## 15. Continuing Care at Home Program

Givens Estates, Inc. is licensed to operate a Continuing Care at Home (CCaH) program under the name Givens Choice. This program allows individuals to contract for continuing care services while continuing to reside in their own homes rather than relocating immediately to a Givens Community.

### 15.1 Program Description

Givens Choice is a membership-based program providing care coordination and access to a range of services, programs, and support, such as home safety assessments, home care, assisted living, or nursing care to members in their own home or healthcare facilities as needs change.

There are three primary membership plan options. Each option has a one-time membership fee based on age at membership and a monthly fee. Membership provides care coordination, health and wellness programs, social and educational programs, and a concierge service. There is also a consultative care, fee-for-service option for those who do not meet the medical eligibility criteria. See also Section 20 —Services Provided Under the Contract.

### 15.2 Geographic Areas Served

The Givens Choice program is currently available to residents Buncombe, Henderson, Haywood, Transylvania, Polk, Mecklenburg, Gaston, Union, and Cabarrus Counties in North Carolina.

### 15.3 Enrollment

### 15.4 Staffing and Resources

The program is staffed by a dedicated care coordination team consisting of two full-time Care Navigators, two Membership Development representatives, one administrative personnel, and one Executive Director. Givens Choice utilizes industry professionals and service providers to provide services such as home care services, homemaker and companion services, and transportation for its members.

## 16. Resident Population Served

As of December 31, 2025, the community maintained a waitlist for admission to independent living consisting of 542 individuals. Individuals on the waitlist are prospective applicants and are not residents of the community unless and until they have executed a continuing care contract and commenced residency.

The Independent Living Application Deposit of \$1,500 is submitted with an application to establish a chronological waitlist date by which future residents are offered various types of residences at Givens Highland Farms. The Application Deposit and Application are optional. The Application Deposit is a non-interest-bearing deposit associated with a chronological waitlist and will be credited toward the Entrance Fee due at the time of occupancy.

The Wait List Deposit does not lock in the Entrance Fee amount for a residence. Placement on the waitlist does not guarantee admission to the community or priority for a specific unit and does not create contractual rights unless expressly provided in a continuing care contract.

### 21.3 Household Composition Changes

**Marriage or Adding a Second Person During Occupancy:** Should a resident marry or add a second person who is also a Resident of Givens Highland Farms, the two residents may

occupy either Residence and shall surrender the unoccupied Residence. Resident will pay the Double Person Monthly Fee upon Occupancy by both residents in the chosen Residence. No Entrance Fee refunds, if due, shall be paid until Givens Highland Farms receives a replacement Entrance Fee for the vacated Residence or twenty-four (24) months after Termination by Resident (whichever occurs first), and removal of all personal belongings. Refunds are made in accordance with this Agreement.

If a resident should marry a person or add a second person who is not a resident of Givens Highland Farms, they may become a resident if they meet all the requirements for admission, enters into a Residence and Services Agreement with Givens Highland Farms, and pays an Entrance Fee equal to the then-current Double Person Entrance Fee (if A resident paid an Entrance Fee) and shall pay the Double Person Monthly Fee. If they do not meet the requirements of Givens Highland Farms for admission as a resident, A resident may terminate this Agreement in the same manner as provided in Paragraph VIII. B. of the Resident Services Agreement with respect to a voluntary termination, or they may be approved for admission under special circumstances as agreed to in writing by Givens Highland Farms and the resident. Refunds are made in accordance with the Resident Services Agreement.

## **21.4 Transfer Fees and Resale Fees**

Should a move to a subsequent residence be approved by Givens Highland Farms, the resident will pay the Monthly Fee associated with the subsequent residence. The Entrance Fee paid for the original residence will be retained by Givens Highland Farms and held as part of the Entrance Fee for the subsequent residence. Even if the Entrance Fee for the original residence, at initial occupancy, was greater than the current Entrance Fee for the subsequent residence, the resident will not be entitled to a refund as a result of the difference between such Entrance Fees. If, however, the Entrance Fee for the original residence, at initial occupancy, was less than the current Entrance Fee for the subsequent residence, the resident will pay an amount equal to the difference between the Entrance Fee of the original residence that they paid and the current Entrance Fee of the subsequent residence. No resale fees are charged because residents do not hold ownership rights in their living units.

## **22. Refundable Entrance Fee Obligations**

### **22.1 Conditions for Refunds**

If an Entrance Fee Option is chosen, the Entrance Fee may be partially refundable. The portion of the Entrance Fee that is refundable to the resident will decline over time at a rate of six percent (6%) upon the date of Occupancy of the Residence and two percent (2%) on the first (1st) day of each calendar month thereafter until the resident's selected refund

percentage remains at zero percent (0%), fifty percent (50%), or ninety percent (90%). For the initial Cottages contracts, the portion of the Entrance Fee that is refundable to the resident will decline over time at a rate of five percent (5%) upon the date of Occupancy of the Residence and two percent (2%) on the first (1st) day of each calendar month thereafter until the refund percentage remains at seventy-five percent (75%). Regardless of the reason for termination, the resident is entitled to the Entrance Fee refund, less any non-standard costs requested by the resident, except as otherwise provided in the Residence and Services Agreement.

Payment of Refunds: Entrance Fee refunds, if due, will be paid upon the resident vacating the residence or in case of dual occupancy both vacating the residence; the removal of all personal property; and upon the receipt by Givens Highland Farms of a replacement resident for the residence or the expiration of twenty-four (24) months after termination of the Residence and Services Agreement by the resident (whichever occurs first).

**22.2 Refund Obligations as of December 31, 2025**

<b>Category</b>	<b>Number of Contracts</b>	<b>Aggregate Amount</b>

As of December 31, 2025, Givens Highland Farms had \$64,418,511 in total refundable entrance fee obligations. No refunds were contractually due or past due at year-end. Obligations will be satisfied in accordance with contract terms as independent living units are resold and replacement entrance fees are received; however, the timing of refund payments depends on the pace of independent living unit turnover and resale activity.

**23. Financial Hardship Policies**

**23.1 Policies for Residents Unable to Pay**

It is the policy of Givens Highland Farms to permit residents to remain in the community if they become unable to pay monthly fees through no fault of their own, provided they have first fully applied their available assets and income. Residents are not discharged or

relocated solely due to financial hardship once admitted under the Residence and Services Agreement.

## 23.2 Sources of Financial Support

- **The Givens Estates, Inc.:** A supporting organization that administers a benevolent care program funded by donor contributions and endowment earnings. Distributions are applied directly to resident accounts at Givens Highland Farms.
- **Refundable Entrance Fees:** Residents contractually entitled to a refundable entrance fee may, subject to the approval of Givens Highland Farms, apply available refundable amounts towards unpaid monthly fees. Such applications reduce the remaining refund obligation and do not accelerate contractual payments of refunds.

## 23.3 Conditions or Limitations

- Eligibility for benevolent care is determined through a confidential financial review conducted by The Givens Estates, Inc., on a case-by-case basis.
- Assistance is subject to the availability of funds and is not guaranteed.

## 23.4 Narrative

The Agreement is automatically cancelled if the resident dies before occupying the Residence, or if, on account of illness, injury, or incapacity, the resident would be precluded from occupying the Residence under the terms of this Agreement. If the Agreement is terminated within such Rescission Period, any monies paid by the resident shall be refunded in full less any non-standard costs incurred at the resident's request described in the Agreement or in amendment to this Agreement signed by the resident. Any such refund shall be paid by Givens Highland Farms within five (5) business days following its receipt of the resident's Written Termination Notice.

**Termination After the 30 Day Rescission Period and Before Occupancy:** The Residence and Services Agreement may be terminated by the resident by a Written Termination Notice for any reason after the Rescission Period and prior to Occupancy. The nonrefundable fee will not be charged to the resident if such termination is due to the resident's death, death of the resident's spouse, or because the resident's physical, mental or financial condition makes the resident ineligible for admission to Givens Highland Farms.

- **After occupancy or commencement of services:**

**Termination During the 30 Day Rescission Period and After Occupancy:** The Residence and Services Agreement may be terminated by the resident by a Written Termination Notice for any reason within the Rescission Period and the resident is not required to move into the Residence during this Rescission Period. If the resident does occupy the Residence within the Rescission Period and then terminate the Agreement before the end of the Rescission Period, any monies paid by the Resident shall be refunded in full less (i) periodic charges specified in the Agreement and applicable only to the period the resident actually occupied the Residence; (ii) nonstandard costs incurred at the resident's request and described in the Agreement or in amendment to the Agreement signed by the resident; and (iii) a service charge equal to the greater of One Thousand Dollars (\$1,000) or two percent (2%) of the total amount of the Entrance Fee for the Residence. Any such refund shall be paid by Givens Highland Farms within five (5) business days following its receipt of the resident's Written Termination Notice.

**Termination After the 30 Day Rescission Period and After Occupancy:** At any time after occupancy and after the Rescission Period ends, the resident may terminate the Residence and Services Agreement by a Written Termination Notice. In the event of such termination, the resident will receive a refund, less (i) periodic charges specified in the Agreement and applicable only to the period the resident actually occupied the Residence; (ii) nonstandard costs incurred at the resident's request described in the Agreement or in amendment to the Agreement signed by the resident; and (iii) nonrefundable entrance fees as set out in paragraph VII. B. 5. (Amortization of the Entrance Fee) of the Agreement.

### **24.3 Refunds Upon Cancellation**

- Refundable entrance fees are returned in accordance with Section 22 – Refundable Entrance Fee Obligations.
- Nonrefundable portions of entrance fees are retained by Givens Estates, Inc.

### **24.4 Refunds Upon Death**

- **Before occupancy or commencement of services:**

The Agreement is automatically cancelled if the resident dies before occupying the Residence, or if, on account of illness, injury, or incapacity, the resident would be precluded from occupying the Residence under the terms of this Agreement.

- **After occupancy or commencement of services:**

In the event of death of a single Resident, or of the survivor of two Residents, at any time after Occupancy, the Residence and Services Agreement shall terminate and the refund of the Entrance Fee shall be determined according to Paragraph VII. B. 5. of the Agreement.

## 25. Re-occupancy of Units

A living unit at Givens Highland Farms Continuing Care Retirement Community may be reassigned to a new resident under the following circumstances:

### 25.1 Resident-Initiated Vacating

- **Voluntary termination:** A resident may cancel their continuing care contract and permanently vacate the living unit.
- **Request by a Resident for Change in Residence:** A resident may request a change in residence at any time. Givens Highland Farms carefully considers such requests, including but not limited to such factors as resident's health and finances, availability of requested type of residence, and waiting lists. The resident must agree to pay the difference in the Entrance Fee and Monthly Fee between the requested residence and the current residence. Givens Highland Farms may require the resident to enter into a new or amended Residence and Services Agreement for the new residence.

### 25.2 Provider-Initiated Vacating

- **Contract termination by provider:** When a contract is terminated by the provider under the circumstances described in Section 24 – Contract Cancellation and Refund Policies.
- **Persistent nonpayment:** When a resident fails to make payment to Givens Highland Farms of any fees or charges due within sixty (60) days of the date when due.

### 25.3 Temporary Absences

Hospitalizations, rehabilitative stays, or other temporary absences do not constitute a vacating of the living unit and do not permit re-occupancy by a new resident.

### 25.4 Refunds

Refunds associated with the vacating of a living unit are handled in accordance with Section 22 – Refundable Entrance Fee Obligations.

