enter into this Agreement.
- l. Authorization to Release Medical Information. - o. Insurance. The Company will maintain general liability and hazard insurance on the property within the CCRC owned or leased by the Company, but will not be responsible for the Resident's personal property.

### 3. Optional Services.

A schedule of fees for services provided at extra cost including, but not limited to those optional services described below (collectively "Optional Services"), shall be established by the Company and shall be made available to the Resident. The Optional Services currently expected to be offered by the Company include the following:

- a. Transportation Services. 4. Terms of Residence.

- a. Term of Agreement. The initial term of this Agreement shall be for thirteen (13) months beginning on the Occupancy Date (the “Term”). After the initial Term, this Agreement will automatically renew for additional thirteen (13) month periods, unless terminated in accordance with Section 8 below. Prior to the expiration of the initial Term or any renewal Term, the Company reserves the right to present the Resident with a new version of the Company Residency and Care Agreement for signature by the Company and the Resident.
- b. Nature and Extent of Rights. The Resident’s right to occupy the Apartment shall exist and continue unless terminated as provided in this Agreement. Nothing contained herein shall be construed or is intended to require that the Company care for the Resident after expiration or termination of this Agreement.
- c. Terms of Occupancy. Signing of this Agreement does not deliver title to real or personal property, and this Agreement may not be assigned, transferred, inherited or devised. Any rights, privileges, benefits, or interests created by or under this Agreement shall be subordinated to any mortgage, deed of trust, or other security interest created on any of the premises or interests in the real estate comprising the CCRC and to all amendments, modifications, replacements or refunding thereof. The Resident agrees to execute and deliver any document required by the Company or by the holder of any mortgage, deed of trust or other interest to evidence or effect such subordination.
- d. Alteration or Modification. Notwithstanding any other provisions in this Agreement, the Company may alter or modify the Apartment to meet requirements of any statute, law or regulation of the federal, state or local Government. The Resident may not, without prior written consent of the Company, make any alterations or modifications to the Apartment.

- e. Use. The Apartment shall be used for residential purposes only and shall not be used for business or professional purposes, or in any manner in violation of any zoning or health ordinances.
- f. Permitted Occupants. The Resident(s) named herein and no other person shall reside in or occupy the Apartment during the term of this Agreement, except with the express prior written approval of the Company. If a second occupant who is not a party to this Agreement is accepted for residency in the CCRC after the date of this Agreement, such acceptance shall be subject to the approval of the Company and adherence to policies then governing all other admissions and such second resident shall enter into a Residency and Care Agreement. If the second occupant does not meet the requirements for residency, or does not execute a Residency and Care Agreement, he or she shall not be permitted to occupy the Apartment.
- g. Transfers. Should the Resident desire to transfer to another Apartment, the Resident must notify the Company in writing. Following receipt of this request, and subject to availability, the Company may grant the Resident an option to move to the next available Apartment of the size requested. Upon transfer to a new residence, the Monthly Service Fee for the month in which the move takes place shall be prorated to reflect the percentage of the month that the Resident spends in each type of residence. With all transfers, there will be an up-fitting charge for the vacated residence based on the current rate established by the CCRC at the time of the transfer. The Resident will move all furnishings and belongings to the new residence within ten (10) days of the established occupancy date for the new residence. Any moving expense will be the responsibility of the Resident.
- h. Death or Transfer of One Resident. If one of the Residents named herein dies, moves out or is permanently transferred to the Healthcare Center or any other nursing center, the remaining Resident will continue to be bound by the terms of this Agreement except that the Monthly Service Fee will be reduced to the single occupancy rate then in effect.
- i. Rules and Regulations. The Resident and its guests and invitees shall comply in all respects with the CCRC's operating rules and regulations (the "Rules and Regulations") established by the Company from time to time. The Company may revise or amend such Rules and Regulations at any time in its sole discretion. A copy of the Rules and Regulations will be made available to the Resident.
- j. Pets. Subject to the prior written consent of the Company, which such consent shall be at the sole and absolute discretion of the Company, pets may be permitted in the Apartments. All pets must be on a leash at all times while not in a Resident's Apartment. Pets must be healthy, have current shots and rabies immunization, and be free of fleas and other parasites. The Resident must provide the Company with documentation that their pets have received all required shots and immunizations. The Resident is responsible for any costs expended by the Company for the failure of the Resident to adhere to the CCRC's pet policy, including, but not limited to, the cost of disinfection, cleaning and fumigation. Pets are prohibited in the dining

