Subject: Prolonged Cold Weather – North Carolina Operations

On December 20, 2022, Governor Cooper issued EXECUTIVE ORDER NO. 274, for the State of North Carolina due to the forecasted threat of a prolonged period of cold weather in the State of North Carolina has increased the demand for drivers of propane and other heating fuels. Due to a shortage of licensed commercial drivers, and the ongoing COVID-19 pandemic and seasonal flu, this state of emergency is essential to enable drivers transporting propane and other heating fuels across the state to do so quickly and efficiently.

Executive Order 247 declares a state of emergency as defined in N.C.G.S. §§ 166A-19.3(7) and N.C.G.S. 166A-19.20(b) exists in the State of North Carolina. ("the Emergency Area").

Pursuant to N.C.G.S. § 58-3-228, this bulletin pertains to all health benefit plans as defined in N.C.G.S. § 58-3-167, the State Health Plan for Teachers and State Employees, and any optional plans or programs operating under Part 2 of Article 3 of Chapter 135 of the General Statutes, and other stand-alone prescription medication plans issued by entities that are licensed by the Department of Insurance.

This bulletin is to remind health benefit plans of compliance requirements for operations under a state of emergency for purposes of obtaining extra prescriptions during a state of emergency or disaster.

This authorization of extra prescriptions during this state of emergency in the State of North Carolina is valid for prescription medication requests made within **29 days of issuance of this bulletin**, unless extended by an order issued by the Commissioner.

Please refer any questions regarding this bulletin to the attention of Ted Hamby at LHInbox@ncdoi.gov.
