 - (a) <u>Rescission During First Thirty (30) Days</u>. The Resident may terminate the Residency and Care Agreement for any reason within thirty (30) days following the later of the execution of the Residency and Care Agreement or receipt by the Resident of the Disclosure Statement (the "<u>Rescission Period</u>"), and the Resident is not required to move into the facility before expiration of the Rescission Period. The Resident's termination of the Residency and Care Agreement during the Rescission Period is without penalty, and all payments made by the Resident before such rescission, less a service charge of One-Thousand Dollars (\$1,000.00) and less any charges specifically incurred by the Company at Resident's request and set forth in Exhibit C of the Residency and Care Agreement, signed by the Resident and the Company. Any refund shall be paid within thirty (30) days after the Company receives written notice of the Resident's election to terminate the Residency and Care Agreement.
 - (b) <u>Termination After Rescission Period but Prior to the Occupancy Date</u>. For Residents electing to reside in an Apartment, the Resident may terminate the Residency and Care Agreement for any reason after the Rescission Period but prior the Occupancy Date upon prior written notice to the Company. In the event of such termination, the Resident shall be entitled to a refund of all monies paid to the Company, except, as the case may be, any costs or other charges that the Resident and the Company agree in advance are non-

refundable.

(c) <u>General Termination Right</u>. The Resident may terminate the Residency and Care Agreement at any time for any reason by giving the Company thirty (30) days' written notice signed by the Resident (or both of them if there are two Residents). In the event of such termination by a Resident for reasons other than those permitted in the Residency and Care Agreement, the Resident shall pay the Company for all Optional Services rendered by the Company to the Resident through the date of termination and shall continue to be liable for the Monthly Service Fee until the date that all of the Resident's personal belongings are removed from the Apartment. In addition, the Resident shall be responsible for payment of liquidated damage of one month's rental charge, calculated at the existing market rate.

2. <u>Termination by Death or Serious Illness</u>

- (a) Termination by Death or Serious Illness Prior to the Occupancy Date. If prior to the Occupancy Date the Resident dies or is precluded from living in the CCRC under the terms of the Residency and Care Agreement as a result of serious illness, injury, non-qualification or incapacity, the Residency and Care Agreement will automatically terminate. In the event the Residency and Care Agreement is terminated provided for in the Residency and Care Agreement, the Resident or the Resident's estate shall be entitled to a refund of any amounts paid to the Company, except, as the case may be, a service charge of One-Thousand Dollars (\$1,000.00) and for costs or other charges that the Resident and the Company agree in advance are non-refundable. Such refund shall be paid by the Company within thirty (30) days after the Residency and Care Agreement is terminated pursuant to the applicable subsection of the Residency and Care Agreement. The foregoing notwithstanding, if there is more than one Resident, the Residency and Care Agreement will continue to be binding on the surviving or eligible Resident unless and until the Residency and Care Agreement is terminated as to or by the surviving Resident as provided for in the Residency and Care Agreement.
- (b) <u>Termination by Death or Serious Illness After the Occupancy Date</u>. If the Resident dies after the Occupancy Date or the Resident is precluded from living in the CCRC under the terms of the Residency and Care Agreement as a result of serious illness, injury, or incapacity and the serious illness, injury or incapacity that is not otherwise addressed by the provision of the Residency and Care Agreement, the Residency and Care Agreement shall terminate. In the event, the Resident or the estate of the Resident shall pay for any Optional Services rendered to the Resident through the date of termination and shall continue to be liable for the Monthly Service Fee until the later of the date that all of the Resident's personal belongings are removed from the Apartment and the Apartment can be made ready for re-occupancy. The foregoing notwithstanding, if there is more than one Resident, the Residency and Care

Agreement will continue to be binding on the surviving or eligible Resident until the Residency and Care Agreement is terminated as to or by the surviving Resident as provided for in the Residency and Care Agreement.

- 3. <u>Termination by the Company</u>
 - (a) <u>Termination by the Company Prior to the Occupancy Date</u>. If, in the Company's sole discretion, the Resident does not satisfy the criteria for occupancy in the CCRC, the Residency and Care Agreement shall terminate upon the Company's notification to the Resident of non-approval. In such event, all amounts paid to the Company shall be refunded to the Resident within thirty (30) days after the Company provides the Resident notice of non-approval.
 - (b) <u>Termination by the Company after the Occupancy Date</u>. The Company may terminate the Residency and Care Agreement upon thirty (30) days' written notice to the Resident in the event of the following:
 - (1) The Resident fails to make payments to the Company of any amounts when due and such failure is not cured within fifteen (15) days after notice is given to the Resident;
 - (2) The Resident fails to comply with any term of the Residency and Care Agreement not involving the payment of money or any provisions of the Rules and Regulations and the Resident fails to cure such non-compliance within seven (7) days after written notice from the Company; or
 - (3) The Resident, the Resident's authorized representative makes a material misrepresentation or omission in the information provided to the Company for its consideration of the Resident for residency in the CCRC.
 - (c) <u>Immediate Termination</u>. If the Company determines in its sole and absolute discretion that a Resident's behavior interferes with or threatens to interfere with the safety of the Resident or the quiet enjoyment or safety of other Residents, visitors and/or staff of the CCRC, or if the Resident's behavior is a detriment to other residents, visitors, and/or staff of the CCRC, the Company may immediately terminate the Residency and Care Agreement and the Resident shall promptly vacate the Apartment. In such event, the Resident shall pay the Company through the date of termination and shall continue to be liable for the Monthly Service Fee until all of the Resident's personal belongings are removed from the Apartment.
 - (d) Effect of Termination by the Company after the Occupancy Date. In the event the Company terminates the Residency and Care Agreement after the Occupancy Date pursuant to the applicable subsections of the Residency and Care Agreement, the Resident shall promptly vacate the Apartment, but shall

pay the Company for all Optional Services rendered by the Company through the date of termination and shall continue to be liable for the Monthly Service Fee until the date that all of the Resident's personal belongings are removed from the Apartment.

VIII. Fees

The following is a list of the fees and charges expected to be charged to the Residents of the CCRC.

A. <u>Entrance Fee</u>. Upon the execution of the Residency and Care Agreement, the Resident shall pay an Entrance Fee, as indicated on <u>Exhibit C</u> of the Residency and Care Agreement. The Entrance Fee provides the Resident with a right to occupy the Apartment unless terminated as provided in the Agreement. The Entrance Fee is non-transferable, non-interest bearing and shall be the property of the Company for use in accordance with the terms of the Agreement, and shall not be subject to the claims of the Resident's creditors. Any refundable portion of the Entrance Fee shall be governed by the Residency and Care Agreement.

The Resident may choose from two Entrance Fee refund options--a 0% or a 90% Entrance Fee refund. Refunds will be computed on a declining balance basis as outlined in the Residency and Care Agreement. Once the Agreement is executed, the Entrance Fee refund option selected cannot be changed. The Company may, for any lawful reason, limit availability of any of these Entrance Fee refund options.

The terms of payment of the Entrance Fee are as follows:

- 1. <u>Priority Deposit</u>. Upon entering into a Priority Partner Agreement (the "<u>Priority Partner Agreement</u>") and prior to entering into the Residency and Care Agreement, the Resident agrees to pay One Thousand Dollars (\$1,000.00) as a priority deposit (the "<u>Priority Deposit</u>.
- 2. <u>Reservation Fee</u>. Once the Company has approved the Resident's application, upon entering into the Residency and Care Agreement, the Resident shall pay an amount equal to ten percent (10%) of the Entrance Fee (the "<u>Reservation Fee</u>"), less any Priority Deposit previously paid.
- 3. <u>Options and Custom Features</u>. The Company will present the Resident with a written quote specific to the Resident's options and custom feature request detailing the prices. The cost of options and custom features selected will be invoiced by the Company for the selected options or custom features and is due by the Resident upon receipt of such invoice. The amounts for options and custom features will not be considered part of the Entrance Fee when calculating the refund.
- 4. <u>Balance of the Entrance Fee</u>. The balance of the total Entrance Fee for the

Apartment will be due and payable prior to the Occupancy Date, unless otherwise agreed to in writing by management.