spaces, the Wellness Center, the multipurpose room, the chapel, and the art space and activity rooms. The Resident understands and agrees that the pet must be removed from the Apartment, upon fourteen (14) days' prior written notice from the Company, if the pet becomes a nuisance to other residents of the CCRC, as determined by the Company in its sole and absolute discretion. The Resident agrees that if the Resident has been approved to have a pet living in the Apartment, and elects to do so, the Resident shall pay a non-refundable pet fee in the amount posted at the time the pet is registered.

- k. Smoking Policy. The CCRC is smoke-free. No smoking is permitted in the Apartment (to include any balconies) or in any other building or location in or on the CCRC's premises. The Resident agrees to abide by the CCRC's Rules and Regulations concerning smoking.

5. Nursing and Healthcare Services.

The CCRC will provide the Resident temporary or permanent assisted living services, assisted housing with services, and skilled nursing services (the "Healthcare Services") in the healthcare center adjacent to the CCRC (the "Healthcare Center"). A number of the beds in the Healthcare Center have been designated as "closed beds" under state laws and/or regulations and, as such, are reserved for Residents (the "Closed Beds"). In the event that these Closed Beds are fully occupied, the Resident will be given priority access to the available unreserved beds (the "Open Beds"). Service in the Healthcare Center shall be provided within the limits of the Company's license.

If the appropriate level of Healthcare Services based upon the needs of the Resident may not be obtained or are not provided within the Healthcare Center, such level of care must be obtained from another provider of healthcare services, including, but not necessarily limited to, a hospital, and the costs of those services shall be the sole responsibility of the Resident. The Resident (i) acknowledges and agrees that the Company will not be responsible for any claims, damages or expenses resulting from injury or death suffered by the Resident that is caused by, attributable to or in any way connected with the negligence or intentional acts or omissions of the physicians, employees or agents of any such other provider of healthcare services and (ii) releases the Company from liability for any such claims, damages or expenses.

6. Transfers of Resident

- a. Direct Transfer to the Healthcare Center. If after the execution of this Agreement and prior to the Occupancy Date, the Resident's health or mental condition is such that, in the sole discretion of the Company, the Resident no longer meets the qualifications to live independently in the CCRC, and this Agreement is not otherwise terminated, the Resident may be transferred directly to the Healthcare Center. All fees and other charges due must be paid prior to any direct transfer. In the event there is more than one Resident occupying the Apartment, and one Resident is transferred directly to the Healthcare Center, the other Resident shall

continue to be obligated under this Agreement and pay the required Monthly Service Fee applicable to a single resident.

In the event the Healthcare Center is not yet completed and licensed to operate and the Resident's health or mental condition is such that, in the sole discretion of the Company, the Resident is precluded from living independently in the CCRC (the "Healthcare Transfers"), the Company will enter into a Transfer Agreement with a skilled nursing facility in reasonable proximity to the Company (the "Transfer Facility") pursuant to which the Transfer Facility shall agree to accept appropriate Healthcare Transfers from the Company. The Company will provide transportation to the Healthcare Transfers to the Transfer Facility until such time as the Healthcare Center is available; provided however, the cost of the care at such Transfer Facility will be the responsibility of the Healthcare Transfer.

- b. Transfers to the Healthcare Center. The Resident agrees that the Company shall have the right to determine whether the Resident should be temporarily or permanently transferred from the Apartment to the Healthcare Center or from one level of care at the Healthcare Center to another level of care at the Healthcare Center. Such determination shall be in the Company's sole discretion and based on the professional opinion of the medical director of the Healthcare Center and the executive director of the CCRC that the Resident is no longer able to live independently or that living in the Apartment will endanger the Resident or the health and/or safety of others. Should the Resident fail to cooperate with a transfer of the Resident requested by the Company, the Company shall have the right to terminate this Agreement and the Resident shall no longer be permitted to live in the CCRC.
- c. Transfer Outside the CCRC. If, in the opinion of the Company, the physical or mental condition of the Resident requires services beyond that which can be provided by the facilities or personnel in the CCRC and the Healthcare Center or is beyond the scope of the services provided for in this Agreement, the Company may require that the Resident be temporarily or permanently transferred to a hospital, center, institution or other care environment equipped to give such care; provided however, the cost of the care at any such outside facility will be the responsibility of the Resident.
- d. Relinquishment of Apartment upon Permanent Transfer to the Healthcare Center or Outside Facility. If, in the sole discretion of the Company, the Resident's transfer to the Healthcare Center or to an outside facility is considered permanent, the Resident shall relinquish the Apartment and this Agreement shall terminate, unless there is a second Resident currently occupying the Apartment or unless otherwise approved by the Company.