## 26. Resident Relocation

Residents of Givens Highland Farms Continuing Care Retirement Community may be required to relocate from their current living unit to another living unit within the community under the following circumstances:

## 26.1 Resident Needs

- **Occupancy by Two Residents:** When two (2) residents occupy a residence and one of them no longer resides in the residence, whether as a result of death or otherwise, or in the event of the termination of the Agreement with respect to one of the residents, the Residence and Services Agreement shall continue in effect for the remaining resident. The remaining resident will thereafter pay the single person monthly fee associated with the residence. No Entrance Fee refunds, if due, shall be paid to the remaining resident until the residence is vacated as described in the Residence and Services Agreement.
- **Transfer to a Health Care Residence:** Givens Highland Farms recognizes the right of self-determination of the resident and will attempt to involve the resident or the resident's representative in all decisions related to transfers and changes in level of care. Givens Highland Farms shall have authority to determine whether the resident should be transferred from their residence to a Health Care Residence, or from one level of care to another within Givens Highland Farms, in cases of potential harm to the resident or others, to assure the health and wellbeing of the resident and others, or to provide for the highest quality of life possible. Such determination shall be based on the opinion of the Givens Highland Farms administration and/or the Givens Highland Farms Medical Director and shall be made after consultation with the resident and/or their representative and their attending physician. Such decisions shall be made only in the resident's best interest and in the best interest of the larger community as determined by Givens Highland Farms.
- **Transfer to Other Facility:** If it is determined by Givens Highland Farms that the resident needs care beyond that which can be provided by Givens Highland Farms, the resident may be transferred to a hospital or institution equipped to give such care at the resident's expense. Such transfer will be made only after consultation with the resident and/or their representative and attending physician.
- **Surrender of Residence:** If a reasonable determination is made by Givens Highland Farms that any transfer for a change in level of care is or is highly likely to be permanent, the resident agrees to surrender the residence. The resident will have priority to move to such Health Care Residences, determined to best meet their needs, as soon as such is available.

## 26.2 Provider Needs

- **Renovation or Construction:** If Givens Highland Farms reasonably determines that a residence needs to be vacated to permit repairs or renovations thereto, or needs to be modified or reconfigured to accommodate a new or different use of the residence, or as a result of any other circumstances reasonably determined by Givens Highland Farms to justify such transfer, Givens Highland Farms may move the resident to a new residence of a similar size provided that Givens Highland Farms (i) advises the resident prior to undertaking any such move, (ii) gives the resident reasonable notice of and time to prepare for such move, (iii) incurs all the

costs of such move, (iv) arranges for the prompt and convenient moving of the residents' personal furnishings, and (v) provides in such new Residence optional custom improvements comparable to those provided in Your original Residence.

## **26.3 Process**

- Givens Highland Farms recognizes the right of self-determination of the Resident and will attempt to involve the resident or the resident's representative in all decisions related to transfers and changes in level of care.
- The provider makes reasonable efforts to relocate the resident to a comparable living unit within the community, meaning one of similar size, type, and monthly fee level whenever possible.
- If relocation is required for renovation or construction purposes, the provider will inform the resident in advance and clarify whether the move is temporary or permanent.

## **26.4 Financial Obligations**

Should a move to a subsequent residence be approved by Givens Highland Farms, the resident will pay the Monthly Fee associated with the subsequent residence. Even if the Entrance Fee for the original residence, at initial occupancy, was greater than the current Entrance Fee for the subsequent residence, the resident will not be entitled to a refund as a result of the difference between such Entrance Fees. If, however, the Entrance Fee for the original residence, at initial occupancy, was less than the current Entrance Fee for the subsequent residence, the resident will pay an amount equal to the difference between the Entrance Fee of the original residence that they paid and the current Entrance Fee of the subsequent residence.

## **27. Admission and Continuation Standards**

### **27.1 Admission Requirements**

Admission to Givens Highland Farms Continuing Care Retirement Community is subject to both health and financial screening at the time of application.

#### **27.1.1 CCRC Contracts (Campus-Based)**

- **Financial Standards:** Residents must have assets and income sufficient to pay their financial obligations under the Resident Agreement and to meet their ordinary living expenses. Givens Highland Farms may require residents to furnish additional or updated financial information prior to Occupancy. Financial assistance may be available to residents who qualify, as determined by Givens Highland Farms.
- **Health Standards:** Within thirty (30) days of the execution of the Resident Agreement, residents will provide Givens Highland Farms with a Physician's Examination Report completed by their personal physician. Such report shall

include a statement by the physician that the resident is able to live independently and undertake ongoing activities of daily living. Givens Highland Farms may now or in the future additionally require a history and physical from the resident's physician to include physician progress notes. Givens Highland Farms may require the resident to have another physical examination by a physician approved by Givens Highland Farms if additional information is necessary. Residents shall be responsible for the cost of such physical examinations. If a resident does not meet the criteria for independent living established by Givens Highland Farms, they may move to other accommodations within Givens Highland Farms more suitable to their needs, or terminate this Agreement.

### **27.1.2 CCaH Contracts (Continuing Care at Home)**

- **Financial Standards:** A prospective member must complete a Financial Application.
- **Health Standards:** A prospective member must submit a Medical Application and pass a health assessment by the Program's Care Coordination Team. A home assessment may be required prior to approval. If the home environment is considered to be unsafe, the prospective member will be required to make the recommended changes prior to approval for membership.

## **27.2 Continuation Requirements**

- **CCRC Contracts:** Once admitted, residents may remain at the community regardless of changes in health or financial status, subject to the hardship policies described in Section 23 – Financial Hardship Policies. Residents may be required to relocate to a higher level of care (see Section 26 – Resident Relocation) if their health needs can no longer be met safely in their current living unit.
- **CCaH Contracts:** Without in any way limiting its right to terminate this Agreement for non-payment, Provider shall not dismiss Member nor terminate this Agreement if the sole reason for non-payment is because of Member's financial inability to continue to pay all or part of the Monthly Fee. However, Member's acceptance into the Givens Choice program has been based on facts reported by Member in the Application. If Member has weakened this position or ability to pay the Monthly Fee because Member has made gifts to others or squandered personal wealth after submitting such Financial Statement, Provider reserves the right to terminate this Agreement. If Member is unable to pay all or part of the Monthly Fee, Provider may request a current Financial Statement of Member and, if Member does not provide such statement within thirty (30) days, Provider reserves the right to terminate this Agreement. Member agrees to allow Provider to confirm Member's assets as shown on Member's Financial Statement. Should Member find current income insufficient to meet the current Monthly Fee, Member shall take necessary steps to liquidate capital assets in order to keep Member's account on a current basis. Member further agrees that should assets and income be insufficient to pay the present

obligations, Member shall apply for any assistance which may be available to Member. If any balance of Monthly Fees or additional service fees remains due, Member or Member's estate shall be liable to Provider for the full amount of such Monthly Fees and additional service fees.

## **27.3 Changes in Condition Before Occupancy or Commencement of Services**

- **CCRC Contracts:** If a resident no longer meets the criteria for Independent Living established by Givens Highland Farms, or experiences a change in financial status requiring a different residence option, they may transfer to a more suitable accommodation within the community or terminate this Agreement. In the event of such termination, the resident will receive a refund of their 10% Deposit. The nonrefundable fee will be waived if termination is due to the death of the resident, the death of a spouse or second person, or a change in physical, mental, or financial condition that results in ineligibility for admission.
- **CCaH Contracts:** Provider may terminate this Agreement at any time for any cause that Provider, in its sole discretion, deems good and sufficient. Good or sufficient cause shall include, but is not limited to the following: (1) there has been a material misrepresentation or omission made by Member in the Application, any Financial Statement or any other information submitted with the Application; (2) Member fails to make payment to Provider of any fees or charges due Provider within thirty (30) days the date when due; (3) Member does not abide by the rules and regulations adopted by Provider; or (4) Member breaches any of the material terms and conditions of this Agreement.

## **28. Age and Insurance Requirements**

### **28.1 Age Requirements**

- The minimum age for admission to Givens Highland Farms Care Retirement Community under a continuing care contract is 55 years.
- A younger spouse or partner may also be admitted if the primary applicant meets the minimum age requirement.
- There is no maximum age limit for admission, provided the applicant meets the health and financial eligibility standards described in Section 27 - Admission and Continuation Standards.
- For Continuing Care at Home (CCaH) contracts, the minimum age for acceptance is 60 years.

### **28.2 Insurance Requirements**

Applicants for both CCRC and CCaH contracts must:

- Maintain Medicare Part A, Medicare Part B, and one supplemental health insurance policy or equivalent insurance coverage acceptable to Givens Highland Farms (e.g. Federal Government employees who subscribe to Federal Blue Cross Blue Shield) and shall furnish Givens Highland Farms with evidence of such coverage.

Long-term care insurance is not required but may be considered in satisfaction of certain financial eligibility criteria on a case-by-case basis.

### **28.3 Special Conditions**

- Exceptions to the minimum age requirement may be considered on a case-by-case basis if a younger applicant is married to or partnered with an eligible applicant, or if otherwise required to maintain household composition.

## **29. Reserve Funding and Refund Security**

### **29.1 Cash and Investments**

As of December 31, 2025, Givens Estates, Inc. held \$6,300,000 in unrestricted cash and investments and these funds are available for resident entrance fee refund obligations. At year-end, unrestricted cash and investments supported a Days Cash on Hand of 259 days, representing approximately eight months of projected operating expenses without new revenues.

### **29.2 Investment Management and Oversight**

- **Oversight Body:** Finance Committee of the Board of Directors of Givens Estates, Inc.
- **Day-to-Day Management:** Chief Financial Officer (CFO).
- **Experience:** Finance Committee members average 20 years of financial oversight and investment policy.
- **Policy and Controls:** Investments are managed under a Board-approved policy emphasizing liquidity and capital preservation. Permitted holdings include cash, cash equivalents, U.S. Treasury/agency securities, investment-grade bonds, and broadly diversified public funds/ETFs. The CFO executes within these limits, reports quarterly to the Finance Committee, and maintains controls over custody, counterparty limits, and rebalancing.

### 29.3 Statutory Operating Reserve Requirement

As of December 31, 2025, Givens Estates, Inc. Continuing Care Retirement Community's 12-month rolling average independent living unit occupancy was 97.93%. Based on this level of occupancy, the required statutory operating reserve was 25% of projected operating costs for the next 12 months.

Because Givens Highland Farms is part of an obligated group that maintains a separate Debt Service Reserve Fund, principal and interest payments are excluded from the operating reserve calculation.

**Table 29.1: Statutory Operating Reserve Calculation (as of December 31, 2025)**

<b>Component</b>	<b>Amount</b>
<b>Net projected operating costs</b>	<b>\$23,152,828</b>
Applicable reserve percentage based on occupancy	25%
<b>Required operating reserve</b>	<b>\$5,788,232</b>
Unrestricted cash & investments on hand	\$6,296,253
<b>Excess above required reserve</b>	<b>\$508,021</b>

**Summary:** The required statutory operating reserve was \$5.8 million. Givens Highland Farms LLC held \$6.3 million in unrestricted cash and investments, providing an excess cushion of \$.5 million above the statutory minimum.

### 29.4 Refund Security (Entrance Fee Refunds)

Entrance fee refund obligations are supported by unrestricted liquidity, including \$.5 million of unrestricted liquidity above the statutory operating reserve.

The statutory operating reserve cannot be used for any purpose, including refund payments, without prior regulatory approval.

Givens Highland Farms is not required by statute to escrow entrance fees and none are maintained in escrow.

