Mr. Exume,

You sent a surrender request rather than attend the informal conference scheduled for August 29, 2019.

The NC Department of Insurance has accepted the surrender, but because it was done after we began the process to pursue administrative action, we are considering it an administrative action.

As an administrative action, it will be reported to the National Association of Insurance Commissioners' Regulatory Information Retrieval System as an administrative action against your license. You should disclose this action in any future application to this or any other state and/or to any other state in which you hold an insurance license.

Email correspondence to and from this address may be subject to the North Carolina Public Records Law "NCGS.CH.132" and may be disclosed to third parties by an authorized state official.

Attention: North Carolina licensing office

I would like to surrender my NC insurance licenses #11026677 at the earliest effective date.  
Thank you.