- B. <u>Monthly Service Fee</u>. Throughout the term, Residents shall pay the Company a Monthly Service Fee (the "<u>Monthly Service Fee</u>") as described in <u>Exhibit C</u> attached to the Residency and Care Agreement. The Monthly Service Fees shall be paid by the Resident on or before the fifth (5th) day of each month for Basic Services to be rendered that month with the first payment due on or before the Occupancy Date. The Monthly Service Fee shall be due regardless of whether or not the Apartment is actually occupied by the Resident on the scheduled Occupancy Date and such Monthly Service Fee will not be adjusted if the Resident is voluntarily absent from the CCRC at any time after such date. If the Resident obtains possession of the Apartment prior to the first of a month, the Resident shall pay the Company the first Monthly Service Fee on a pro-rata basis based on the actual number of days contained in the month.
- C. <u>Adjustments in the Monthly Fee</u>. The Company reserves the right to change the amount of the Monthly Service Fee upon thirty (30) days' written notice prior to the beginning of each calendar year. Adjustments to the Monthly Service Fee will be made as may be reasonably necessary according to the economic requirements and conditions of the Company and the level and quality of services provided to the residents of the CCRC and consistent with operating on a sound financial basis. See Exhibit F for five years of the historical average dollar amount of increases in fees.
- D. <u>Fees for Optional Services</u>. The Resident shall receive a monthly statement from the Company showing the total amount of fees and other charges owed by the Resident, which shall be paid by the fifth (5th) day of each month. A list of fees for recurring optional services ("<u>Optional Services</u>") the Resident has elected to purchase as of the date of the Residency and Care Agreement is attached hereto as <u>Exhibit C</u>.
- E. <u>Healthcare Center Fees and Charges</u>. The Healthcare Center will consist of accommodations, equipment and staffing necessary for assisted housing with services and skilled nursing care services on a temporary or permanent basis. The Company shall establish and publish rates for accommodations and services at the Healthcare Center. Fees for residency in the Healthcare Center shall otherwise be payable in accordance with the Residency and Care Agreement and in accordance with the then published Healthcare Center charge.
- F. <u>Refund of Fees. Refund of fees may occur as follows:</u>
 - 1. <u>Priority Deposit</u>. The Priority Deposit is fully refundable should the Resident choose not to proceed with the reservation process and not enter into the Residency and Care Agreement for any reason. The Priority Deposit will be fully applied toward the Entrance Fee should the Resident proceed with the reservation process and enter into the Residency and Care Agreement.

- 2. <u>Rescission Period</u>. If the Resident cancels during the Rescission Period (as defined in the Residency and Care Agreement), the Priority Deposit or Entrance Fee Monthly Service Fee (and any other fees paid by Resident) in accordance with this Residency and Care Agreement will be refunded to the Resident, without interest, less a service charge of One Thousand Dollars (\$1,000.00) and less any charges specifically incurred by the Company at Resident's request and set forth in <u>Exhibit</u> <u>C</u> of the Residency and Care Agreement, signed by the Resident and the Company. Any refund shall be paid within thirty (30) days after the Company's receipt of the Resident's written notice of rescission.
- 3. <u>Permanent Transfers to the Healthcare Center</u>. Upon termination of the Residency and Care Agreement, the Resident may draw against the refundable portion of the Entrance Fee, provided a new resident of the Apartment has paid an Entrance Fee, to supplement payment of charges in the Healthcare Center if the Resident's other assets from all available sources are insufficient to cover the charges in the Healthcare Center. The Company will require the Resident to demonstrate the unavailability of other resources to cover costs in the Healthcare Center.
- 4. <u>Withdrawal from the Community</u>. Upon termination of this Agreement, the refund due shall be the Entrance Fee paid multiplied by the percentage based on the declining balance table below (i.e., the refundable amount) less: (i) any amount due to the Company for monthly care or other unpaid services when this Agreement terminates, (ii) any costs we pay to restore the Apartment to its original condition (normal wear and tear and any fire or other casualty loss excepted), and (iii) any costs the Company pays to remove, store or dispose of personal property left in the Apartment. Any refundable amount shall be paid to the Resident who withdraws from Community only when the Apartment is reserved by a new resident and thirty (30) days after the Company collects the full Entrance Fee from the new resident or 24 months after termination of this Agreement (whichever occurs first). Any refund due shall be paid to the estate of the deceased Resident.

IX. Financial Information

- A. <u>Audited Financial Statements</u>. Audited financial statements of the Company as of and for the year ended December 31, 2024 are included as <u>Exhibit A</u>.
- B. <u>Actual versus Forecasted Results</u>. A narrative of material differences between the previously forecasted financial statements and actual results of operations for the year

ended December 31, 2024 for the Company are included in Exhibit B.

- C. <u>Interim Financial Statements</u>. Interim financial statements for the three-month period ended March 31, 2025 for the Company are included as <u>Exhibit C</u>.
- D. <u>5-Year Prospective Financial Statements</u>. Financial forecasts for each of the five years ending December 31, 2029 for the CCRC as compiled by an independent public accountant are included as <u>Exhibit D</u>.
- E. <u>Reserves, Escrow and Trusts</u>. North Carolina law requires continuing care retirement communities such as the Community to maintain operating reserves equal to fifty percent (50%) of the total operating costs in a given year, or twenty-five percent (25%) of such total operating costs if occupancy as of a certain date exceeds ninety percent (90%) of the continuing care retirement community's capacity (such reserve amount is referred to herein as the "<u>Statutory Reserve</u>"). This law provides security to the Residents that the continuing care retirement community will be able to meet its contractual obligations to provide continuing care. The Company's Statutory Reserve will be maintained through a letter of credit issued by a financial institution approved by the North Carolina Department of Insurance (the "Letter of Credit"). The Letter of Credit will name the North Carolina Department of Insurance the beneficiary and be in an amount sufficient to satisfy the Statutory Reserve requirement.

Report of Independent Auditor

To the Members Pisgah Valley Wilmington, North Carolina

Opinion

We have audited the accompanying combined financial statements of Pisgah Valley (the "Company"), a group of entities under common control, which comprise the combined balance sheet as of December 31, 2024, and the related combined statement of operations and changes in members' equity and cash flows for the year then ended, and the related notes to the combined financial statements.

In our opinion, the combined financial statements referred to above present fairly, in all material respects, the financial position of the Company as of December 31, 2024, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Combined Financial Statements* section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Combined Financial Statements

Management is responsible for the preparation and fair presentation of the combined financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of combined financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the combined financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that Pisgah Valley raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the combined financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Combined Financial Statements

Our objectives are to obtain reasonable assurance about whether the combined financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the combined financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the combined financial statements, whether due to
 fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include
 examining, on a test basis, evidence regarding the amounts and disclosures in the combined financial
 statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the combined financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the combined financial statements as a whole. The supplementary information is presented for the purpose of additional analysis and are not a required part of the combined financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the combined financial statements. The information has been subjected to the auditing procedures applied in the audit of the combined financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the combined financial statements or to the combined financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the combined financial statements taken as a whole.

Note 2—Summary of significant accounting policies

Principles of Combination – The combined financial statements include the accounts of Pisgah Valley Center and Pisgah Valley Properties, both of which are owned and controlled by the members of the limited liability companies as well as the Unit Owners Association. All significant intercompany accounts and transactions have been eliminated, including right of use asset and right of use lease liability amounts. The combined financial statements do not and are not intended to represent the activity of a legal entity.

Basis of Accounting – The accompanying combined financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates – The preparation of combined financial statements in conformity with U.S. GAAP requires management to make certain estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of any contingent assets and liabilities at the date of the combined financial statements and the reported amounts of revenues and expenses during the year. Actual results could differ from those estimates.

No assets or liabilities (real or contingent) of the individual members of any of the limited liability companies are included in the combined financial statements of the Company. Individual members are not liable for the Company's debt.

DECEMBER 31, 2024

Note 2—Summary of significant accounting policies (continued)

Cash and Cash Equivalents – Cash includes deposit accounts and investments purchased with an original maturity of three months or less. As of December 31, 2024, cash and cash equivalents equaled \$7,630,075.

Restricted Cash – Restricted cash is comprised of patient trust funds.

Inventories – Inventories consist primarily of food and medical supplies and are stated at the lower of average cost or net realizable value.

Property and Equipment, Net – Property and equipment is stated at cost. Maintenance and repairs are charged to expense as incurred, and renewals and betterments are capitalized. Gains or losses on disposals are credited or charged to operations.

Depreciation and amortization is computed using the straight-line method over the estimated useful lives of the assets. Depreciation and amortization amounted to \$827,085 for the year ended December 31, 2024.

The estimated useful lives used in computing depreciation are as follows:

Buildings and improvements	5 to 40 years
Land improvements	5 to 15 years
Furniture and fixtures	5 to 20 years
Vehicles	10 years
Software	3 years
Leasehold improvements	Lesser of 40 years or the lease term
Equipment	3 to 20 years

Debt Issuance Costs – Financing costs associated with the notes payable have been deferred and are being amortized over the term of the related debt using the straight-line method, which approximates the effective interest method. Amortization of debt issuance costs is recognized as interest expense in the combined statement of operations and changes in members' equity. Unamortized debt issuance costs are included as a reduction related to debt liabilities.

Investments – Investments are comprised of fixed income securities. Unrealized and realized gains and losses related to investments are reported in other revenue.