**Table 29.2: Unrestricted Cash and Investment Summary as of December 31, 2025**

<b>Category</b>	<b>Amount</b>	<b>Notes</b>
Total unrestricted cash & investments	\$6,296,253	All liquid balances (cash and investments)
Less: Required operating reserve	(\$5,788,232)	Must be maintained; release requires regulatory approval
<b>Excess unrestricted cash and investments above operating reserve and board designated refund reserve</b>	<b>\$508,021</b>	Available for operations and refund needs (outside of designated reserves)

### **30. Expansion and Renovation Plans**

As of December 31, 2025, the Board of Directors of Givens Estates Inc. approved plans for Givens Highland Farms to construct a new Health Services Building and a new Independent Living building. Construction is expected to begin in the first quarter of 2027, with completion anticipated by the end of 2028.

The project is contingent upon obtaining approval from the City Council, permits, and securing financing on acceptable terms. If financing cannot be obtained on acceptable terms, the project may be deferred or canceled.

This expansion will increase the number of independent living units available to future residents. It will not alter existing residents' contracts or current fee structures. During construction, temporary activity may affect access and noise levels in nearby areas of the campus. Residents will be informed in advance of any significant disruptions.

### **31. Audit Opinion and Timeliness**

The consolidated financial statements of Givens Estates, Inc. and its subsidiaries, including Givens Highland Farms, for the fiscal year ended December 31, 2025, were audited by Forvis Mazars (Atlanta, GA).

- **Timeliness:** The audit was completed and issued within 150 days of fiscal year-end, meeting statutory requirements.
- **Audit Opinion:** The independent auditor issued an unqualified opinion (a "clean" audit opinion) on the consolidated financial statements.

Givens Estates does not issue separate stand-alone audited financial statements; its financial information is presented within the consolidated audit of Givens Estates, Inc. with consolidating schedules.

### 32. Audited Financial Statements

The audited consolidated financial statements of Givens Estates, Inc. and its subsidiaries, including Givens Highland Farms, for the fiscal year ended December 31, 2025, are attached hereto as Appendix A and form an integral part of this Disclosure Statement. These statements include the balance sheet, statement of operations, statement of cash flows, and accompanying notes, and have been prepared in accordance with generally accepted accounting principles (GAAP).

Because the financial statements are presented on a consolidated basis, supplemental consolidating schedules provide provider-level detail for Givens Highland Farms.

### 33. Five-Year Prospective Financial Statements

The five-year prospective financial statements of Givens Estates, Inc. and its subsidiaries, including Givens Highland Farms, for the period 2026 through 2030 are attached hereto as Appendix B. These statements were prepared and compiled by Forvis Mazars and include a summary of significant assumptions and accounting policies.

Because the prospective financial statements are presented on a consolidated basis, supplemental consolidating schedules provide prospective operating results for Givens Highland Farms on a stand-alone basis.

### 34. Variances from Prospective Financial Statements

For the fiscal year ended December 31, 2025, management reviewed the results of operations for Givens Highland Farms against the prospective financial statements filed in the prior year. Variances included both financial line items and key assumptions, such as occupancy, used in preparing the projections. The following material variances were identified:

**Table 34.1: Variance Analysis - Fiscal Year Ended 12/31/25**

Category	Projected Amount	Actual Amount	Variance	Explanation
Independent Living Occupancy	94%	91.5%	-2.5%	Slower-than-expected absorption of units following campus renovations.
Entrance Fee Receipts	\$20.0 million	\$18.2 million	-\$1.8 million	Lower receipts due to lower unit turnover.

Category	Projected Amount	Actual Amount	Variance	Explanation
Staffing Costs	\$15.0 million	\$16.1 million	+\$1.1 million	Increased reliance on contract nursing staff to cover shortages.
Debt Service	\$7.5 million	\$7.0 million	-\$0.5 million	Refinancing of variable-rate debt at more favorable terms.

## 35. Key Financial Metrics

This section presents the eight statutory financial ratios required under N.C. Gen. Stat. § 58-64A-150(a)(39). Historical values are based on audited financial statements; prospective values are derived from the provider’s five-year prospective financial statements. Comparative statewide medians will be published by the North Carolina Department of Insurance beginning in late 2026.

For the tables below, FY = the most recent fiscal year end.

Full statutory text of definitions is provided in Appendix F.

### 35.1 Liquidity Ratios

**Days Cash on Hand (DCOH).** Number of days the provider (obligated group) could pay its normal cash operating expenses using unrestricted cash and investments. More days generally means stronger liquidity.

**Cushion Ratio (CUSH).** Number of times unrestricted cash and investments could cover one year of debt service. Higher values mean more resources to pay debt service.

**Table 35.1: Liquidity Ratios – Provider Only**

Ratio	2023	2024	2025	2026	2027	2028
<b>DCOH</b>	222	208	259	230	434	477
<b>CUSH</b>	8.48x	6.78x	6.47x	1.45x	21.49x	24.65x

#### Narrative – Provider Only:

DCOH has shown steady improvement as GHF has been improving cash flow and profitability by adding new residential living units (123) from 2023 to 2027.

CUSH dips in 2026 as a significant portion of debt will be paid off by year end. CUSH then shows improvement in 2027 and 2028 due to less debt service.

**Table 35.1A: Liquidity Ratios – Obligated Group**

Ratio	2023	2024	2025	2026	2027	2028
<b>DCOH</b>	707	588	699	751	889	963
<b>CUSH</b>	18.55x	17.86x	17.26x	8.70x	26.26x	29.45x

**Narrative – Obligated Group:**

The obligated group has a dip in CUSH in 2026 and then improvement due to GHF paying off a significant portion of debt in 2026. Overall, the Obligated Group has great liquidity ratios due to strong cash and investment positions.

**35.2 Profitability Ratios**

**Operating Ratio (OR).** Compares current operating expenses (excluding depreciation and amortization) to current operating revenues (excluding entrance fee amortization). Lower percentages mean operating revenues are more easily covering cash operating expenses.

**Net Operating Margin (NOM).** Shows the result from core resident services. Higher values mean a stronger operating result from resident services.

**Adjusted Net Operating Margin (NOM-A).** Shows the operating result after also counting net entrance fee cash received during the year. Higher values mean the result is improved when net entrance fee cash is included.

**Table 35.2: Profitability Ratios – Provider Only**

Ratio	2023	2024	2025	2026	2027	2028
<b>OR</b>	102.36%	101.27%	98.50%	94.86%	92.01%	91.04%
<b>NOM</b>	.01%	.76%	7.83%	12.21%	12.72%	13.44%
<b>NOM-A</b>	11.96%	11.10%	22.33%	23.08%	23.12%	23.33%

**Narrative – Provider Only:**

Profitability has shown steady improvement as GHF has been improving cash flow and profitability by adding new residential living units (123) from 2023 to 2027.

**Table 35.2A: Profitability Ratios – Obligated Group**

Ratio	2023	2024	2025	2026	2027	2028
<b>OR</b>	89.51%	86.16%	89.0%	85.23%	84.39%	83.81%
<b>NOM</b>	9.24%	11.37%	8.66%	14.19%	14.62%	14.76%
<b>NOM-A</b>	26.37%	24.02%	22.97%	28.49%	28.64%	28.59%

**Narrative – Obligated Group:**

The obligated Group has strong operating margins and cash flows through efficient operations.

**35.3 Capital Structure Ratios**

**Debt Service Coverage (DSCR).** Measures ability to pay annual debt service from operations and net entrance fee cash. Higher values indicate greater ability to pay debt service.

**Unrestricted Cash & Investments to Long-Term Debt (CD).** Compares unrestricted cash and investments to long-term debt. Higher values indicate more unrestricted cash and investments relative to debt.

**Capital Expenditures to Depreciation (CED).** Indicates reinvestment relative to depreciation expense. Values at or above 1.0x usually mean the provider is reinvesting enough to keep up.

**Table 35.3: Capital Structure Ratios – Provider Only**

Ratio	2023	2024	2025	2026	2027	2028
<b>DSCR</b>	1.97x	1.81x	8.26x	2.03x	5.21x	5.52x
<b>CD</b>	.20x	.29x	.33x	.33x	.63x	.72x
<b>CED</b>	12.35x	5.63x	5.15x	2.58x	1.29x	.44x

**Narrative – Provider Only:**

GHF has been in a build mode for the period shown. The DSCR improvement in 2025 is due to initial entrance fees for new apartments that were self-financed. A significant portion of debt is paid off in 2026 leading to stronger ratios in 2027 and 2028.

CD is low due to GHF investing cash back into new construction on the campus. From 2023 to 2026, GHF will have spent \$81.1M on property, plant and Equipment.

Capital-expenditure ratios reflect the reinvestment on the campus. GHF is in master planning now to upgrade health care and add more independent living units, but plans are not developed enough to provide accurate projections at this time.

**Table 35.3A: Capital Structure Ratios – Obligated Group**

Ratio	2023	2024	2025	2026	2027	2028
DSCR	3.68x	3.34x	3.43x	2.82x	4.78x	4.98x
CD	1.14x	1.36x	1.48x	1.71x	2.18x	2.58x
CED	4.16x	2.27x	2.53x	1.97x	.79x	.46x

**Narrative – Obligated Group:**

At the obligated-group level, coverage and liquidity metrics are stronger than at the standalone community level. The DSCR shows strong cash flows and a low debt burden. The CD shows more cash and investments than debt while the CED shows Givens is investing in the communities to keep them growing and updated.

Collectively, these ratios support the group’s ability to service debt, fund ongoing capital needs, and absorb operating volatility without reliance on extraordinary measures.

**35.4 Overall Summary**

Both the provider and the obligated group demonstrate sound liquidity, improving profitability, and conservative leverage.

**36. Actuarial Opinion and Balance**

Givens Highland Farms is exempt from the requirement to provide a qualified, independent actuarial report.

**37. Most Recent Department Examination Report**

The North Carolina Department of Insurance has not conducted an examination of Givens Estates, Inc. pursuant to Article 64A of the North Carolina General Statutes.

**38. Other Material Information**

Management has reviewed whether there are any additional facts, circumstances, risks, or events that could reasonably be expected to influence a prospective or current resident’s decision to contract with Givens Highland Farms. Other than the disclosures provided in

prior sections of this Disclosure Statement, management has determined that no additional material information requires disclosure at this time.

## **39. Contract Forms and Attachments**

Givens Highland Farms offers both continuing care contracts and continuing care at home contracts. Representative forms of each are attached hereto as Appendix D.

### **39.1 Continuing Care Contracts**

Givens Highland Farms offers three forms of continuing care contracts, which differ primarily in their entrance fee refund provisions:

- **90% Refundable Contract** – Residents pay a higher entrance fee, and 90% of the fee (less applicable deductions) is refundable. The portion of the Entrance Fee that is refundable to a resident will decline over time, at a rate of six percent (6%) upon the date of Occupancy of the Residence and two percent (2%) on the first (1st) day of each calendar month thereafter until their selected refund percentage remains at ninety percent (90%).
- **50% Refundable Contract** – Residents pay a moderate entrance fee, and 50% of the fee (less applicable deductions) is refundable. The portion of the Entrance Fee that is refundable to a resident will decline over time, at a rate of six percent (6%) upon the date of Occupancy of the Residence and two percent (2%) on the first (1st) day of each calendar month thereafter until their selected refund percentage remains at fifty percent (50%).
- **Declining Balance Contract (0% Refundable)** – Residents pay the lowest entrance fee. The portion of the Entrance Fee that is refundable to a resident will decline over time, at a rate of six percent (6%) upon the date of Occupancy of the Residence and two percent (2%) on the first (1st) day of each calendar month thereafter until their selected refund percentage remains at zero percent (0%). Once the amortization period has elapsed, no refund is payable upon termination or death of the resident.