7. Fees and Charges.

The following is a list of the fees and charges expected to be charged to the Residents of the CCRC.

- a. Apartment Selection Fee. Upon the execution of the Apartment Selection Agreement, the Resident paid an Apartment Selection Fee (the “Apartment Selection Fee”) as identified in Exhibit A attached hereto. The Apartment Selection Fee is a nonrefundable fee (except as defined in Section 7.i. of this Agreement) and shall be applied to the first month’s Monthly Service Fee.
- b. Community Fee. Upon the execution of the Apartment Selection Agreement, the Resident paid a Community Fee (the “Community Fee”) as identified in Exhibit A attached hereto. The Community Fee is a one-time, nonrefundable fee (except as defined in Section 7.i. of this Agreement) which entitles Residents priority access to all services and amenities of the Community. A Community Fee will not be charged to Residents upon any renewal of this Agreement.
- c. Security Deposit Fee. Upon the execution of this Agreement, the Resident shall make a Security Deposit payment to the Company equal to one Monthly Service Fee payment (the “Security Deposit”), which shall be deposited in accordance with statute, law or regulation of the federal, state, and local Government. If the Resident has complied with all terms of the Agreement and returns the Apartment in the same or materially similar condition as when the Resident moved into the Apartment, the Company will return the Security Deposit to the Resident within thirty (30) days after the Resident’s move-out date. The Security Deposit shall be credited to the Resident as the last Monthly Service Fee payment in the event of the Resident’s death. In the event that the Resident breaches or otherwise violates the Agreement before the end of the last month of occupancy by the Resident, then the Security Deposit shall be forfeited to the Company. The Resident is additionally responsible for any expense incurred by the Company resulting from damages to the Apartment that are in excess of the Security Deposit. In the event that the Resident has entered into a Priority Partner Agreement (the “Priority Partner Agreement”) and paid a refundable deposit to the Company (the “Priority Deposit”), the Priority Deposit shall be applied to the amount due as the Security Deposit.
- d. Monthly Service Fees. Throughout the Term, the Resident shall pay to the Company a Monthly Service Fee (the “Monthly Service Fee”) in the amount of \$\_\_\_\_\_, as described on Exhibit A attached hereto, for a single Resident. If the Apartment will be occupied by two Residents pursuant to this Agreement, an additional monthly amount of \$\_\_\_\_\_ shall be paid by the second Resident. The Monthly Service Fee shall be paid by the Resident on or before the fifth (5<sup>th</sup>) day of each month for Basic Services to be rendered that month with the first payment due on or before the Occupancy Date. The Monthly Service Fee shall be due regardless of whether or not the Apartment is actually occupied by the Resident on the scheduled Occupancy Date and such Monthly Service Fee will not be adjusted if the Resident is voluntarily absent from the CCRC at any time after such date. If the Resident obtains possession of the Apartment prior to the first of a month, the Resident shall pay the Company the first Monthly Service Fee on a pro-rata basis based on the actual number of days contained in the month. If this Agreement does

not terminate at the expiration of the initial Term or a renewal Term, the Monthly Service Fee may continue to be payable beyond the date of termination as set forth in Section 7 below.

