

NORTH CAROLINA

continues to face high rates
of **unintentional drug**
poisonings with more than
41,500 overdose deaths
between 2000–2023.

ROUND UP YOUR MEDS

Help prevent misuse, accidental poisonings,
identity theft, and environmental harm
through safe disposal.

Bring your expired or unused prescription and
over-the-counter medications (no sharps or
electronics) to the drop-off location.

You can also bring personal documents for
free, secure shredding to help prevent identity
theft and fraud.