All other terms and conditions of the independent living contracts are substantially similar. A representative form of these contracts is included in Appendix D.

### **39.2 Continuing Care at Home (CCaH) Contracts**

Givens Estates, Inc. offers three forms of CCaH contracts, which differ primarily in the scope of in-home and health care services provided:

- **Silver Contract** – 100% coverage for Care Coordination, and intermediate coverage for Health Support Services and Health Care Services.
- **Gold Contract** – 100% coverage for Care Coordination, and majority coverage for Health Support Services and Health Care Services.

### ***Opinion***

We have audited the consolidated financial statements of The Givens Estates, Inc. and Subsidiaries (the Company), which comprise the consolidated balance sheets as of December 31, 2025 and 2024, and the related consolidated statements of operations, changes in net assets, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of the Company as of December 31, 2025 and 2024, and the results of operations, changes in net assets and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### ***Responsibilities of Management for the Consolidated Financial Statements***

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the consolidated financial statements were issued.

### ***Auditor's Responsibilities for the Audit of the Consolidated Financial Statements***

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance, and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Report on Consolidating Information**

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The consolidating information as listed in the accompanying table of contents is presented for purposes of additional analysis of the consolidated financial statements rather than to present the financial position, results of operations, and cash flows of the individual companies, and it is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The consolidating information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards, generally accepted in the United States of America. In our opinion, the consolidating information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

### ***Principles of Consolidation***

The accompanying consolidated financial statements include the accounts of The Givens Estates, Inc. and its wholly owned subsidiaries: Givens Highland Farms, LLC (“Givens Highland Farms”), LifeMinistries Outreach, LLC, Givens Gerber Park II, LLC, and Givens Choice, LLC. The accompanying consolidated financial statements also include the activity of Givens Aldersgate from the date Givens Estates obtained control (collectively “The Company”). All significant intercompany accounts and transactions have been eliminated in consolidation.

### ***Use of Estimates***

The preparation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the reporting date. Estimates also affect the reported amounts of revenue and expenses during the reporting period. Actual results could differ from these estimates.

**Notes to Consolidated Financial Statements**  
**December 31, 2025 and 2024**

---

***Cash and Cash Equivalents***

Cash and cash equivalents include cash on hand, amounts on deposit in banks, and highly liquid debt instruments with a maturity of 90 days or less when purchased, excluding amounts whose use is limited.

***Assets Limited as to Use***

These assets include (1) assets limited under trust agreements, (2) resident funds, (3) assets set aside by the board of directors to provide supplemental assistance to residents for payment of the residents' initial contribution and monthly rentals for the life occupancy residential complex, over which the board retains control and may at its discretion subsequently use for other purposes, and (4) assets designated for other purposes.

***Accounts Receivable***

Accounts receivable arise from the sale of residential and healthcare services and products, for which the Company grants credit on an unsecured basis. Accounts are considered past due after 30 days. The Company estimates allowance for doubtful accounts by evaluating the collectability of accounts greater than 120 days past due using historical collection information as well as reasonable forecasts to estimate expected credit losses. Once a charge has been determined to be uncollectible, it is charged-off.

***Entrance Fee Receivables***

Other receivables include amounts due from residents that have moved into their unit but have not paid their entrance fee. The Company executes promissory notes for these residents to include the entrance fee plus accrued interest payable within two years after the resident moves in. No interest is charged in the first year.

***Insurance Recovery Receivable***

During 2024, the Company filed a claim with their insurance company for storm damage. A receivable of approximately \$7,500,000 was recorded as management determined that realization of the claim was deemed probable as of December 31, 2024. This amount is recorded in other receivables and other income in the consolidated financial statements. During 2025, the Company received the full balance plus additional reimbursement related to a Hurricane Helene claim in January 2025.

***Contributions Receivable***

Unconditional contributions are recorded at net present value as contributions in the consolidated balance sheets or direct additions to net assets with restrictions, if restricted by the donor or time, net of any allowances for uncollectible pledges.

***Investments***

Investments in equity securities with readily determinable fair values and all investments in debt securities are measured at fair value based on quoted market prices in the consolidated balance sheets. Investment income or loss (including realized and unrealized gains and losses on investments, interest and dividends) is included in excess of revenues over expenses.

***Fair Value Measurements***

Fair value as defined under generally accepted accounting principles ("GAAP") is an exit price, representing the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Company utilizes market data or assumptions that market participants would use in pricing the asset or liability. GAAP establishes a three-tier fair value hierarchy, which prioritizes the inputs used when measuring fair value. These tiers include: Level 1, defined as observable inputs such as quoted

**The Givens Estates, Inc. and Subsidiaries**  
**Notes to Consolidated Financial Statements**  
**December 31, 2025 and 2024**

---

prices in active markets; Level 2, defined as inputs other than quoted prices in active markets that are either directly or indirectly observable; and Level 3, defined as unobservable inputs about which little or no market data exists, therefore requiring an entity to develop its own assumptions.

***Property and Equipment***

Property and equipment is stated at cost or at fair value at date of donation or acquisition. The Company capitalizes all assets over \$1,000 and depreciates the assets using the straight-line method over their estimated useful lives as follows:

Land improvements	10 - 20 years
Buildings	15 - 40 years
Furniture and equipment	3 - 10 years
Vehicles	3 - 5 years

Expenditures for repairs and maintenance are charged to expenses as incurred. The costs of major renewals and betterments are capitalized and depreciated over their estimated useful lives. Upon disposition of equipment, the asset and related accumulated depreciation accounts are relieved and any related gain or loss is recorded. Interest cost incurred on borrowed funds during the period of construction of capital assets is capitalized as a component of the cost of acquiring those assets.

***Deferred Revenue from Entrance Fees***

Givens Estates, Inc. operates three Life Plan communities. In exchange for an entrance fee, which ranges from approximately \$59,100 to \$1,291,800 at Givens Estates, \$114,000 to \$1,903,000 at Givens Highland Farms, and approximately \$40,000 to \$1,033,700 at Givens Aldersgate residents are granted a lifetime occupancy interest in the residential unit. The entrance fee will vary due to the size of the residence and the contract option selected by the resident.

The nonrefundable portion of the entrance fee paid by a resident upon entering into a lifetime occupancy contract is recorded as deferred revenue. Givens Estates offers three types of contracts: a 90% refundable option, which the refund declines to 90% over a three-month period, a 0% refund option, which the refund declines to 0% over a four-year period, and a 50% refundable option, which the refund declines to 50% over a two-year period.

Givens Highland Farms also began offering three types of contracts: a 90% refundable option, which the refund declines to 90% over a three-month period, a 50% refundable option, which the refund declines to 50% over a two-year period, and a 0% refundable option, which the refund declines to 0% over a four-year period.

Aldersgate offers two types of lifecare residency agreements that differ based on the refundability of the entrance fee. Under the standard contract, entrance fees are refundable less a processing fee and less 2% per month for each of the first 50 months of residency, unless a refund occurs within the first five months, in which case the refund equals the entrance fee paid less a processing fee and 10% of the entrance fee. Under the 50% refundable contract, entrance fees are refundable less a processing fee and less 1% per month for each of the first 50 months of occupancy, unless refunded within the first 11 months, in which case the refund is the entrance fee paid less a processing fee and 10%; after 50 months of occupancy, the refund is 50% of the entrance fee paid. The refundable portion of entrance fees is recorded as refundable entrance fees until the residency agreement is terminated, while the nonrefundable portion is recorded as deferred entrance fees and amortized into income on a straight-line basis over the estimated remaining life expectancy of the resident, actuarially adjusted annually and beginning on the date of occupancy.

The non-refundable portion of deferred revenue is amortized to income using the straight-line method over the estimated remaining life expectancy of the resident, adjusted annually.

***Resident Refunds Payable***

Resident refunds payable include estimated entrance fee refunds due to residents that have the 50% or 90% refundable contracts. Givens Estates and Givens Highland Farms contract stipulates that the entrance fee is refundable within two years or when a replacement occupant has been secured, whichever is sooner. Refunds are made within 30 days for Givens Highland Farms apartment contracts signed before December 1, 2012. Givens Aldersgate contract stipulates that the entrance fee is refundable within 45 days of units being resold. Based on historical experience, the estimated amount of the resident refunds that are expected to be refunded in the coming year are \$6,746,071 and \$5,826,000 at December 31, 2025 and 2024, respectively, and are classified as a current liability on the consolidated balance sheet. Total contractual refund obligations in the event of move-out, death, or termination (that is if all residents with a refundable balance were to have withdrawn) at December 31, 2025 and 2024 were approximately \$125,000,000 and \$84,000,000, respectively.

***Advance Admission Deposits***

The Company collects an initial deposit of \$2,500 as part of the application process. Once the unit becomes occupied, these fees are transferred to deferred revenue.

***Net Assets***

The Company reports its net assets using the following classes; net assets without restrictions and net assets with restrictions depending on the presence and type of donor-imposed restrictions limiting the Company's ability to use or dispose of specific contributed assets or the economic benefits embodied in those assets. Net assets without restrictions include those net assets whose use is not restricted by donors, even though their use may be limited in other respects, such as by board designation. Net assets with restrictions are those net assets whose use by the Company has been limited by donors (a) to later periods of time or after specified dates or (b) to specified purposes.

***Contributions and Donor-Imposed Restrictions***

All contributions are considered to be available for use unless specifically restricted by the donor. The Company reports gifts of cash and other assets as restricted contributions if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with restrictions are reclassified to net assets without restrictions and reported in the consolidated statement of operations as net assets released from restriction.

***Statements of Operations***

The consolidated statements of operations include excess of revenues over expenses. Changes in net assets which are excluded from excess of revenues over expenses, consistent with industry practice, include contributions of long-lived assets (including assets acquired using contributions which by donor restrictions were to be used for the purposes of acquiring such assets). The Company considers excess of revenues over expenses to be its performance indicator.

***Interest Rate Swap***

The Company utilizes interest rate swaps to manage the variability in interest rates on certain variable rate debt. The Company accounts for its interest rate swaps under GAAP, which requires companies to recognize all derivative instruments as either assets or liabilities in the balance sheet at fair value. The accounting for changes in the fair value (i.e., gains or losses) of a derivative instrument depends on whether it has been designated and qualifies as part of a hedging relationship and, further, on the type of hedging relationship. For those derivative instruments that are designated and qualify as hedging instruments, a company must designate the hedging instrument, based upon the exposure being hedged, as a fair value hedge, cash flow hedge, or a hedge of the

---

foreign currency exposure of a net investment in a foreign operation. For derivative instruments not designated as hedging instruments, the changes in fair value are recognized in excess of revenue over expenses. The Company's interest rate swaps are not designated as hedging instruments and the change in fair value is included in excess of revenue over expenses.

***Income Taxes***

The Company is exempt from federal income taxes under Section 501 (c) (3) of the Internal Revenue code; accordingly, the accompanying consolidated financial statements do not reflect a provision or liability for federal and state income taxes. The Company has determined that it does not have any material unrecognized tax benefits or obligations as of December 31, 2025.