Fair Value Measurements – The Company measures assets and liabilities required to be recorded at fair value in accordance with U.S. GAAP. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Financial assets and liabilities that are measured and reported at fair value on a recurring basis are classified into one of the following three categories:

Level 1 – Quoted market prices in active markets for identical assets or liabilities.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- Level 3 Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities. This includes certain pricing models, discounted cash flow methodologies, and similar techniques that use significant unobservable inputs.

DECEMBER 31, 2024

Note 2—Summary of significant accounting policies (continued)

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Fixed income securities are public investment vehicles providing a return in the form of fixed periodic payments and eventual return of principal at maturity. The market value of the security is a quoted price for similar assets in an active market and classified within Level 2 of the valuation hierarchy. There were no Level 1 or Level 3 investments during 2024.

Revenue Recognition – The Company follows the guidance provided by Accounting Standards Codification ("ASC") 606, *Revenue from Contracts with Customers* and uses a five-step model to apply to revenue recognition, consisting of: (1) determination of whether a contract, an agreement between two or more parties that creates legally enforceable rights and obligations, exists; (2) identification of the performance obligations in the contract; (3) determination of the transaction price; (4) allocation of the transaction price to the performance obligations in the contract; and (5) recognition of revenue when (or as) the performance obligation is satisfied.

Resident Revenue – Resident fee revenue is reported at the amount that reflects the consideration the Company expects to receive in exchange for the services period. These amounts are due from residents or third party payors and include variable consideration for retroactive adjustments, if any, under reimbursement programs. Performance obligations are determined based on the nature of the services provided. Resident fee revenue is recognized as performance obligations are satisfied.

Under the Company's skilled nursing and assisted living senior living residency agreements, the Company provides senior living services to residents for a stated daily or monthly fee. The Company recognizes revenue for room, assistance with activities of daily living, inpatient therapy, healthcare, and personalized health services provided under assisted living and skilled nursing residency agreements in accordance with the provisions of U.S. GAAP. The senior living services included under the daily or monthly fee have the same timing and pattern of transfer and are a series of distinct services that are considered one performance obligation which is satisfied over time and recognized ratably over the contractual term, typically daily.

The Company collects a \$1,000 refundable deposit paid by prospective residents in order to be placed on a priority list for available patio homes. Once a prospective resident has been approved for admission and has selected an available patio home to occupy, the resident(s) signs a residence and services agreement (the "Residency Agreement") and provides the CCRC with a deposit of 10% of the total entrance fees on the specific patio home, less this initial \$1,000 priority deposit.

The CCRC offers two entrance fee refund options – nonrefundable ("Nonrefundable Option") or 90% refundable ("Refundable Option"). Partial refunds for the Nonrefundable Option are computed on a declining balance basis. Commencing on the date of occupancy, the refundable portion of the Nonrefundable Option is reduced to 90% for months one through five and five basis points for every month thereafter until month 23 when the refundable portion is reduced to zero. The refundable portion of the entrance fee will be refunded within 30 days from when the Residency Agreement is terminated and the full amount of a new entrance fee for the patio home has been collected from a new resident. Estimates of entrance fee refunds are computed annually based on historical annual refunds and reclassified to current liabilities in the accompanying combined balance sheet.

DECEMBER 31, 2024

Note 2—Summary of significant accounting policies (continued)

Deferred Revenue from Entrance Fees – One hundred percent of the entrance fees paid under the Nonrefundable Option and 10% of the entrance fees paid under the Refundable Option by a resident upon entering into a Residency Agreement are nonrefundable after 24 months. In accordance with the Residency Agreement beginning with the date of occupancy, entrance fees that are expected to be nonrefundable to the resident are recorded as deferred revenue and are amortized into revenue using the straight-line method over the estimated remaining life expectancy of the resident. When a resident terminates their Residency Agreement, the amount of unamortized nonrefundable deferred revenue from entrance fees is recognized as revenue.

The Company has a performance obligation related to the series of distinct goods and services and another performance obligation related to access residents have for discounted fee days. Management has determined it is appropriate to allocate an equal amount of revenue to this material right each month.

The Company receives revenue for services under various third party payor programs which include Medicare, Medicaid, and other third party payors. Settlements with third party payors for retroactive adjustments due to audits, reviews, or investigations are included in the determination of the estimated transaction price for providing services. The Company estimates the transaction price based on terms of the contract with the payor, correspondence with the payor and historical payment trends, and retroactive adjustments are recognized in future periods as final settlements are determined.

The Company receives revenue from independent living residents containing a lease component that would fall under the guidance of ASC 842, *Leases*. The amount of revenue recorded under this guidance was approximately \$1,803,000 and there would be no difference in how the revenue would be recognized under ASC 606 or ASC 842.

Disaggregated Revenue – The Company has determined that the senior living services included under the daily or monthly fee have the same timing and pattern of transfer and are a series of distinct services that are considered one performance obligation which is satisfied over time.

Contract Balances – Timing differences among revenue recognition may result in contract assets or liabilities. Contract liabilities on the accompanying combined balance sheet consisted of contractual refund obligations under existing contracts (that is if all residents with a refundable balance were to have withdrawn) and nonrefundable entrance fees totaling approximately \$11,420,000 and \$4,279,000, respectively, at December 31, 2024. There were no contract assets as of December 31, 2024. Contract terms related to entrance fees collected are described above.

Resident Accounts Receivable, Net – Receivables from residents, insurance companies, and third party contractual agencies are recorded at regular resident service rates, net of estimated contractual adjustments and credit losses. Contractual adjustments are estimated based on the terms of third party insured contracts and arrangements. The allowance for credit losses is based on the Company's assessment of the collectability of resident accounts receivable. In accordance with ASC Topic 326, *Financial Instruments – Credit Losses*, the Company makes ongoing estimates relating to the collectability of resident receivables and records an allowance for estimated losses expected from the inability of its residents to make required payments. The Company establishes expected credit losses by evaluating historical levels of credit losses, current economic conditions that may affect a resident's ability to pay, and creditworthiness. Thes inputs are used to determine a range of expected credit losses and an allowance is recorded within the range. Accounts receivable is stated in the amount management expects to collect from outstanding balances.

Income Taxes – The Company, with the consent of its members, has elected under the Internal Revenue Code to be taxed essentially as a partnership. In lieu of corporate federal income taxes, the members of a limited liability company are taxed on their proportionate share of the Company's taxable income. Management has evaluated the effect of the guidance provided by U.S. GAAP on Accounting for Uncertainty in Income Taxes. Management has evaluated all other tax positions that could have a significant effect on the combined financial statements and determined the Company had no uncertain income tax positions at December 31, 2024.
DECEMBER 31, 2024

Note 2—Summary of significant accounting policies (continued)

The Unit Owners Association, as a homeowner's association, may be taxed either as a homeowner's association or as a regular corporation. For the year ended December 31, 2024, the Unit Owners Association was taxed as a homeowner's association. As a homeowner's association, membership income is exempt from taxation if certain elections are made, and the homeowners association is taxed only on its non-membership income, such as interest earnings, at regular federal and state corporate rates.

Intangible Asset – In accordance with U.S. GAAP, goodwill and intangible assets that have indefinite useful lives are not amortized but rather are tested at least annually for impairment. For the Company, this asset includes a CON. Intangible assets with indefinite useful lives are reviewed for impairment in accordance with ASC 350, *Intangibles – Goodwill and Other*, which requires the Company to evaluate the recoverability of long-lived assets annually and whenever events or changes in circumstances indicate that its carrying amount may not be recoverable. The Company continually evaluates whether events and circumstances have occurred that indicate the remaining estimated useful life of its CON may warrant revision or that the remaining carrying value may not be recoverable. As permitted by ASC 350, the Company will perform a qualitative assessment of impairment to determine whether the value of the CON was impaired. Based on the results of this qualitative assessment, the CON was not impaired as of December 31, 2024.

Impairment of Long-Lived Assets – The Company reviews the carrying value of its long-lived assets such as property and equipment, whether held for use or disposal when events and circumstances indicate that the carrying amount of an asset may not be recoverable based on expected undiscounted cash flows attributable to that asset. The amount of any impairment is measured as the difference between the carrying value and the fair value of the impaired asset. Based on results of this review, property and equipment were not impaired as of December 31, 2024.

Operating Reserves – Continuing care retirement communities located in North Carolina are licensed and monitored by the North Carolina Department of Insurance ("NC DOI") under Article 64 of Chapter 58 of the North Carolina General Statute. The Commissioner of Insurance has the authority to revoke or restrict the license of or impose additional requirements on any continuing care facility under certain circumstances specified in North Carolina General Statute 58-64-10.

North Carolina General Statute 58-64-33 requires that continuing care retirement communities with occupancy levels in excess of 90% maintain an operating reserve equal to 25% of total operating costs projected for the 12-month period following the most recent annual statement filed with the NC DOI, upon approval of the Commissioner of Insurance. Continuing care retirement communities with less than 90% occupancy are required to maintain an operating reserve equal to 50% of projected total operating costs. Total operating costs shall include budgeted operating expenses plus debt service less depreciation and amortization expense and revenue associated with non-contractual expenses.

