VOLUNTARY SURRENDER OF LICENSE OR LICENSES (N.C.G.S. §58-2-65)

I, **James Bekhor (NPN 10720110)**, hereby voluntarily surrender all licenses issued to me by the North Carolina Department of Insurance (NCDI) for a period of **2 years** from today's date. I understand and acknowledge that effective immediately, I can no longer perform any activities for which a license from NCDI is required.

I understand and agree that I may not request relicensure (for any license) from NCDI during the above-stated period of license surrender. I also understand that submitting an application for relicensure does not guarantee reissuance of license(s) surrendered.

I understand my right to an administrative hearing and to judicial review after such a hearing, and I hereby voluntarily give up those rights.

I understand that this Voluntary Surrender is equivalent to the taking of regulatory action by NCDI. I also understand that this Voluntary Surrender will be a public record and is not confidential. NCDI is free to disclose this Voluntary Surrender to third parties upon request or pursuant to any law or policy providing for such disclosure.

I acknowledge that I have had the opportunity to consult with an attorney prior to execution of this Voluntary Surrender.

This 19 day of March, 2024.

INSTRUCTIONS

The wording of all Jurats completed in California after January 1, 2015 must be in the form as set forth within this Jurat. There are no exceptions. If a Jurat to be completed does not follow this form, the notary must correct the verbiage by using a jurat stamp containing the correct wording or attaching a separate jurat form such as this one which does contain the proper wording. In addition, the notary must require an oath or affirmation from the document signer regarding the truthfulness of the contents of the document. The document must be signed AFTER the oath or affirmation. If the document was previously signed, it must be re-signed in front of the notary public during the jurat process.

- State and county information must be the state and county where the document signer(s) personally appeared before the notary public.
- Date of notarization must be the date the signer(s) personally appeared which must also be the same date the jurat process is completed.
- Print the name(s) of the document signer(s) who personally appear at the time of notarization.
- Signature of the notary public must match the signature on file with the office of the county clerk.
- The notary seal impression must be clear and photographically reproducible. Impression must not cover text or lines. If seal impression smudges, re-seal if a sufficient area permits, otherwise complete a different jurat form.
 - ❖ Additional information is not required but could help to ensure this jurat is not misused or attached to a different document.
 - ❖ Indicate title or type of attached document, number of pages and date.
- Securely attach this document to the signed document with a staple.