***Benevolent Assistance***

The Company has a policy of providing benevolent assistance to residents who are unable to pay the full cost of care and services. Such residents are identified based on financial information obtained from the resident and subsequent review and analysis. Since the Company does not expect to collect the normal charges for services provided, charges for benevolent assistance are not included in revenue.

***Continuing-Care Contracts***

The Company enters into fee-for-service continuing-care contracts with various residents. A fee-for-service continuing-care contract is an agreement between a resident and the Company specifying the services and facilities to be provided to a resident over his or her remaining life. Under the fee-for-service contracts, the Company has the ability to increase fees as deemed necessary. For the year ended December 31, 2025 and 2024, the Company calculated the present value of the net costs of future services and the use of facilities to be provided to current residents and compared that amount with the balance of deferred revenue from entrance fees. If this calculated value exceeds the deferred revenue from entrance fees, a liability is recorded, with a corresponding charge to income. The obligation is discounted at 4.05% for December 31, 2025 and 2024 based on management's estimate of interest earnings. At December 31, 2025 and 2024, the calculated value did not exceed the balance of deferred revenue from entrance fees; therefore, no liability for the obligation to provide future services is required to be recorded.

***Concentration of Credit Risk***

Financial instruments that potentially subject the Company to concentration of credit risk consist principally of cash, accounts receivable and investments. The Company maintains its cash in bank accounts which, at times, may exceed federally depository insurance (FDIC) limits. Management believes the credit risk associated with these deposits is minimal.

***Methods Used for Allocation of Expenses Among Programs and Supporting Services***

The Company has presented a schedule of expenses by both function and nature in Note 17. The Company allocates expenses on a functional basis among its various programs and supporting services. The schedule of expenses in Note 17 reports certain categories of expenses that are attributable to one or more program or supporting services of the retirement community. These expenses include advertising, administration, insurance, and other.

***Subsequent Events***

Subsequent events have been evaluated through April 29, 2026, which is the date the consolidated financial statements were issued.

## **Note 2. Revenue Recognition**

The Company generates revenues, primarily by providing housing and health services to its residents. The following streams of revenue are recognized as follows:

### ***Monthly Service Fees***

The contracts that residents select require an advanced fee and monthly fees based upon the type of accommodation they are applying for. Resident fee revenue for recurring and routine monthly services is generally billed monthly in advance. Payment terms are usually due within 30 days. The services provided encompass social, recreational, dining along with other services and these performance obligations are earned each month. Under Accounting Standards Codification (“ASC”) Topic 606, management has determined that the performance obligation for the standing obligation to provide the appropriate level of care is the predominate component and does not contain a lease component under ASC Topic 842. Resident fee revenue for non-routine or additional services are billed monthly in arrears and recognized when the service is provided.

### ***Entrance Fees***

The nonrefundable entrance fees are recognized as deferred revenue upon receipt of the payment and included in liabilities in the consolidated balance sheet until the performance obligations are satisfied. The refundable portion of an entrance fee is not considered part of the transaction price and as such is recorded as a liability in the consolidated balance sheet. Additionally, management has determined the contracts do not contain a significant financing component as the advanced payment assures residents access to services in the future. These deferred amounts are then amortized on a straight-line basis into revenue on a monthly basis over the life of the resident as the performance obligation is the material right associated with access to future services as described in Financial Accounting Standards Board (“FASB”) ASC 606-10-55 paragraph 42 and 51.

### ***Health Care Services***

In the facility, the Company provides assisted and nursing care to residents that are covered by government and commercial payers. Otherwise, these residents pay a per diem rate that is generally billed monthly in advance. The Company is paid fixed daily rates from government and commercial payers. The per diem daily rates and other fees billed to government and commercial payers are billed in arrears monthly. The monthly fees represent the most likely amount to be received from the 3rd party payors. Most rates are predetermined from Medicare and Medicaid.

Under ASC Topic 606, management has elected to utilize the portfolio approach in aggregating the revenues under these revenue streams. In the table below, residential revenue consists of the monthly service fee charged to each resident. The monthly service fee charge includes an allocated portion of dining and communication charges. Assisted living revenue consists of the private pay per diem rate charged to each resident. Long-term care revenue consists of the private pay per diem rate charged to each resident, as well as the fixed daily rates from government and commercial payers on behalf of certain residents. Assisted living revenue and Long-term care revenue includes additional revenue from ancillary services that are billed in arrears on the Consolidated Statement of Operations.

**Note 3. Fair Value of Financial Assets**

Prices for certain investments are readily available in active markets in which those securities are traded, and the resulting fair values are categorized as Level 1. Prices for certain investments are determined on a recurring basis based on inputs readily available in public markets or can be derived from information available in publicly quoted markets and are categorized as Level 2. There is limited or no observable market data for the prices of other funds that are held by the Company and the resulting fair values of these securities are categorized as Level 3. There were no investments valued as Level 3 investments during 2025 or 2024.

The Company invests in certain investments for which quoted prices are not available in active markets for identical instruments. The Company utilizes the net asset value (NAV) provided by the administrator of the fund as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. These investments are not required to be classified within a level on the fair value hierarchy.

The following tables set forth by level within the fair value hierarchy the Company's financial assets accounted for at fair value on a recurring basis as of December 31, 2025 and 2024. Assets are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The Company's assessment of the significance of a particular input to the fair value measurement requires judgment, and may affect the valuation of fair value assets and liabilities and their placement within the fair value hierarchy levels.

The Company has \$8,348,626 and \$8,654,780 of cash and cash equivalents included in investments and assets limited as to use on the consolidated balance sheets at December 31, 2025 and 2024, respectively, which was not classified as a level as prescribed within the provision.

The Company recognizes transfers between the levels as of the beginning of the reporting period. There were no gross transfers between the levels for the years ended December 31, 2025 and 2024.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Company believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**Note 7. Endowment**

The Company's endowment funds include donor-restricted funds and board designated funds classified as net assets without restrictions. As required by generally accepted accounting principles in the United States of America, net assets associated with endowment funds, including funds designated by the Board of Directors to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

The Company complies with the North Carolina Uniform Prudent Management of Institutional Funds Act (the Act). The Company has interpreted the Act as requiring the preservation of the fair value of the original gift as of the gift date absent explicit donor stipulations to the contrary. The Company classifies as net assets with donor restrictions the original value of gifts with donor-imposed restrictions and the portion of income derived from the gift, if any, that the donor requires to be kept in perpetuity. The portion of income derived from the gift, if any, that the donor does not require to be kept in perpetuity is classified in the consolidated balance sheets as net asset with donor restrictions until those amounts are appropriated for expenditure by the Company in a manner consistent with the donor's stipulation and the standard of prudence prescribed in the Act. Unless a donor explicitly stipulated otherwise, unrealized net appreciation in market value of the original gift is maintained as net assets with donor restrictions until those amounts are appropriated for expenditure by the Company in a manner consistent with the donor's stipulation and the standard of prudence prescribed in the Act. Any unrealized net depreciation that causes total market value to decline below the amount of the original gift is reported in net assets without donor restrictions.

From time to time, the fair value of the assets associated with the individual donor-restricted endowment funds may experience temporary unfavorable market declines which may cause a fund to fall below the level that was donated to Aldersgate. No deficiencies of this nature existed as of December 31, 2025.

Endowment net asset composition by type and fund was as follows as of December 31, 2025:

	<u>Without Donor Restrictions</u>	<u>With Donor Restrictions</u>	<u>Total</u>
Board-Designated Endowment Fund	\$ 1,319,364	\$ -	\$ 1,319,364

The following are the changes in endowment net assets managed by the Company for the period September 1, 2025 through December 31, 2025:

	<u>Without Donor Restrictions</u>	<u>With Donor Restrictions</u>	<u>Total</u>

Board designated endowment funds are included as a component of net assets without donor restrictions.

**Return Objectives and Risk Parameters**

The Company has adopted an investment policy for donor-restricted gifts that attempts to provide a predictable stream of funding. Such assets are invested in a manner that is intended to maximize income while preserving

capital, strive for consistent absolute returns, and preserve purchasing power by striving for returns which exceed fees and inflation without putting the principal value at imprudent risk. Management targets an asset allocation that diversifies investments consistent with commonly accepted industry standards to minimize the risk of large losses and meet the Company's return objectives. Imprudent concentrations in any single asset class or investment vehicle are prohibited.

***Spending Policy***

The Company spends income generated from endowment assets according to stipulations of the donors. Aldersgate's spending policy preserves the value of the original gift of the endowment assets held in perpetuity.

**Note 8. Related Party Transactions**

This amount related to unreimbursed development and construction costs of GGP that was reimbursed to the Company during the year ended December 31, 2025. The Company has entered into a lease with GGP where the Company owns the land that GGP is constructed. The Company leases this land to GGP for \$1 per year. This lease expires in 2065.

The Company has entered into a lease with Givens Gerber Park of Asheville III, LLC, where the Company owns the land that Givens Gerber Park of Asheville III, LLC is constructed. The Company leases this land to Givens Gerber Park of Asheville III, LLC for \$1 per year. This lease expires in 2081.

The Company owns 49% of the managing member of H.A.C. Apple Ridge, LLC, the ownership entity of the Apple Ridge project in Hendersonville, North Carolina, for which Givens Communities, LLC and the Housing Assistance Corporation serve as co-managers and developers. The project ownership structure includes a 99.99% interest held by a CAHEC-sponsored Community Equity Fund or affiliated fund(s) and a 0.01% interest held by Apple Ridge MM, LLC, an affiliate of the developers, with the CAHEC investor expected to contribute approximately \$10.2 million of equity in installments in exchange for low-income housing tax credits. Aldersgate 2021B Series Bonds with original notional amount of \$15,340,000 and termination date of July 2033 effectively fixing the interest rate of the related debt at 1.58%

The fair value the interest rate swaps is reported as a long-term asset or liability in the consolidated balance sheets. The change in fair value of the interest rate swaps is included in excess of revenues over expenses in the accompanying consolidated statements of operations and changes in net assets.

Absent an early termination, subsequent changes in the interest rate swaps will continue to be reflected in excess of revenues over expenses, which has no cash flow impact to the Company. The cash flow settlements of the interest rate swap agreements are reflected annually in interest expense as the Company pays interest to the swap counter-parties at the rates noted above.

#### **Note 16. Liquidity and Availability**

As part of its liquidity management, the Company has a policy to structure its financial assets to be available as its general expenses, liabilities, and other obligations come due. In addition, the Company invests cash in excess of daily operating funds in short-term investments such as investment grade corporate bonds and money market funds.

The following schedule reflects the Company's financial assets to meet cash needs for general expenses within one year. The financial assets were derived from the total assets on the consolidated balance sheets by excluding the assets that are unavailable for general expenses in the next 12 months. Board designated amounts have been included in the schedule below as the board could release these funds for liquidity purposes if needed.

The Company seeks to maintain sufficient liquid assets to cover at least three months' operating and capital expenses.

## Accountant's Compilation Report

The Board of Directors  
The Givens Estates, Inc. and Subsidiaries  
Asheville, North Carolina

Management of The Givens Estates, Inc. and Subsidiaries (the "Corporation") ("Management") is responsible for the accompanying financial projection of the Corporation, which comprises the projected consolidated balance sheets as of and for each of the five years ending December 31, 2030 and the related projected consolidated statements of operations, changes in net assets, and cash flows for each of the years then ending, and the related summary of significant assumptions and rationale in accordance with guidelines for the presentation of a financial projection established by the American Institute of Certified Public Accountants ("AICPA").