In order to meet the North Carolina General Statute operating reserve requirement for 2024, the Company maintained an irrevocable standby letter of credit throughout the year. At December 31, 2024, the amount of the letter of credit was \$3,865,000.

Credit Concentrations – The Company places its cash and cash equivalents on deposit with financial institutions in the United States. The Federal Deposit Insurance Corporation covers \$250,000 for substantially all depository accounts. During the year ended December 31, 2024, the Company from time to time may have had amounts on deposit in excess of the insured limits.

DECEMBER 31, 2024

Note 2—Summary of significant accounting policies (continued)

The Company grants credit without collateral to its patients and residents, most of who are insured by third party payors. The mix of receivables from patients and third party payors at December 31, 2024 are as follows:

Medicare	75%
Medicaid	11%
Commercial insurance/private pay/other	14%
	100%

The Company's mix of revenue sources for the year ended December 31, 2024 are as follows:

Medicare	13%
Medicaid	35%
Commercial insurance/private pay/other	52%
	100%

Advertising Costs – Advertising costs are expensed in the year incurred and totaled approximately \$187,000 for the year ended December 31, 2024.

Obligation to Provide Future Services – The CCRC enters into continuing care contracts with various residents. A continuing care contract is an agreement between a resident and the Company specifying the services and facilities to be provided to a resident over his or her remaining life. Under the contracts, the CCRC has the ability to increase fees as deemed necessary.

At the end of each fiscal year, the CCRC calculates the present value of estimated net cost of future services and the use of facilities to be provided to current residents and compares that amount with the balance of deferred revenue from entrance fees at that date. If the present value of the net cost of future services and the use of facilities exceeds the deferred revenue from entrance fees, a liability is recorded (obligation to provide future services) with a corresponding charge to income. No liability was recorded at December 31, 2024, because the present value of the estimated net costs of future services and use of facilities was less than deferred revenue from entrance fees. The obligation was discounted at 5.00%, based on the average life expectancy and expected annual inflationary increase of 3.00%.

Resident Refunds – Resident refunds payable include refunds due to residents or third party payors for overpayments, waiting list deposits by prospective residents, and estimated entrance fee refunds due to residents in the subsequent year.

DECEMBER 31, 2024

Amounts previously advanced to owners of Liberty Healthcare by Pisgah Valley Properties were outstanding at December 31, 2024 in the amount of \$3,539,122. Such advances were pursuant to a note agreement, bearing interest at 2% per annum and were due and unpaid at December 31, 2024. Final payment was due December 31, 2024. These advances along with accrued interest are included in current assets at December 31, 2024.

Note 8—Leases

Pisgah Valley Properties leases real estate which includes office space, nursing homes, and long-term care centers to Pisgah Valley Center (the "Lessee") under the terms of the Operating Lease Agreement (the "Operating Lease") effective February 1, 2018. The Operating Lease expires on January 31, 2027, and the Lessee has the option to renew for five additional terms of five years each. Renewal and termination clauses are factored into the determination of the lease term if it is reasonably certain that these options would be exercised by the Lessees.

Pisgah Valley Properties determines whether a contract contains a lease at inception by determining if the contract conveys the right to control the use of identified property and equipment for a period of time in exchange for consideration. Pisgah Valley Properties has elected to apply the practical expedient to account for lease and non-lease components as a single component, and all components qualify for this practical expedient as the timing and pattern of transfer of the lease and non-lease component are the same, and the lease would be classified as an operating lease if it were accounted for separately. Pisgah Valley Properties has determined that the lease is predominant in this contract and is accounting for the lease as an operating lease under ASC 842.

The presentation is dependent on lease classification. However, Pisgah Valley Properties only has an operating lease from a lessor perspective. Assets leased by the Company under operating lease are presented as property and equipment in the Company's combined balance sheet and depreciated over their estimated useful life.

The cost basis of land, buildings, and improvements and office furniture and equipment held under the terms of the lease agreement was \$20,519,138 and related accumulated depreciation was \$4,454,410 at December 31, 2024.

DECEMBER 31, 2024

Note 8—Leases (continued)

Pisgah Valley Properties receives rent payments directly from the Lessee. For the year ended December 31, 2024, the monthly payment was \$124,252 for Pisgah Valley Center. According to the terms of the operating lease, the annual rent to be paid by the lessees will be increased by the same percentage increase, if any, to the state-wide fair value component of the state of North Carolina Skilled Nursing Facility Medicaid Reimbursement rates. The lease

payments must be in the annual amount equal to 1.05 times the sum of the Company's: a) annual principal and interest payments; (b) annual mortgage insurance premium; (c) annual deposit for reserve replacements; (d) annual property insurance; and (e) annual property taxes.

Total rental income for the year ended December 31, 2024 was \$1,491,029 for Pisgah Valley Properties and has been eliminated in the combined financial statements.

Minimum future cash rentals due on a straight-line basis to Pisgah Valley Properties under the terms of the operating lease agreement plus the percentage increase, if any, to the state-wide Fair Value component of the state of North Carolina Skilled Nursing Facility Medicaid Reimbursement rates are as follows:

Years Ending December 31,

2025	\$ 1,491,029
2026	1,491,029
2027	1,491,029
2028	1,491,029
2029	1,491,029
Thereafter	 32,926,891
	\$ 40,382,036

Total rent expense incurred by Pisgah Valley Center to Pisgah Valley Properties was \$1,491,029 for the year ended December 31, 2024, including amortization of the right-of-use asset of \$101,327. These amounts have been eliminated in the combined financial statements.

Note 9—Contingencies

The Company is subject to legal proceedings and claims which arise in the course of providing healthcare services. The Company maintains malpractice insurance coverage (\$1,000,000 per claim, \$3,000,000 aggregate) for claims made during the policy year. In management's opinion, adequate provision has been made for amounts expected to be paid under the policy's deductible limits for unasserted claims not covered by the policy and any other uninsured liability.

The health care industry is subject to numerous laws and regulations of federal, state, and local governments. These laws and regulations include but are not necessarily limited to matters such as licensure, accreditation, government-health care program participation requirements, reimbursement for patient services, and Medicare and Medicaid fraud and abuse. Recently, government activity has increased with respect to investigations and allegations concerning possible violations of fraud and abuse statutes and regulations by health care providers. Violations of these laws and regulations could result in expulsion from government health care programs together with the imposition of significant fines and penalties, as well as significant repayments for patient services previously billed.

DECEMBER 31, 2024

Note 10—Retirement plan

The Company sponsors a defined contribution plan to eligible employees as defined by the plan. The Company matches employee contributions at the discretion of management. The Company contributed approximately \$41,283 for the year ended December 31, 2024.

Note 11—Litigation

Litigation is subject to uncertainties and the outcome of individual litigated matters is not predictable with assurance. Various legal actions, claims, or proceedings are pending against the Company having arisen in the ordinary course of business. When appropriate, the Company establishes loss provisions for matters in which losses are probable and can be reasonably estimated.

Note 12—Subsequent events

The Company has evaluated subsequent events through May 27, 2025, in connection with the preparation of these combined financial statements, which is the date the combined financial statements were available to be issued. The Company is unaware of any subsequent events that should be recognized or disclosed in the combined financial statements.

Accountant's Compilation Report

Pisgah Valley Wilmington, North Carolina

Management of Pisgah Valley, a group of entities under common control (the "Company"), and the day-to-day operating manager, Liberty Living Management, LLC (collectively "Management") is responsible for the accompanying financial projection of the Company, which comprises the projected combined balance sheets as of and for each of the five years ending December 31, 2029, the related projected combined statements of operations, changes in members' equity, and cash flows for each of the years then ending, and the related summaries of significant assumptions and rationale in accordance with guidelines for the presentation of a financial projection established by the American Institute of Certified Public Accountants ("AICPA").

The accompanying projection and this report were prepared for inclusion with the disclosure statement filing requirements of North Carolina General Statutes, Chapter 58, Article 64 and should not be used for any other purpose.

We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not examine or review the financial projection nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by Management. Accordingly, we do not express an opinion, a conclusion, or provide any form of assurance on this financial projection. The projected results may not be achieved, as there will usually be differences between the prospective and actual results because events and circumstances frequently do not occur as expected, and those differences may be material.

Furthermore, even if the hypothetical assumption that the Company refinances its notes payable at terms and rates similar to those reflected in the projection occurs during the projection period, there will usually be differences between the projected and actual results because events and circumstances frequently do not occur as expected, and those differences may be material.

We have no responsibility to update this report for events and circumstances occurring after the date of this report.

