

BULLETIN
Number 26-B-02

To: All Insurance Companies and other Entities Licensed Under Chapter 58 of the North Carolina General Statutes

From: Life & Health Division

Date: January 22, 2026

Subject: **Projected Winter Storm – North Carolina Operations**

On January 21, 2026, Governor Stein issued EXECUTIVE ORDER NO. 31, for the State of North Carolina (“the Emergency Area”) due to the projected winter storm anticipated to hit the State of North Carolina on or about January 24, 2026 and its likely significant weather impact to the State of North Carolina. Executive Order 31 declares a state of emergency as defined in N.C.G.S. §§ 166A-19.3(7) and N.C.G.S. §§ 166A-19.20(b) exists in the State of North Carolina. (“the Emergency Area”).

Pursuant to N.C.G.S. §§ 58-3 228, this bulletin pertains to all health benefit plans as defined in N.C.G.S. §§ 58-3-167, the State Health Plan for Teachers and State Employees, and any optional plans or programs operating under Part 2 of Article 3 of Chapter 135 of the General Statutes, and other stand-alone prescription medication plans issued by entities that are licensed by the Department of Insurance.

This bulletin is to remind health benefit plans of compliance requirements for operations under a state of emergency for purposes of obtaining extra prescriptions during a state of emergency or disaster.

This authorization of extra prescriptions during this state of emergency in the State of North Carolina is valid for prescription medication requests made within 29 days of issuance of this bulletin, unless extended by an order issued by the Commissioner.

Please refer any questions regarding this bulletin to the attention of Ted Hamby at LHInbox@ncdoi.gov.
