#### I. Filing Requirements for Reinsurer Currently Certified by Another NAIC-Accredited Jurisdiction

If an applicant for certification has been certified as a reinsurer in an NAIC accredited jurisdiction, the North Carolina Commissioner of Insurance (the "Commissioner") has the discretion to defer to that jurisdiction's certification and assigned rating; i.e., "passporting." To assist the Commissioner in the determination to defer to another jurisdiction's certification the following application procedures should be followed:

- a. Has the applicant been certified by an NAIC accredited jurisdiction? (Yes \_\_\_or No\_\_\_);
- b. If the answer to question I.a. (above) is "No," please proceed to Section II of this application.
- c. If the answer to question I.a. (above) is "Yes," the applicant shall provide the information specified in the table below for consideration by the Commissioner. In the alternative, the Commissioner may permit the applicant to provide written certification that some or all the required information was previously filed with the NAIC accredited jurisdiction that certified the applicant and the NAIC Reinsurance Financial Analysis (E) Working Group.