Summary of Significant Projection Assumptions and Rationale

General

The accompanying financial projection presents, to the best of the knowledge and belief of the management of Pisgah Valley, a group of entities under common control (the "Company"), and the day-to-day operating manager, Liberty Living Management, LLC (the "Operating Manager") (collectively, "Management"), the expected financial position, results of operations and changes in members' equity, and cash flows of the Company as of and for the each of the five years ending December 31, 2029. Accordingly, the accompanying financial projection reflects Management's judgment as of June 6, 2025, the date of this projection, of the expected conditions and its expected course of action during the projection period. There will usually be differences between the prospective and actual results because events and circumstances frequently do not occur as expected, and those differences may be material.

Management's purpose in releasing this financial projection is for inclusion in the Company's annual disclosure statement in accordance with Chapter 58, Article 64, of the North Carolina General Statutes. Accordingly, this report should not be used for any other purpose. The assumptions disclosed herein are those that Management believes are significant to the prospective financial statements.

Basis of Presentation – The prospective financial statements included in the projection have been prepared in accordance with the accounting principles generally accepted in the United States of America. Significant accounting policies are described in the appropriate assumptions and notes to the prospective financial statements. The assumptions described are not all-inclusive.

Hypothetical Assumptions - A hypothetical assumption is an assumption used in a financial projection to present a condition or course of action that is not necessarily expected to occur but is consistent with the purpose of the presentation. Hypothetical assumptions are not derived from sources, which are based upon supporting documentation such as contracts, agreements, or other empirical data. Management has prepared its financial projection assuming the hypothetical assumption that the Company refinances its notes payable at terms and rates similar to those reflected in the projection.

Background

Pisgah Valley is an economic entity comprised of three individual companies listed below. Management provides senior living services in Candler, North Carolina. Services include providing and maintaining an independent retirement community, assisted living services, skilled nursing care, and supporting services.

Pisgah Valley Retirement Center Properties, LLC ("Pisgah Valley Properties") is a North Carolina for-profit limited liability company formed for the purpose of developing and owning real property and the buildings of the Company. Pisgah Valley Properties is owned by Liberty Real Properties VII, LLC, a North Carolina for-profit limited liability company. Pisgah Valley Properties, through acquisition, holds the certificate of need ("CON") for 118 skilled nursing beds. The value of the CON is recorded as an intangible asset on the balance sheet of Pisgah Valley Properties.

Pisgah Valley Retirement Center, LLC ("Pisgah Valley Center") is a North Carolina for-profit limited liability company formed for the purpose of leasing and operating independent living units, assisted living, and skilled nursing beds. Pisgah Valley Center is owned by Liberty Senior Living, LLC ("Liberty Senior Living"), a North Carolina limited liability company. Liberty Senior Living is owned by Liberty Healthcare Group, LLC, (the "Liberty Healthcare Group"), a North Carolina for-profit limited liability company.

Pisgah Valley Center and Pisgah Valley Properties are co-providers of a continuing care retirement community known as Pisgah Valley Retirement Community, licensed by the State of North Carolina.

Pisgah Estates Unit Owners Association (the "Unit Owners Association") is a North Carolina notfor-profit company formed in accordance with the North Carolina Condominium Act for the purpose of owning and managing the commonly owned property of the Company's independent living units. The Unit Owners Association began operations in 1975 and was incorporated in September 2008. Pisgah Valley Properties has majority voting rights in the Unit Owners Association under the terms of a management agreement (the "Management Agreement"). Services are billed monthly, and the Management Agreement is renewable each calendar year. The Unit Owners Association's revenue is generated exclusively through maintenance fees from independent living unit owners.

The activities of Pisgah Valley Properties, Pisgah Valley Center, and the Unit Owners Association (collectively referred to as the "Company," the "Community" or "CCRC") are included in Management's projection.

The Community consists of 72 independent living units (the "Independent Living Units"), 24 multi-unit assisted housing with services units (the "Assisted Living Units"), and 118 skilled nursing beds (the "Skilled Nursing Beds"). The Assisted Living Units and the Skilled Nursing Beds are collectively referred to as the "Healthcare Center."

Related Parties

The Operating Manager is owned by Liberty Healthcare Group. Other entities owned by Liberty Healthcare Group provide other benefits to the Company. These transactions are considered related party transactions and are settled through related party cash accounts and payments to the other entities.

The Company has entered into a management agreement with the Operating Manager in which the Company pays a management fee of 5.0 percent of total revenues derived from the Independent Living Units and 6.0 percent of total revenues derived from the Assisted Living Units and Skilled Nursing Beds (the "Management Fee") to the Operating Manager, a related party to the Company.

The Company entered into a professional services agreement effective September 1, 2019 (the "Professional Services Agreement"), in which the Company pays a professional service fee per resident per month to Liberty Private Care, LLC ("Liberty Private Care"), a related party that provides nurse aide services to the Company. The Company entered into a sub-lease agreement effective September 1, 2019, in which Liberty Private Care pays a sub-lease fee monthly to the Company.

Amounts previously advanced to the owners of the Liberty Healthcare Group by Pisgah Valley Properties were outstanding at December 31, 2024 of approximately \$3,539,000. Such advances are pursuant to a note agreement ("Notes Receivable – Owners"), bearing interest at 2.0 percent per annum. These advances, along with accrued interest, are included in non-current assets. Assumed advances associated with the Notes Receivable – Owners are estimated to be at the same rates and terms during the projection period. Management has assumed payments are to be received from Liberty Healthcare Group during the projection period.

(1) Entrance Fees and Monthly Fees shown are effective January 1, 2025. The second person Monthly Fee for the Independent Living Units is \$615 effective January 1, 2025.

(2) Residents contracts commencing prior to February 1, 2019 receive an approximately 14 percent discount compared to market rates for the term of those Resident contracts.

(3) All unit owners, regardless of occupancy, pay a Monthly Fee to the Unit Owners Association. Total fees paid by Pisgah Valley Center and the related fees received by the Unit Owners Association are eliminated in the combined projected financial statements.

Unit Owner Contracts

<u>Services</u> – Prior to November 2006, the Independent Living Units were sold to residents (the "Unit Owner") through a contract of sale (the "Unit Owner Contract") and the individual Unit Owner obtained the deed to the Independent Living Unit. According to the Unit Owner Contract, Pisgah Valley Properties has the right to purchase the Independent Living Unit from the Unit Owner at the Independent Living Unit's appraised value. Under the Management Agreement with the Unit Owners Association, Pisgah Valley Center is to provide services to the Unit Owners as follows:

- Water and sewer;
- Routine pest control, guaranteed termite treatment, and trash removal;
- Landscaping/lawn care;
- Snow and ice removal;
- Use of the community center, community gardens and other common areas (e.g., streets, streetlights, etc.);
- Access to on-campus medical clinic;
- Activities programming;
- Weekly transportation to shopping and on-campus transportation; and
- Real property insurance.

<u>*Right of First Refusal*</u> – Through a right of first refusal, it is Pisgah Valley Properties' intent to purchase the Independent Living Units from the Unit Owners through attrition until Pisgah Valley Properties owns all 72 Independent Living Units. As of the date of this report, Pisgah Valley Properties owns 67 Independent Living Units. One Independent Living Unit is assumed to be purchased in 2025. Two Independent Living Units are assumed to be purchased in 2026 and two Independent Living Units are assumed to be purchased in 2027, upon which all 72 Independent Living Units would be owned by Pisgah Valley Properties and operated by Pisgah Valley Center.

Residency and Care Agreements

<u>Independent Living Services</u> – The Company has been remarketing the Independent Living Units to residents (the "Resident" or "Residents") under a Residency and Care Agreement (the "Residency and Care Agreement"). In addition to the services provided to the Unit Owners, the Company provides additional services to Residents of the Independent Living Unit as follows:

- Electricity;
- Propane;
- Cable-ready wiring;
- Bi-weekly housekeeping;
- Annual carpet cleaning;
- Membership to the Wellness Center;
- 24-hour emergency response system;
- Priority access to the Assisted Living Units and the Skilled Nursing Beds; and
- Interior unit and appliance maintenance/replacement.
Pisgah Valley

Optional services, including additional transportation, dining, and housekeeping services, are available for an extra charge as well as home care services through a related home care service provider, Liberty Private Care.

<u>Admittance Standards</u> – Prior to taking occupancy of a selected Independent Living Unit, the Resident shall execute the Residency and Care Agreement. The terms of the Residency and Care Agreement require the Company accepts persons at least 62 years of age at the time of occupancy, who demonstrate the ability to live independently and meet the financial obligations as a Resident. A reservation requires a signed Residency and Care Agreement and a 10 percent Entrance Fee deposit. Upon occupancy, Residents are expected to pay the remaining Entrance Fee and an ongoing Monthly Fee.