The accompanying projection and this report were prepared to comply with the requirements of North Carolina General Statutes, Chapter 58, Article 64A and should not be used for any other purpose.

We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not examine or review the financial projection nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by Management. Accordingly, we do not express an opinion, a conclusion, or provide any form of assurance on this financial projection. The projected results may not be achieved as there will usually be differences between the prospective and actual results because events and circumstances frequently do not occur as expected, and those differences may be material.

Furthermore, even if the following hypothetical assumptions occur during the projection period:

- the Corporation's newly constructed and yet to be constructed independent living units are successfully marketed and achieve projected occupancy levels; and
- construction, development, marketing, and other related costs for the new independent living units at Givens Highland Farms, an affiliate of the Corporation, occur in the assumed timeline and at the assumed costs.

There will usually be differences between the projected and actual results because events and circumstances frequently do not occur as expected, and those differences may be material.

We have no responsibility to update this report for events and circumstances occurring after the date of this report.

## The Givens Estates, Inc. and Subsidiaries

### Summary of Significant Projection Assumptions and Rationale

---

#### **General**

The accompanying financial projection presents, to the best of the knowledge and belief of the management of The Givens Estates, Inc., and Subsidiaries (the “Corporation”) (“Management”) the expected financial position, results of operations, and cash flows of the Corporation as of and for each of the five years ending December 31, 2030. Accordingly, the accompanying projection reflects Management’s judgment as of May 29, 2026, the date of this report, of the expected conditions and its course of action during the projection period assuming that the hypothetical assumptions defined below occur. However, even if the hypothetical assumptions stated below were to occur, there will usually be differences between the projected and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

Management’s purpose in releasing this financial projection is for inclusion in the Corporation’s annual disclosure statement in accordance with Chapter 58, Article 64A, of the North Carolina General Statutes. Accordingly, this report should not be used for any other purpose. The assumptions disclosed herein are those that Management believes are significant to the prospective financial statements.

**Basis of Presentation** – The prospective consolidated financial statements included in the projection have been prepared in accordance with accounting principles generally accepted in the United States of America. Significant accounting policies are described in the appropriate assumptions and notes to the prospective consolidated financial statements. The assumptions described are not all-inclusive.

**Hypothetical Assumptions** – A hypothetical assumption is an assumption used in a financial projection to present a condition or course of action that is not necessarily expected to occur, but is consistent with the purpose of the presentation. Hypothetical assumptions are not derived from sources, which are based upon supporting documentation such as contracts, agreements, or other empirical data. Management has prepared its financial projection assuming the following hypothetical assumptions:

- the Corporation’s newly constructed and yet to be constructed independent living units are successfully marketed and achieve projected occupancy levels; and
- construction, development, marketing, and other related costs for the new independent living units at Givens Highland Farms, an affiliate of the Corporation, occur in the assumed timeline and at the assumed costs.

**Summary of Significant Accounting Policies**

**Basis of Accounting** – The Corporation maintains its accounting and financial records according to the accrual basis of accounting.

**Use of Estimates** – The preparation of prospective financial statements in accordance with accounting principles generally accepted in the United States of America requires Management to make estimates and assumptions that affect the amounts reported in the prospective financial statements and accompanying notes. Actual results could differ from those estimates.

**Cash and Cash Equivalents** – Cash and cash equivalents includes cash on hand, amounts on deposit in banks and highly liquid debt instruments with a maturity of 90 days or less when purchased, excluding amounts whose use is limited.

**Restricted Cash** – The Corporation has adopted Financial Accounting Standards Board (“FASB”) Accounting Standards Update (“ASU” No. 2016-18, Statement of Cash Flows (Topic 230): Restricted Cash. Amounts generally described as restricted cash and restricted cash equivalents should be included with cash and cash equivalents when reconciling the beginning-of-period and end of period total amounts shown on the projected consolidated statements of cash flows.

**Assets Limited as to Use** – These assets include assets set aside by the Board of Directors (the “Board”) to provide supplemental assistance to residents for payment of the residents’ initial contribution and monthly rentals for the life occupancy residential complex, over which the Board retains control and may at its discretion subsequently use for other purposes. Assets limited as to use also include amounts held by a trustee that are limited as to use in accordance with the bond order and resident funds.

North Carolina General Statute § 58-64A-245 requires CCRCs to maintain an operating reserve (the “Statutory Operating Reserve”) as a percentage of the total operating costs in a given year, based on occupancy levels of the independent units. This law provides security to residents that the Corporation is able to meet its contractual obligations to provide continuing care.

**Accounts Receivable** – Accounts receivable arise from the sale of residential and healthcare services and products, for which the Corporation grants credit on an unsecured basis. Accounts are considered past due after 30 days. The Corporation estimates allowance for doubtful accounts by evaluating the collectability of accounts greater than 120 days past due using historical collection information as well as reasonable projections to estimate expected credit losses. Once a charge has been determined to be uncollectible, it is charged-off.

**Contributions Receivable** – Contributions receivable include unconditional promises of cash, charitable remainder unitrusts, and charitable gift annuities. The charitable remainder unitrusts and charitable gift annuities are held in trust by another organization. Upon the death of the donors, the remaining investment will be transferred to the Corporation. The balance is net of projected allowances for doubtful accounts and discounts for present value.

**See Accountant’s Compilation Report**

**Investments** – Investments include cash and cash equivalents, common stock, comingled funds, corporate and government bonds, government securities, money market funds and a fixed income fund. Investments in equity securities with readily determinable fair value and all investments in debt securities are measured at fair value based on quoted market prices in the consolidated balance sheet. For purposes of the projection, Management has not projected realized or unrealized gains or losses on investments.

**Property and Equipment** – Property and equipment is stated at cost or at fair value at date of donation. The Corporation capitalizes all assets over \$1,000 and depreciates them using the straight-line method over their estimated useful lives as follows:

Land improvements	10 – 20 years
Buildings	40 years
Furniture and equipment	5 – 10 years
Vehicles	3 – 5 years

Expenditures for repairs and maintenance are charged to expenses as incurred. The costs of major renewals and betterments are capitalized and depreciated over their estimated useful lives. Upon disposition of equipment, the asset and related accumulated depreciation accounts are relieved, and any related gain or loss is credited or charged to non-operating gains or losses. Interest incurred on borrowed funds during the period of construction of capital assets is capitalized as a component of the cost of acquiring those assets.

Buildings for Givens Highland Farms include condominiums, cluster homes (which are groups of individual residences connected by adjoining walls), houses (collectively referred to as “housing units”), and rental property. Givens Highland Farms’ contracts with the residents provide that either upon death or at the resident’s option, Givens Highland Farms has the option to purchase; and the resident or his estate must sell the housing unit at a specified price. It is the intention of Givens Highland Farms to always choose the option to repurchase the housing units and once repurchased to not resale them. The repurchase price (the “Repurchase Obligation”) is 94% of the resident’s original purchase price, reduced 3% per year for each year beyond the first year that the resident occupies the unit. The minimum repurchase price after seven years of occupancy is 76% of the original purchase price. There are currently 18 housing units remaining to be repurchased by Givens Highland Farms.

**Intangible Asset** – In connection with the recording of the assets and liabilities as part of the acquisition of Givens Aldersgate, intangible assets of approximately \$346,000 were recorded during fiscal year ending December 31, 2025. The intangible asset is assumed to be amortized over ten years.

**See Accountant’s Compilation Report**

**Deferred Costs** – Deferred financing costs associated with the issuance of debt is capitalized and amortized over the expected life of the debt instrument using the effective interest method. The debt issuance costs are netted against the related debt on the consolidated projected balance sheet, and the amortization is included in interest expense on the consolidated projected statement of operations.

**Resident Refunds Payable** – Resident refunds payable include estimated Entrance Fee refunds due to Residents and Givens Aldersgate Residents that have the 50 percent, 75 percent, or 90 percent refundable contracts. The Corporation’s contract stipulates that the Entrance Fee is refundable within two years of vacancy or when a replacement occupant has been secured, whichever is sooner. The Givens Aldersgate contract stipulates that the Entrance Fee is refundable when a replacement occupant has been secured. Refunds are made within 30 days for Givens Highland Farms apartment contracts and within 120 days for Givens Highland Farms cluster homes, condominium units or free-standing homes signed before December 1, 2012. Based on historical experience, the estimated amount of the Resident and Givens Aldersgate Resident refunds that are expected to be refunded in a subsequent year are classified as a current liability on the consolidated projected balance sheet.

**Deferred Revenue from Entrance Fees** – In exchange for an Entrance Fee, residents are granted a lifetime occupancy interest in the residential unit. The Entrance Fee will vary due to the size of the residence and the contract option selected by the Resident or Givens Aldersgate Resident. The nonrefundable portion of the Entrance Fee paid by a Resident or Givens Aldersgate Resident upon entering into a lifetime occupancy contract is recorded as deferred revenue. In 2008, Givens Estates began offering three types of contracts: a 90 percent refundable option, under which the refund declines to 90 percent over a three-month period; a zero percent refund option, under which the refund declines to zero percent over a four-year period; and a 50 percent refundable option, under which the refund declines to 50 percent over a two-year period.

In 2017, Givens Highland Farms began offering three types of contracts: a 90 percent refundable option, under which the refund declines to 90 percent over a three-month period; a zero percent refund option, under which the refund declines to zero percent over a four-year period; and a 50 percent refundable option, under which the refund declines to 50 percent over a two-year period. Prior to 2017, Givens Highland Farms offered two types of contracts for the apartments and the lodge: a 50 percent refundable option, with the refund declining to 50 percent over a 23-month period; or a zero percent refund option, with the refund declining to zero percent over a 46-month period. In 2014, Givens Highland Farms began offering a 75 percent refundable contract option for the cluster homes, condominiums and homes with the refund declining to 75 percent over an 11-month period. In addition, the initial contracts for the Meadowmont homes and the Cottages are 75% refundable contracts.

The nonrefundable portion of the Givens Highland Farms Repurchase Obligation that is not required to be paid back to the resident (of original purchase price) is recorded as part of deferred revenue from Entrance Fees. Revenue is recognized each year to the extent that Givens Highland Farms’ repurchase obligation is reduced over the estimated average life expectancy of the resident.

**See Accountant’s Compilation Report**

The non-refundable portion of deferred revenue is amortized to income using the straight-line method over the estimated remaining life expectancy of the resident, adjusted annually.

Givens Aldersgate offers three types of contracts: a 90 percent refundable option, under which the refund declines to 90 percent upon occupancy; a zero percent refund option, under which the refund declines to zero percent over an approximately four-year period; and a 50 percent refundable option, under which the refund declines to 50 percent over an approximate four-year period.

Continuing-Care Contracts – The Corporation enters into continuing-care contracts with various residents. A continuing-care contract is an agreement between a resident and the Corporation specifying the services and facilities to be provided to a resident over his or her remaining life. Under the contracts, the Corporation has the ability to increase fees as deemed necessary. No obligation for future costs associated with these contracts has been provided by the Corporation because Management believes that future cash inflows will be sufficient to cover such costs.

Advance Admission Deposits – For existing units, the Corporation collects an initial deposit on unoccupied units. Once the unit becomes occupied, these fees are transferred to deferred revenue.

Net Assets – The Corporation reports their net assets using the following classes; net assets without donor restrictions and net assets with donor restrictions depending on the presence and type of donor-imposed restrictions limiting the Corporation’s ability to use or dispose of specific contributed assets or the economic benefits embodied in those assets. Net assets without donor restrictions include those net assets whose use is not restricted by donors, even though their use may be limited in other respects, such as by Board designation. Net assets with donor restrictions are those net assets whose use by the Corporation has been limited by donors (a) to later periods of time or after specified dates or (b) to specified purposes.