- e. Adjustments to Monthly Service Fees. The Company reserves the right to change the amount of the Monthly Service Fee upon thirty (30) days' written notice prior to any renewal of this Agreement. Adjustments to the Monthly Service Fee will be made as may be reasonably necessary according to the economic requirements and conditions of the CCRC, the level and quality of services provided to the residents of the CCRC and consistent with operating on a sound financial basis.
- f. Fees for Optional Services. The Resident shall receive a monthly statement from the Company showing the total amount of fees and other charges owed by the Resident, which shall be paid by the fifth (5th) day of each month. A list of fees for recurring optional services ("Optional Services") the Resident has elected to purchase as of the date of this Agreement is attached hereto as Exhibit A.
- g. Healthcare Center Fees and Charges. The Healthcare Center will consist of accommodations, equipment and staffing necessary for assisted living, assisted housing with services, skilled nursing care and memory care services on a temporary or permanent basis. The Company shall establish and publish per diem rates for accommodations and services at the Healthcare Center. Each calendar year, the Resident shall receive a ten percent (10%) discount on fees the Resident accrues during its first thirty (30) days of residency in the Healthcare Center (each day being a "Discounted Fee Day"). The Resident may not carry any unused Discounted Fee Days over to the following calendar year. Fees for residency in the Healthcare Center shall otherwise be payable in accordance with the Residency and Care Agreement and in accordance with the then published Healthcare Center per diem charge.
- h. Fees for Occupancy in the Healthcare Center. In the event the Resident is transferred to the Healthcare Center, as determined in the sole discretion of the Company, the Resident shall pay the then published Healthcare Center per diem charge plus charges for other services not included in the Healthcare Center per diem charge, subject to available Discounted Fee Days. In addition, the Resident shall continue to be responsible for the Monthly Service Fee and other charges payable under this Agreement.
- i. Refund of Fees. If the Resident cancels during the Rescission Period (as defined in Section 8.a.i of this Agreement), the Priority Deposit, Apartment Selection Fee, Community Fee and Security Deposit (and any other fees paid by Resident) in accordance with this Residency and Care Agreement will be refunded to the Resident, without interest, less a service charge of One Thousand Dollars (\$1,000.00) and less any charges specifically incurred by the Company at Resident's request and set forth in Exhibit A of this Agreement or in writing in a separate addendum to the Agreement, signed by the Resident and the Company. Any refund shall be paid within thirty (30) days after the Company's receipt of the

Resident's written notice of rescission. The Apartment Selection Fee and the Community Fee become non-refundable after the Rescission Period. The Security Deposit Fee is refundable and will be returned to the Resident within thirty (30) days after the Resident's move-out date if the Resident has complied with all terms of the Agreement and returns the Apartment in the same or materially similar condition as when Resident moved into the Apartment. If the Resident breaches or otherwise violates the Agreement before the end of the last month of occupancy by the Resident, then the Security Deposit Fee shall be forfeited to the Company.

- j. Late Charges. The Company will charge a one percent (1%) late payment charge per month on any Monthly Fees and extra charges that have not been paid within five (5) days after their due date.

8. Termination.

- a. Termination by Resident. Upon the termination of this Agreement, the Resident shall have no further right to reside in the CCRC. The Agreement may be terminated or cancelled by the Resident under the following terms and conditions:
  - i. Rescission During First Thirty (30) Days. The Resident may terminate this Agreement for any reason within thirty (30) days following the later of the execution of this Agreement or receipt by the Resident of the Disclosure Statement (the "Rescission Period"), and the Resident is not required to move into the facility before expiration of the Rescission Period. The Resident's termination of this Agreement during the Rescission Period is without penalty, and all payments made by the Resident before such termination, less a service charge of One Thousand Dollars (\$1,000.00) and less any charges specifically incurred by the Company at the Resident's request and set forth in Exhibit A of this Agreement or in writing in a separate addendum to the Agreement signed by the Resident and the Company. Any refund shall be paid within thirty (30) days after the Company receives written notice of the Resident's election to terminate this Agreement.
  - ii. Termination After Rescission Period but Prior to the Occupancy Date. For Residents electing to reside in an Apartment, the Resident may terminate the Residency and Care Agreement for any reason after the Rescission Period but prior to the Occupancy Date upon written notice to the Company. In the event of such termination, the Resident shall be entitled to a refund of all monies paid to the Company, except, as the case may be, the Community Fee, the Apartment Selection Fee, and any costs or other charges that the Resident and the Company agree in advance are non-refundable.
  - iii. General Termination Right. The Resident may terminate this Agreement at any time for any reason by giving the Company thirty (30) days' written notice signed by the Resident (or both of them if there are two Residents).