<u>*Terms of Residency*</u> – The term of the Residency and Care Agreement shall be from the date of execution of the Residency and Care Agreement until termination in accordance with Section 8 of the Residency and Care Agreement (the "Term").

<u>Termination by the Resident Prior to Occupancy</u> – A Resident may cancel at any time and for any reason during the 30-day rescission period as defined in the Residency and Care Agreement (the "Rescission Period") and shall receive a refund of any fees paid less a service charge. After the Rescission Period, the Resident may terminate the Residency and Care Agreement prior to moving into the Community by giving 30 days' prior written notice. Under this circumstance, the Resident shall receive a refund of any Entrance Fees paid less a service charge.

<u>Termination by the Resident After Occupancy</u> – The Resident may terminate the Residency and Care Agreement after moving into the Community by giving 30 days' prior written notice of termination, which shall be effective and irrevocable upon delivery. The amount of refund due shall be determined according to the applicable Entrance Fee amortization schedule described below. After occupancy, all monies due to be refunded to the Resident are paid within 30 days after Management collects the full amount of a new Entrance Fee for the Independent Living Unit from a new Resident or 24 months after termination, whichever comes first.

Refund Options	Amortization Schedule
90% Refundable Plan	Upon termination of the Residency and Care Agreement, the Resident's potential refund would equal the original Entrance Fee paid less a 10 percent reduction. After occupancy, the refund is fixed at 90 percent.
Non-Refundable Plan	Upon termination of the Residency and Care Agreement, the Resident's potential refund would equal the original Entrance Fee paid less a 10 percent cancellation fee and five basis point reduction for each month of occupancy beginning in month 6 through month 22. No refund is available after 23 months of occupancy.

Refunds of the Entrance Fee are as follows:

<u>*Termination Due to Death*</u> – The Residency and Care Agreement shall automatically terminate upon death of the Resident (unless there is a surviving joint Resident) and a personal representative shall have 30 days from date of death to remove personal property from the Independent Living Unit. The Resident's estate is obligated to pay the Monthly Fee until the removal of possessions from the Independent Living Unit and the key is returned to administration.

<u>Termination by the Company</u> – The Company may terminate the Residency and Care Agreement for just cause to include: (i) breach of agreement; (ii) misrepresenting information in the admission process; (iii) failure to pay any charges; (iv) Resident becomes infected with dangerous or contagious disease; or (v) violation of any reasonable procedures at the Community.

Summary of Significant Accounting Policies

- (a) <u>Basis of Accounting and Presentation</u> The Company is assumed to maintain its accounting and financial records according to the accrual basis of accounting.
- (b) <u>Principles of Combination</u> The combined financial statements include the accounts of Pisgah Valley Center and Pisgah Valley Properties, both of which are owned and controlled by the members of the limited liability companies as well as the Unit Owners Association. All significant inter-company accounts and transactions have been eliminated, including right of use asset and right of use lease liability amounts. The combined financial statements do not and are not intended to represent the activity of a legal entity.
- (c) <u>Cash</u> Cash includes cash on hand and cash on deposit held by one financial institution.
- (d) <u>Restricted Cash</u> Restricted cash is comprised of patient trust funds.
- (e) <u>Investments</u> Investments are comprised of fixed income securities. Unrealized and realized gains and losses related to investments are reported in other revenue and other expenses, respectively. Management assumes no changes in fair values that result in material net realized or unrealized gains or losses during the projection period.
- (f) <u>Related-Party Transactions</u> The principal members of the Company and other entities, which they own or with which they are associated, are considered related parties. Management monitors cash flow at each related party entity and transfers cash on an asneeded basis. The cash flows between non-Company related parties are classified as non-current receivables/payables.
- (g) <u>Statutory Operating Reserve</u> North Carolina General Statute section 58-64-33, requires licensed CCRCs to maintain an operating reserve equal to 50 percent (50%) of the total projected operating costs (adjusted for non-cash items) in a given year. If a CCRC maintains a combined independent and assisted living occupancy in excess of 90 percent (90%), the operating reserve amount required equals 25 percent (25%) of projected operating expenses (adjusted for non-cash items). The reserve may be funded by cash, invested cash, or investment grade securities. In order to meet the North Carolina General Statues operating reserve requirements, the Company maintains an irrevocable standby letter of credit from a financial institution. At December 31, 2024, the amount of the letter of credit was \$3,865,000. Management is to fund a \$500,000 operating reserve, at its discretion, to provide additional liquidity for Community's operations.

- (h) <u>Deferred Revenue from Entrance Fees</u> Ten percent of the Entrance Fees paid under the 90% refundable Residency and Care Agreement and all of the Entrance Fee paid under the non-refundable Residency and Care Agreement are non-refundable based on a declining balance formula outlined in the Residency and Care Agreement. In accordance with the Residency and Care Agreement and beginning with the date of occupancy, Entrance Fees that are expected to be non-refundable to the Resident are recorded as deferred revenue and are amortized into revenue using the straight-line method over the estimated remaining life expectancy of the Resident. When a Resident terminates their Residency and Care Agreement, the amount of unamortized non-refundable deferred revenue from Entrance Fees is recognized as revenue.
- (i) <u>Lease Accounting</u> The Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") No. 2016-02, Lease Accounting Standard in February 2016. ASU 2016-02 requires all leases with lease terms over twelve months to be capitalized as a right-of-use asset and lease liability on the balance sheet at the date of lease commencement. Leases are to be classified as either finance or operating. This distinction shall be relevant for the pattern of expense recognition in the statement of operations. Upon the combining of the Company's projected financial statements, all material related party lease transactions occurring during the projection period are recognized as internal lease transfers and eliminated from the financial presentation. The Company currently has a lease with an unrelated party to rent space within a maintenance building. Management considers this lease to be immaterial.
- (j) <u>Property and Equipment</u> Property and equipment are stated at cost. Depreciation is computed on the straight-line method over the estimated useful lives of depreciable assets. Maintenance and repairs are charged to expense as incurred, and renewals and betterments are capitalized. Gains or losses on disposals are credited or charged to operations.
- (k) <u>Intangible Asset</u> The Company records its CON as an intangible asset. Intangible assets with indefinite useful lives are reviewed for impairment in accordance with ASC 350, Intangibles Goodwill and Other, which requires the Company to evaluate the recoverability of long-lived assets annually and whenever events or changes in circumstances indicate that its carrying amount may not be recoverable. The Company continually evaluates whether events and circumstances have occurred that indicate the remaining estimated useful life of its CON may warrant revision or that the remaining carrying value may not be recoverable. Management has not assumed an impairment to intangible assets during the projection period.
- (1) <u>Long-Term Debt</u> Long-term debt consists of two bank loans. Unamortized loan costs are reported as a reduction of the long-term debt amount.
- (m)<u>Income Taxes</u> The Company has elected to be treated as a partnership for income tax purposes. The Company's taxable income, its losses, and other pass-through items are reported on the members' tax returns. Accordingly, no provision for income taxes has been included in the projection.

You agree not to destroy, deface, damage or remove any part of your Residence (including all furnishings and appliances) and not to permit your guests or visitors to do so. You agree to occupy your Residence in a quiet and peaceful manner and not to carry on any loud, obnoxious or offensive activity or noise.
- **D.** <u>Changes in the Residence and the Agreement.</u> Pisgah Valley has the right to change the Residence and/or the Agreement when and to the limited extent required to comply with the requirements of any applicable statutes, laws or regulations.
- E. <u>Visitors.</u> You agree that no person other than you will reside in your Residence, except for short-term (meaning two weeks or less) visitors or guests without the approval of Management as described in Paragraph VII.M. You will inform Management promptly of any home health/care services being provided in the Residence and the scheduled hours of individuals providing care. Management will evaluate such situations on a case by case basis.
- F. <u>Pets.</u> You agree to have and keep pets in your Residence only in accordance with our policies and procedures as described in the Resident Handbook. There will be an additional nonrefundable fee for pets as indicated on Schedule I of this Agreement.

G. Occupancy by Two Residents. In the event that more than two residents sign this Agreement, each of you is jointly and severally liable for the payment and performance of all of your obligations under this Agreement. If one of you permanently moves to a Health Care Residence, dies, or abandons the Residence, this Agreement shall continue in effect as to the surviving or remaining resident who shall be obligated to pay only the first person monthly fee associated with the Residence. Should the remaining or surviving Pisgah Estates Resident wish to move to another Pisgah Estates Residence, the policies of Pisgah Valley governing said Residence change of accommodation will prevail. The resident moving to a Health Care Residence will pay the published rates for the applicable level of care as described in Paragraph III.M. of this Agreement. No Entrance Fee refunds shall be paid to the remaining resident until the Residence is vacated as described in Paragraph IX.E.