**Contributions and Donor-Imposed Restrictions** – All contributions are considered to be available without restrictions unless specifically restricted by the donor. The Corporation reports gifts of cash and other assets as restricted contributions if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the consolidated statement of operations as net assets released from restriction.

**Concentration of Credit Risk** – Financial instruments that potentially subject the Corporation to concentration of credit risk consist principally of cash, accounts receivable and investments. The Corporation maintains their cash in bank accounts which, at times, exceed federally depository insurance (FDIC) limits. Management believes the credit risk associated with these deposits is minimal.

**Long-Term Care and Assisted Living Revenue** – Long-term care and assisted living revenue represents the estimated net realizable amounts from residents, third-party payors, and others for services rendered while in the long-term care or assisted living units. It also includes estimated retroactive revenue adjustments due to future audits, review, and investigations. Retroactive adjustments are considered in the recognition of revenue on an estimated basis in the period the related services are rendered, and such amounts are adjusted in future periods as adjustments become known or as years are no longer subject to such audits, reviews, and investigations. Historically such adjustments for the Corporation have been immaterial in relation to the financial statements taken as a whole. Revenues under third-party payor agreements are subject to examination and retroactive adjustment. Provisions for estimated third-party payor settlements are provided in the period the related services are rendered. Differences between the amounts accrued and subsequent settlements are recorded in operations in the year of settlement.

**Residential Revenue** – In addition to the amortization of deferred revenue as described above, the residents are also subject to a continuing Monthly Service Fee, which varies with the type of unit and with the level of health care the resident receives. The Monthly Service Fee can be changed from time to time, as deemed necessary by the Corporation, with 30 days written notice to residents. The Monthly Service Fees at Givens Aldersgate are adjusted at least annually with prior notice given to residents.

**Income Taxes** – The Corporation is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code; accordingly, the accompanying financial statements do not reflect a provision or liability for federal and state income taxes. For purposes of the projection, the Corporation has assumed no material unrecognized tax benefits or obligations during the projection period.

**See Accountant's Compilation Report**

**Benevolent Assistance** – The Corporation has a policy of providing benevolent assistance to residents who are unable to pay the full cost of care and services. Such residents are identified based on financial information obtained from the resident and subsequent review and analysis. Since the Corporation does not expect to collect the normal charges for services provided, charges for benevolent assistance are not included in revenue.

**Revenue Recognition** – The Corporation generates revenues, primarily by providing housing and health services to its residents. The following streams of revenue are recognized as follows:

*Monthly Service Fees* – The contracts that Residents select require an Entrance Fee and Monthly Service Fees based upon the type of accommodation with which the Residents and Givens Aldersgate Residents are applying. Resident fee revenue for recurring and routine monthly services is generally billed monthly in advance. Payment terms are usually due within 30 days. The services provided encompass social, recreational, dining along with other services and these performance obligations are earned each month. Under Accounting Standards Codification (“ASC”) Topic 606, Management has determined that the performance obligation for the standing obligation to provide the appropriate services is the predominate component and does not contain a lease component under ASC Topic 842. Resident fee revenue for non-routine or additional services are billed monthly in arrears and recognized when the service is provided.

*Entrance Fees* – Non-refundable Entrance Fees are recognized as deferred revenue upon receipt of the payment and included in liabilities in the consolidated balance sheets until the performance obligations are satisfied. The refundable portion of an Entrance Fee is not considered part of the transaction price and as such is recorded as a liability in the consolidated balance sheets. Additionally, Management has determined the contracts do not contain a significant financing component as the advanced payment assures Residents and Givens Aldersgate Residents access to services in the future. These deferred amounts are then amortized on a straight-line basis into revenue on a monthly basis over the life of the Resident or Givens Aldersgate Resident as the performance obligation is the material right associated with access to future services as described in FASB ASC 606-10-55 paragraph 42 and 51.

*Health care services* – The Corporation provides assisted and nursing care to Residents and Givens Aldersgate Residents that are covered by government and commercial payers. Otherwise, these Residents and Givens Aldersgate Residents pay a per diem rate that is generally billed monthly in advance. The Corporation is paid fixed daily rates from government and commercial payers. The per diem daily rates and other fees billed to government and commercial payers are billed in arrears monthly. The monthly fees and daily fees represent the most likely amount to be received from third-party payors. Most rates are predetermined from Medicare and Medicaid.

**See Accountant’s Compilation Report**

*Bank Loan*

On December 1, 2012, the Corporation purchased the assets of Highland Farms, Inc. and Mirafel, LLC, a taxable entity. The purchase and capital additions have been financed with proceeds from a bank loan (the “Bank Loan”). For purposes of the projection, the interest rate is assumed to be 6 percent. As of December 31, 2025, the balance of the Bank Loan was approximately \$8,572,000. C. **Member Home Inspection.** During the first year of membership and every second year thereafter (unless circumstances of a Member's health condition justify more frequent inspections), Provider will provide a functional inspection of the Home Site for the purpose of ascertaining any functional and safety problems, and will make recommendations to Member based on the inspection. Provider may require, based on circumstances of previous inspections or Member's health condition, that Member permit Provider to provide a functional inspection of the Home Site. Provider does not, however, represent that it will undertake steps necessary to effectuate any of such recommendations. Any recommended changes or corrections are

Member's sole responsibility. It is Member's choice to make such recommended changes or corrections to their Home Site. To aid Member in securing necessary goods or services, Provider will make available a list of possible vendors of such goods and services. Member is solely responsible for the full cost of any of the improvements to his/her Home Site as a result of Member's home inspection. If Member refuses any reasonable recommendation of the Care Navigation Team, Provider shall have no responsibility or liability for the consequences of such refusal.

F. **Adult Day Care.** Provider will provide Adult Day Care Support as Determined To Be Appropriate by the Care Navigation Team supplied by a Program Approved Provider to the extent provided for in the membership plan selected by Member and to the extent that Adult Day Care is available within designated service area. This includes the daily attendance rate but does not include ancillary fees such as activities and transportation.

G. **Transportation Services.** If Member is unable to drive or instructed by their physician not to drive to and from medically necessary outpatient surgery or short procedures which may include, but are not limited to, cataract removal, chemotherapy treatments, and surgical biopsies, Provider will provide transportation to the procedure and for one post-procedure assessment. ### III. AGREEMENT REQUIREMENTS AND PROCEDURES

A. **Condition of Membership in the Givens Choice Program.** The Givens Choice program

is available to persons who are 60 years of age or older and who meet all eligibility requirements established by Provider. Through the application process, Member submitted the Application as well as other information required by Provider, participated in one or more interviews with Provider, and arranged for Member's physician to furnish five years of medical records to Provider. As a condition of acceptance for membership in the Givens Choice program, during the period following Member's application until the Membership Date, Member must continue to meet all eligibility requirements established by Provider, including but not limited to qualifications to ensure that Provider can accommodate Member's health needs through the Givens Choice program. Prospective Member agrees to provide such additional information that Provider may require to supplement the Application.

**B. Representations.** Member affirms that the representations made in the Application are true and correct and may be relied upon by Provider as a basis for entering into this Agreement.

**C. Medical Insurance.** Member agrees to procure and maintain in force at Member's own expense, maximum coverage available to member under Medicare Part A, Medicare Part B, and one supplemental health insurance policy or equivalent insurance coverage acceptable to Provider and shall furnish Provider with evidence of coverage as Provider may from time-to-time request. If Member is not eligible for Medicare A and B, Member will be required to obtain a health insurance policy satisfactory to Provider that is equivalent to both Medicare (A and B) and Medicare Supplemental Coverage. If Member fails or neglects to arrange for such medical insurance coverage, Provider may, in Provider's sole discretion, terminate this Membership Agreement. Alternatively, Provider may, in Provider's sole discretion, make application on Member's behalf, pay Member's premium for this insurance and bill the costs to Member on the Monthly Fee statement. Member is responsible for procuring as well as maintaining such medical insurance coverage and Provider, while authorized to do so, shall have no obligation to do so. Should Member incur a medical expense during a period of time for which such medical insurance was required by Provider but was not procured and/or maintained either by Member or by Provider, Member shall be responsible for any portion of such expense which would have been covered had such a medical insurance policy been procured and maintained. All changes in information regarding Member's insurance coverage whether adding or canceling a policy, must be submitted in writing to Provider within ten (10) calendar days after such change.

**D. Medicare Advantage Plans.** The Skilled Nursing Facilities at Givens Estates and Givens Highland Farms are not approved providers for all Medicare Advantage Plans. A Givens Choice membership is not a replacement or substitute for Medicare Coverage. If Member requests services at Givens Estates or Givens Highland Farms which are eligible for Medicare reimbursement and our facilities are not approved providers by Members' Medicare Advantage plan, Givens Choice cannot guarantee reimbursement by Member's Medicare Advantage plan. If application is made and denied, Member, not Givens Choice, will be billed at the private billable rate.

**E. Limitation of Liability in Case of Refusal to Leave Home Site.** If the Care Navigation

Team reasonably determines that it would be injurious to the health or safety of Member to remain in their Home Site and that therefore Member should become a resident in a Program Participating Facility, and Member refuses to make such move, or if Member refuses any related reasonable recommendation of the Care Navigation Team, Provider shall have no responsibility or liability for the consequences of such refusal.

F. **Illness or Accident While Traveling.** If an illness or accident occurs while Member is traveling outside Designated Service Area, Member shall make every reasonable effort to notify Provider as soon as possible. If continued medical care is required, Member shall arrange, as soon as reasonably possible, to return to Home Site or, if approved by the Care Navigation Team, to a Plan Participating Facility. Provider will be responsible for the costs of nursing care services covered under this Agreement that are incurred by Member in a Nursing Home Facility as a result of such accident or illness for a forty-five (45) day period of time after Member is admitted. Provider's responsibility for Nursing Home Facility charges will be limited to the then current private pay daily rate for a semi-private bed for the same level of care at Givens Estates / Givens Highland Farms or up to the Member's selected plan daily cap amount. Member will be responsible for other costs such as hospital costs, physician fees, and transport, as well as any other costs not specifically stated in this Agreement, which shall be paid by Member or Member's personal insurance.

G. **Subrogation.** In case of accident or injury to Member caused by third parties, Member agrees to begin suit for damages within three months following written notice by Provider to Member, of Provider's interest in such suit. If Member fails to begin suit within such three-month period, Member hereby grants a limited power of attorney to the Provider, which power shall not be affected by the disability of Member, to at its election bring any claims or initiate legal action, if necessary, against the person who has caused injury to Member for compensation for the injury or expenses thereby caused. Member agrees to execute such further authorizations as shall be desirable to prosecute such claims or causes of action. The Provider, at its election, may sue on and enforce any cause of action for Member, for injury or damages so resulting, in the name of the Member or in its own name.

After all costs and damages incurred by the Provider (including reasonable costs of care furnished to Member by the Provider because of such accident or injury) shall have been paid for and reimbursed to the Provider by such subrogation, the balance of any collection made will be paid to Member or credited to Member's account, or in the event of the death of Member, will be paid to Member's estate. The Provider may limit its election as provided above to claims for recovery of the costs incurred by it, and in such event, the Provider shall not be obligated to assert any claim of Member arising out of such accident or injury beyond the costs incurred by the Provider.