In the event of termination by the Resident for reasons other than those permitted in this Agreement, the Resident shall pay the Company for all Optional Services rendered by the Company to the Resident through the date of termination and shall continue to be liable for the Monthly Service Fee until the date that all of the Resident's personal belongings are removed from the Apartment. In addition, the Resident shall be responsible for payment of liquidated damage of one month's rental charge, calculated at the existing market rate.

b. Termination by Death or Serious Illness

- i. Termination by Death or Serious Illness Prior to the Occupancy Date. If, prior to the Occupancy Date, the Resident dies or is precluded from living in the CCRC under the terms of this Agreement as a result of serious illness, injury, non-qualification or incapacity, this Agreement will automatically terminate. In the event this Agreement is terminated as provided for in this subsection, the Resident or the Resident's estate shall be entitled to a refund of any amounts paid to the Company, except, as the case may be, a service charge of One Thousand Dollars (\$1,000.00) and for costs or other charges that the Resident and the Company agree in advance are non-refundable. Such refund shall be paid by the Company within thirty (30) days after this Agreement is terminated pursuant to this subsection. The foregoing notwithstanding, if there is more than one Resident, this Agreement will continue to be binding on the surviving or eligible Resident until this Agreement is terminated as to or by the surviving Resident as provided for herein.
- ii. Termination by Death or Serious Illness After the Occupancy Date. If the Resident dies after the Occupancy Date or the Resident is precluded from living in the CCRC under the terms of this Agreement as a result of serious illness, injury, or incapacity and the serious illness, injury or incapacity is not otherwise addressed by the provisions of Section 6, then this Agreement shall terminate. In such event, the Resident or the estate of the Resident shall pay for any Optional Services rendered to the Resident through the date of termination and shall continue to be liable for the Monthly Service Fee until the date that all of the Resident's personal belongings are removed from the Apartment and the Apartment can be made ready for re-occupancy. The foregoing notwithstanding, if there is more than one Resident, this Agreement will continue to be binding on the surviving or eligible Resident until this Agreement is terminated as to or by the surviving Resident as provided for herein.

c. Termination by the Company

- i. Termination by the Company Prior to the Occupancy Date. If, in the Company's sole discretion, the Resident does not satisfy the criteria for occupancy in the CCRC, this Agreement shall terminate upon the Company's notification to the Resident of non-approval. In such event, all amounts paid to the Company shall be refunded to the Resident within thirty (30) days after the Company provides the Resident notice of non-approval.
- ii. Termination by the Company after the Occupancy Date. The Company may terminate this Agreement upon thirty (30) days written notice to the Resident in the event of the following:

- (1) The Resident fails to make payments to the Company of any amounts when due and such failure is not cured within fifteen (15) days after notice is given to the Resident;
  - (2) The Resident consistently fails to comply with any term of this Agreement not involving the payment of money or any provisions of the Rules and Regulations and the Resident fails to cure such non-compliance within seven (7) days after written notice from the Company; or
  - (3) The Resident or the Resident's authorized representative makes a material misrepresentation or omission in the information provided to the Company for its consideration of the Resident for residency in the CCRC.
- iii. Immediate Termination. If the Company determines in its sole and absolute discretion that the Resident's behavior interferes with or threatens to interfere with the safety of the Resident or the quiet enjoyment or safety of other residents, visitors and/or staff of the CCRC, or if the Resident's behavior is a detriment to other residents, visitors, and/or staff of the CCRC, the Company may immediately terminate this Agreement and the Resident shall promptly vacate the Apartment. In such event, the Resident shall pay the Company for all Optional Services rendered by the Company through the date of termination and shall continue to be liable for the Monthly Service Fee until all of the Resident's personal belongings are removed from the Apartment.
- iv. Effect of Termination by the Company after the Occupancy Date. In the event the Company terminates this Agreement after the Occupancy Date pursuant to subsection c.ii or c.iii above, the Resident shall promptly vacate the Apartment, but shall pay the Company for all Optional Services rendered by the Company through the date of termination and shall continue to be liable for the Monthly Service Fee until the date that all of the Resident's personal belongings are removed from the Apartment.