H. <u>Change in Residence</u>

- 1. **Request by You for Change in Residence**. You may request a change in residence at any time. Management carefully considers such requests, including but not limited to such factors as your health, finances, availability of requested type of residence and waiting lists. Resident must agree to pay the difference in the Entrance Fee and Monthly Fee between the requested residence and the current Residence. Management may require you to enter into a new or amended Residence and Services Agreement for the new residence. The Entrance Fee refund percentage selected at initial occupancy remains in effect during a change in residence and is applicable to any additional amounts paid as a result of the change.
- 2. Move to Another Residence. Should you be approved by Management to move to a subsequent residence, You will pay the Monthly Fee associated with the subsequent residence. Even if the Entrance Fee for the original Residence, when you began to occupy it, was greater than the current Entrance Fee for the subsequent residence, you will not be entitled to a refund as a result of the difference between such Entrance Fees. If, however, the Entrance Fee for the original Residence, when you began to occupy it, was less than the current Entrance Fee for the subsequent residence, you will pay an amount equal to the difference between the Entrance Fee of the original Residence that you paid and the current Entrance Fee of the subsequent residence.
- 3. At the Option of Pisgah Valley. If Management reasonably determines that your Residence needs to be vacated to permit repairs or renovations thereto, or needs to be modified or reconfigured to accommodate a new or different use of the Residence, or as a result of any other circumstances reasonably determined Management to justify such transfer, Pisgah Valley may move you to a new Residence of a similar size provided that Pisgah Valley (i) advises you prior to undertaking any such move, (ii) gives you reasonable notice of and time to prepare for such move, (iii) incurs all the costs of such move, (iv) arranges for the prompt and convenient moving of your personal furnishings, and (v) either provides in such new residence optional custom improvements comparable to

those provided in your original Residence or, at your option, reimburses you for the value of such improvements.

- I. Casualty or Condemnation. We will be entitled to all proceeds from any insurance maintained by us against a fire or any other casualty affecting your Residence or the building in which it is located and from any condemnation by a governmental authority of all or any part of your Residence or the building in which it is located. If your Residence or the building in which it is located is substantially damaged or destroyed by fire or other casualty, or condemned or sold in lieu of condemnation, we may, at our option, take any of the following actions: (i) within a reasonable time, restore your Residence to its original condition, (ii) within a reasonable time, substitute substantially similar accommodations for your Residence to the extent available, or (iii) terminate this Agreement if the options described in items (i) and (ii) above are uneconomical for us. You shall immediately notify us of any fire or other casualty affecting your Residence. If we substitute substantially similar accommodations for your Residence, then this Agreement shall continue in full force and effect and the term "Residence" as used in this Agreement shall be deemed to refer to such substitute accommodations.
- J. <u>Loss or Damage of Your Personal Property.</u> We are not responsible for the loss or damage of any personal property belonging to you due to theft, disappearance, fire or any other cause. You agree to carry insurance to cover such losses. We shall insure the real property (e.g., unit and common areas) and any personal property (e.g., furnishings, fixtures and equipment) owned by us.
- K. <u>Medical Insurance.</u> You shall maintain Medicare Part A, Medicare Part B, and one supplemental health insurance policy or equivalent insurance coverage acceptable to Pisgah Valley and shall furnish Pisgah Valley with evidence of such coverage annually or whenever a change in insurance occurs.

Should the resident or the resident's legally-authorized representative apply for assistance under the Medicaid program, or any successor program of a similar nature, the resident's contract will be terminated.

L. <u>Marriage During the Term of This Agreement.</u> If you marry a person who is also a resident of Pisgah Estates pursuant to a similar agreement with us, you may occupy either Pisgah Estates Residence and shall surrender the Pisgah Estates Residence that you will not occupy. If you surrender the Residence described in this Agreement, refund of the Entrance Fee will be paid pursuant to the terms in Paragraph IX.E. of this Agreement. If you and your spouse occupy the Residence described in this Agreement, you will pay the current Entrance Fee and Monthly Fee for double occupancy of this Residence at the time your spouse moves into this Residence.

If you marry a person who is not a resident of a Pisgah Estates Residence pursuant to a similar agreement with us, your spouse may become a resident of the Residence described in this Agreement if your spouse (i) meets all the current requirements for admission to a Pisgah Estates Residence, (ii) signs this Agreement and any amendments necessary to reflect double occupancy, and (iii) you and your spouse pay the current Entrance Fee and Monthly Fee for double occupancy of this Residence at the time your spouse moves into this Residence. If your spouse does not meet our requirements for admission, you may terminate this Agreement.

- M. <u>Added Resident.</u> Should you desire to invite an individual to join you in sharing a Pisgah Estates Residence for which you paid the entire Entrance Fee and in which you are living alone, such person may become a resident of the Residence described in this Agreement if the individual (i) meets all the current requirements for admission to a Pisgah Estates Residence, (ii) signs this Agreement and any amendments necessary to reflect double occupancy, and (iii) you and the corresident pay the current Monthly Fee for double occupancy of this Residence at the time the co-resident moves into this Residence.
- N. <u>**Right of Entry.**</u> You hereby authorize our employees or agents to enter your Residence for the purposes of housekeeping, repairs, maintenance, inspection, fire drills, and in the event of an emergency. Pisgah Valley will always endeavor to maintain your privacy and the privacy of the Residence. For your safety, you agree not to replace or add any locks to the Residence.
- **O.** <u>Residents' Organizations.</u> Residents of Pisgah Valley are members of a Residents' Council that is open to all residents. Such organization elects representatives, officers, and other positions to engage in activities of interest to all residents.

VIII. TRANSFERS OR CHANGES IN LEVELS OF CARE

Transfer to a Pisgah Valley Health Care Residence. Pisgah Valley recognizes A. the right of self-determination and will attempt to involve you or your representative in all decisions related to transfers and changes in level of care. Pisgah Valley shall have authority to determine whether you should be transferred from your Residence to a Health Care Residence or from one level of care to another within Pisgah Valley, in cases of potential harm to yourself or others, to assure the health and wellbeing of you and others or to provide for the highest quality of life possible. Such determination shall be based on the opinion of Management and/or the Pisgah Valley Medical Director and shall be made after consultation with you and your representative and your attending physician. Such decisions shall be made only in your best interest and in the best interest of the larger community as determined by Management. You have the right to be admitted to the first such Health Care Residence that becomes available for occupancy after the date of such determination, subject to any obligations we may have under the Medicaid program or another Residence and Services Agreement with a Pisgah Estates resident to make such Health Care Residence available to someone else. A Resident transferring to a higher level of care does not constitute a change of accommodation for the purpose of calculating an Entrance Fee refund.

In the event of a permanent transfer, you shall release your Pisgah Estates Residence in order for Pisgah Valley to make your Residence available to a new resident. In such event, Pisgah Valley may enter into a new Agreement for occupancy of the Residence with a new resident. If your Residence is reassigned and should you subsequently recover sufficiently to maintain yourself independently in a residence, you shall be offered the next available residence similar to the one relinquished. While you are in a Health Care Residence, the Monthly Fee will continue to be due and payable as described in Paragraph V.D.

If the Residence is occupied by two (2) residents, the permanent transfer of one (1) resident does not affect the rights and privileges under this Agreement of the remaining resident.

- **B.** <u>**Transfer to Hospital or Other Facility.</u>** If it is determined by Management that you need care beyond that which can be provided by Pisgah Valley, you may be transferred to a hospital or institution equipped to give such care at your expense. Such transfer will be made only after consultation with you and/or your representative and attending physician.</u>
- C. <u>Surrender of Residence</u>. If a reasonable determination is made by Pisgah Valley that any transfer described in Paragraph VIII.A. is or is highly likely to be permanent; you agree to surrender your Residence. You will have priority to move to such Health Care Residence, determined to best meet your needs, as soon as such is available. If the interdisciplinary team, including you, to the extent practical, or your legally-authorized representative, in conjunction with appropriate staff members and in consultation with your attending physician, subsequently determines that you can resume occupancy in a Residence or accommodation comparable to that occupied by you prior to such transfer, you shall have priority to such residence as soon as it becomes available.