H. **Right of Entry.** Member recognizes and accepts the responsibility of the Provider to enter Member's living accommodation in order to carry out the purpose and intent of this Agreement. The purposes for which such entry may be made include but are not limited to (1) Alert to the medical alert system and, (2) entry by authorized personnel if Member is reported missing or as not having responded to calls. The Provider recognizes Member's right to privacy and its responsibility to limit entry to the living accommodation to legitimate emergencies and

scheduled work as set forth in the Agreement.

I. **Annual Physical Examination.** Provider encourages Member to undergo an annual physical examination performed by Member's personal physician. Provider encourages that a medical report be submitted by Member's personal physician to his/her Care Navigator if visit indicates a significant change in status that may impact the Member's Care Navigation plans.

#### IV. TRANSFERS OR CHANGES IN LEVELS OF CARE

A. **Decisions Involving Permanent Transfer From Living Accommodation.** All decisions involving permanent transfer from Member's current living accommodation (including Home Site, Assisted Living Facility, Nursing Home Facility, or hospital) to another accommodation will be determined to be appropriate/necessary by the Care Navigation Team. Such decisions shall be made in consultation with Member, or in case of incompetency, with Member's Designated Representative. If a determination is made by Provider that any transfer is likely not temporary in nature, all services provided for under this Agreement pertaining to Home Site or other Living Accommodation will terminate unless separate arrangements are made between the parties.

B. **Transfer to Hospital or Other Facility.** Neither the facilities at Givens Estates / Givens Highland Farms nor at any other Program Participating Facility are designed to care for persons who are diagnosed to be psychotic, mentally ill, or as having a highly contagious or dangerous disease. When the above occurs, Member agrees to have a professional assessment to determine appropriate treatment and the staff of the facility where Member resides, in consultation with the Care Navigation Team, Member's physician and the Medical Director, will determine, at its sole discretion, if the continued presence of Member in the facilities at Givens Estates / Givens Highland Farms or in the other Program Participating Facility is either dangerous or detrimental to the health or peace of Member or the staff or the residents of the facility. Provider shall have the authority to transfer Member to an appropriate facility for such care. Provider shall not be obligated to pay for such care. Such transfer of Member will be made only after consultation to the extent possible with Member, Member's Designated Representative or a representative of Member's family and Member's attending physician.

#### V. EXCLUSIONS

A. **Private Accommodations.** Private accommodations in a Nursing Home Facility or in a memory support bed at an Assisted Living Facility are not provided as part of this Agreement but may be available to Member for an additional fee.

B. **Excluded Services.** Member will be responsible for the costs of all services and supplies, other than the services specifically to be provided by Provider as set forth in this Agreement, either by direct payment or insurance reimbursement. Such services and supplies for which Member is responsible include, but are not limited to, the cost of all prescription medicines, physician services, private duty nursing services, outpatient services such as physical

therapy, occupational therapy, speech therapy, IV therapy, respiratory therapy, oxygen, hospital stays, eye glasses, hearing aids, dentistry, orthopedic appliances, therapy for psychiatric disorders, incontinent supplies, wound care supplies, diabetic supplies, non-medical supplies, hair care, routine or emergency transportation, or any services not specifically provided for by this Agreement. Any specialized or personalized equipment (such as wheelchairs, walkers, kidney machine or respiratory equipment) that Provider would have to rent for Member will be charged to Member.

## VI. FEES, TERMS AND CONDITIONS

A. **Membership Fee.** Member agrees to pay Provider a one-time, nontransferable, non-interest-bearing Membership Fee of \$ \_\_\_\_\_ as a condition of becoming a member in the Givens Choice program. This Membership Fee is in payment for the \_\_\_\_\_ Plan, the payments, and benefits of which are described in Attachment A. Membership Fee is due in full at the execution of this Agreement.

B. **Monthly Fee.** In addition to the Membership Fee, Member agrees to pay a Monthly Fee for the term of this Agreement, which shall be drafted on-or-around the 10<sup>th</sup> day of each month. After paying the Membership Fee, Member will commence paying the Monthly Fee. As of the date of this Agreement, the Monthly Fee associated with the \_\_\_\_\_ Plan will be \$ \_\_\_\_\_ per month. Provider may adjust the Monthly Fee during the term of this Agreement as described in Section VI. C. below.

C. **Adjustments in the Monthly Fee.** The Monthly Fee is made to provide the programs and services described in this Agreement and is intended to meet the cost of administration, staffing, and other expenses associated with the operation and management of the GIVENS CHOICE program. Provider shall have the authority to adjust the Monthly Fee periodically based on the financial needs of Provider. Provider will endeavor to make such adjustments on a once-a-year basis during the term of this Agreement. Provider, upon sixty (30) days written notice to Member, may make any such increases in the Monthly Fee.

D. **Additional Service Fees.** Provider may charge additional service fees to cover costs of programs and services that are not included in the Monthly Fee, as approved, or requested by Member. For a list of services currently available and the current charges for each service see Attachment B attached to this Agreement. The extra services available and the prices for these services may be changed periodically.

E. **Monthly Statements.** Upon request, Provider will furnish Member with monthly statements showing the Monthly Fee and additional service fees owed by Member that shall be payable by the 10<sup>th</sup> day of the month. Provider may charge interest at a rate of one- and one-half percent (1.5%) per month on any unpaid balance. In the event Member does not make payment on a timely basis, Member agrees to pay attorney's fees, if any, incurred by Provider in the collection of such fees. Member may not withhold monthly fees for any reason. In the event of

non- payment of the Monthly Fee, Provider reserves the right to terminate this Agreement.

F. **Care in Other Assisted Living Facility or Nursing Care Facility.** Should Member be transferred to another Assisted Living Facility or Nursing Care Facility due to the unavailability of such facilities at Givens Estates or Member's desire to receive assisted living or nursing care in a Program Participating Facility closer to the Home Site, Member will continue to pay the Monthly Fee, and the charges incurred at the other facility for the level of services defined within this Agreement will be the responsibility of Provider up to the current private pay daily rate for an accommodation in Givens Estate's Assisted Living Facility or semi-private bed in Givens Estate's Nursing Home or up to the Member's selected plan daily cap.

G. **Limitation of Provider Payment for Non-Institutional Health Care Services.** Provider may limit payment for Home Site Services (Home Care Services, Homemaker Services, Companion Services, Emergency Alert System, and Adult Day Care) if the cost of such services for any day exceeds the then current private pay daily rate for a semi-private room in the Nursing Home Facility at Givens Estates. Member may either transfer to a Program Participating Facility or pay the difference between the cost of Home Site Services and the then current private pay daily rate for a semi-private bed in the Nursing Home Facility at Givens Estates.

H. **Assignment of Reimbursements.** In order to assist in controlling Provider's operating costs, Member agrees to cooperate with staff in securing reimbursement should governmental programs or Member's insurance cover any portion of the supplies or services (including drugs) provided by Provider. Any reimbursements for supplies or services (including drugs) provided by Provider will be assigned to or paid to Provider. Member is responsible for all fees and charges incurred while this Agreement remains in force and Member will pay any disputed or denied claims within ninety (90) days of the date of service.

I. **Excess Costs.** Except as specifically provided by this Agreement, Member shall be solely responsible for services not covered by Medicare Parts A and B and Medicare Supplemental Coverage, or other insurance, and for payments exceeding Member's coverage limits including but not limited to: audiological tests and hearing aids; eye glasses and refractions; dentistry; dentures; dental inlays; drugs: organ transplants; orthopedic appliances; occupational, physical and speech therapy; podiatry; hospitalization and professional care for psychiatric disorders; treatment for alcohol or drug abuse medications; chiropractors; renal dialysis; extraordinary treatments; and experimental treatments. Member is responsible for all such fees and charges incurred while this Agreement remains in force.

J. **Non-Payment.** If Member fails to make any of the Monthly Fee payments at the required time, or to pay any other amounts due to Provider on the monthly statement provided to Member by Provider within thirty (30) days after it is billed to Member, Provider may give written notice to Member to pay all such amounts. If Member fails to comply with such notice within fifteen (15) days, Provider may terminate this Agreement, and shall provide Member with any applicable refund set forth in Section VII. D.

K. **Financial Difficulty.** Without in any way limiting its right to terminate this Agreement for non-payment, Provider shall not dismiss Member nor terminate this Agreement if the sole reason for non-payment is because of Member's financial inability to continue to pay all or part of the Monthly Fee. However, Member's acceptance into the Givens Choice program has been based on facts reported by Member in the Application. If Member has weakened this position or ability to pay the Monthly Fee because Member has made gifts to others or squandered personal wealth after submitting such Financial Statement, Provider reserves the right to terminate this Agreement.

If Member is unable to pay all or part of the Monthly Fee, Provider may request a current Financial Statement of Member and, if Member does not provide such statement within thirty (30) days, Provider reserves the right to terminate this Agreement. Member agrees to allow Provider to confirm Member's assets as shown on Member's Financial Statement.

Should Member find current income insufficient to meet the current Monthly Fee, Member shall take necessary steps to liquidate capital assets in order to keep Member's account on a current basis. Member further agrees that should assets and income be insufficient to pay the present obligations, Member shall apply for any assistance which may be available to Member. If Member dies or this Agreement is otherwise terminated, any unpaid Monthly Fees or additional service fees or parts thereof, plus interest on the unpaid balance, will be charged against the refund, if any, due to Member or Member's estate as provided in Section VII.D. below. If any balance of Monthly Fees or additional service fees remains due, Member or Member's estate shall be liable to Provider for the full amount of such Monthly Fees and additional service fees.

## VII. TERMINATION AND REFUND PROVISIONS

### A. **Member's Voluntary Termination.**

1. **During Rescission Period.** Notwithstanding anything herein to the contrary, this Agreement may be rescinded by Member giving written notice of such rescission to Provider within seven (7) business days following the date of the execution of this Agreement. In the event of such rescission, Member shall receive a refund in an amount equal to the Membership Fee. Notwithstanding anything to the contrary in this Agreement, any such refund shall be paid by Provider within thirty (30) days following receipt of written notice of rescission pursuant to this paragraph.

2. **After the Rescission Period.** Member may terminate this Agreement for any reason by giving Provider at least thirty (30) days written notice of such termination. If a refund is due to Member, Provider will make the refund in accordance with subsection D. below.

D. **Refund.**

In the case of termination within the Recission Period, Member or his or her estate, shall be entitled to a full refund of the Membership Fee less any actual cost to the Provider to maintain the Member in Home Site, Assisted Living Facility, or Nursing Home Facility.

2. **After Adjustment Period Other Than by Death**

In the case of termination after the Adjustment Period, Member is entitled to a refund of the Membership Fee less a percentage of the principal amount of the Membership Fee for each calendar month from the Membership Date up to and including the month in which the refund is payable. Membership Fee for the Consultative Plan is non-refundable.

The percentage of the Membership Fee shall be depreciated at a rate based on the following table:

Any time spent in a Nursing Home Facility or Home Site Services of equal cost in excess of one month .....	4% per month

3. **When a Permanent Resident in Assisted Living or Nursing Home Facility**

When a Member becomes a permanent resident of an Assisted Living Facility or Nursing Home Facility as provided in Section IV. B no refund of the Membership Fee will be paid.

4. **Payment of Refunds**

D., any accrued Monthly Fees that may have been deferred, any additional service fees or amounts payable to Provider under this Agreement and under any other agreement between Member and Provider or any affiliate of Provider and any costs or expenses that might be due, payable, or incurred by Member due to Member's violation of this Agreement.