IX. TERMINATION AND REFUND PROVISIONS

A. <u>Termination Prior to Occupancy.</u>

1. Right of Rescission. You have the right required under Section 58-64-25(a)(1) of the North Carolina General Statutes to rescind this Agreement within thirty (30) days following the later of the execution of the Agreement or the receipt of a Disclosure Statement that meets the requirements of North Carolina General Statutes Section 58; Article 64. To exercise this statutory right to rescind this Agreement, you must notify us in writing within thirty (30) days after the later of the execution of this Agreement or the receipt of a Disclosure Statement that meets the requirements of North Carolina General Statute Section 58; Article 64. If you exercise this statutory right to rescind this Agreement, we will refund all amounts you have paid to us pursuant to this Agreement less any non-standard costs specifically incurred by Pisgah Valley at your request and described in this Agreement or an amendment to this Agreement signed by you. Any such

refund shall be paid by Pisgah Valley within thirty (30) days following receipt of written notification of such termination by the resident. Written notice should be sent to:

Director of Marketing Pisgah Valley Retirement Community 6 Rhododendron Way Candler, NC 28715

- 2. **Due to Death, Illness, Injury, or Incapacity**. If you die or are rendered incapable of independent living on account of illness, injury, or incapacity before occupying the Residence, this Agreement will automatically be cancelled to comply with NCGS 58-64-25(a)(2). Any monies paid by the resident shall be refunded in full less any non-standard costs specifically incurred by us at your request and described in the Agreement or an amendment to this Agreement signed by you, within thirty (30) days after our receipt of the written notice from you (or your heirs, as applicable) that any such event has occurred. Written notice should be sent to the address noted in Paragraph IX.A.1.
- 3. **Other Reasons.** You have the right to terminate this Agreement for any reason before occupying the Residence by giving us written notice signed by you to the address in Paragraph IX.A.1. In the event of such termination, we will refund your entire ten percent (10%) Reservation Fee to you, without interest, less a nonrefundable fee of One Thousand Dollars (\$1,000) and any non-standard costs specifically incurred by us at your request and described in the Agreement or an amendment to this Agreement signed by you, within thirty (30) days after our receipt of the written notice of termination. Written notice should be sent to the address noted in Paragraph IX.A.1.
- 4. **Our Right to Terminate this Agreement and Refund Your Deposit.** If we do not accept you for residency, the full amount of the ten percent (10%) deposit you have paid will be promptly refunded to you, without interest. We may terminate this Agreement and refund your entire ten percent (10%) deposit without interest and any non-standard costs specifically incurred by us at your request at any time prior to the time you move into your Residence for the following reasons: (i) a material misrepresentation or omission made by you in your application for admission or (ii) you fail to pay the balance of the Entrance Fee and the first monthly fee when due. We will pay the refund to you within thirty (30) days after we deliver written notice to you that we are terminating this Agreement for one of the reasons specified in this paragraph.

B. <u>Termination After Occupancy</u>.

1. **Right of Rescission**. You have the right required under Section 58-64-25(a)(1) of the North Carolina General Statutes to rescind this Agreement

within thirty (30) days following the later of the execution of the Agreement or the receipt of a Disclosure Statement that meets the requirements of North Carolina General Statutes Section 58; Article 64. Under the terms of this Agreement, you are not required to move into your Residence during this thirty-day rescission period (that is, you are permitted to select a movein date that is 31 days or more after the date of this Agreement). However, if you choose to rescind this Agreement as described in Paragraph IX.A.1. and have elected to move into the Residence during this 30-day rescission period, you agree to remove all of your personal property from the Residence and vacate the Residence, leaving the Residence in the same condition as when you first occupied it, except for normal wear and tear and any damage by fire or other casualty. To exercise this statutory right to rescind this Agreement, you must notify us in writing within thirty (30) days after the later of the execution of this Agreement or the receipt of a Disclosure Statement that meets the requirements of North Carolina General Statute Section 58; Article 64. If you exercise this statutory right to rescind this Agreement, we will refund all amounts you have paid to us pursuant to this Agreement less (i) periodic charges specified in this Agreement and applicable only to the period the Residence was actually occupied by the resident; (ii) those non-standard costs specifically incurred by Pisgah Valley at request of you and described in the Agreement or any amendment to this Agreement signed by you; and (iii) a nonrefundable fee of One Thousand Dollars (\$1,000). Any such refund shall be paid by Pisgah Valley within thirty (30) days following receipt of written notification of such termination by the resident. Written notice should be sent to the address noted in Paragraph IX.A.1.

- 2. <u>Termination By You Upon Thirty Days' Notice.</u> After you have paid the entire Entrance Fee as described in Paragraph V.C., you have the right to terminate this Agreement for any reason by giving us written notice signed by you to the address in Paragraph IX.A.1., which will be effective and irrevocable upon delivery. Termination will occur thirty (30) days after written notice is delivered and you must vacate your Residence within the thirty (30) days. You or your legal representative shall receive a refund less (i) periodic charges specified in the Agreement and applicable only to the period the Residence was actually occupied by you; (ii) those non-standard costs specifically incurred by Pisgah Valley at your request and described in the Agreement or any amendment to this Agreement signed by you; and (iii) nonrefundable fees as set out in Paragraph IX.E. of this Agreement. Written notice should be sent to the address noted in Paragraph IX.A.1. Refund of the Entrance Fee will be as outlined in Paragraph IX.E.
- 3. <u>Automatic Termination Upon Your Death or Abandonment of Your</u> <u>Home.</u> After you have paid the entire Entrance Fee as described in Paragraph V.C., this Agreement will automatically terminate thirty (30) days after your death (or the death of the surviving resident in the case of joint residents) or thirty (30) days after you abandon your Residence. After such automatic termination, your personal representative will have thirty (30) days from the

Pisgah Valley Retirement Community

date of your death to remove your personal property from your Residence. Refund of the Entrance Fee will be as outlined in Paragraph IX.E.

- 4. **Termination By Us.** We may terminate this Agreement after you have paid the entire Entrance Fee at any time for the following reasons: (i) a material misrepresentation or omission made by you in your application for admission; (ii) restoring your Residence or the building in which it is located or providing substitute accommodations after casualty or condemnation of your Residence or the building in which it is located is uneconomical for us; or (iii) we determine, using standard evaluation procedures conducted by a physician of our choosing (and you agree to submit to such evaluation procedures upon our request and at our expense), that your mental or physical health is detrimental to your own health and safety, the health and safety of other residents of Pisgah Valley or the general and economic welfare of the residents of Pisgah Valley. We also may terminate this Agreement upon thirty (30) days prior written notice to you if you fail to comply with the terms of this Agreement, including but not limited to the failure to pay your monthly fee, unless you cure such violations within the thirty-day period specified in our notice to you.
- C. <u>Your Obligations Upon Termination of this Agreement.</u> If this Agreement terminates for any of the reasons described in Paragraphs (A) or (B) above, you agree to remove all of your personal property from the Residence and vacate the Residence, leaving the Residence in the same condition as when you first occupied it, except for normal wear and tear and any damage by fire or other casualty. We may remove and either store or dispose of any personal property left in your Residence that appear to us to have been abandoned by you. You agree that we may deduct from any refund of your Entrance Fee any costs paid by us to restore your Residence to its original condition (normal wear and tear and any fire or other casualty loss excepted), and to remove, store or dispose of personal property left in your Residence.

D. <u>Declining Balance of the Entrance Fee</u>. Your Entrance Fee may be partially refundable as outlined in Paragraph V.B.. The portion of the Entrance Fee that is refundable to you will decline over time, based on the amount of time that has elapsed since the Date of Occupancy, as follows:

	<u>% Refundable</u>

*The percentages in the table do not apply during the rescission period as described in Paragraph IX.B.1.

E. <u>Refund Upon Termination and Withdrawal from Pisgah Valley Campus.</u> The refund due shall be the Entrance Fee paid multiplied by the percentage based on the declining balance table in Paragraph IX.D (i.e., the refundable amount) less: (i) any amount due to Pisgah Valley for monthly care or other unpaid services when this Agreement terminates, (ii) any costs we pay to restore the Residence to its original condition (normal wear and tear and any fire or other casualty loss excepted), and (iii) any costs we pay to remove, store or dispose of personal property left in the Residence. Any refundable amount shall be paid to the resident who withdraws from Pisgah Valley campus (see Paragraph IX.H. for the use of a refundable Entrance Fee in the case of on-campus transfers) only when the Residence is reserved by a new resident and thirty (30) days after we collect full Entrance Fee from the new resident or 24 months after termination of this Agreement (whichever occurs first).

Any refund due shall be paid to the estate of the deceased Resident.

- F. <u>Condition of Residence</u>. Upon vacating the Residence, you shall leave it in good condition except for normal wear and tear. You or your estate shall be liable to Pisgah Valley for costs required to restore the Residence to good condition or standard condition, except for normal wear and tear, and for the removal and disposition of abandoned personal belongings. Such costs will be deducted from the refundable portion of the Entrance Fee due to you.
- G. <u>Changes to Residence</u>. After the Date of Occupancy, any structural or physical changes to the Residence directed by you (including alterations such as construction of bookshelves or redecoration such as painting or wallpapering) will require the prior approval of Management and will be made only under Pisgah Valley's supervision and direction. The cost of any change requested by you shall be at your expense. Pisgah Valley may require, as a condition of approval of a requested change, that you either (i) agree to bear the cost of restoring the Residence to its original condition upon termination of your occupancy of the Residence or (ii) prepay the estimated cost of restoring the Residence to its original condition. All structural improvements shall belong to Pisgah Valley.

H. <u>Use of a Refundable Entrance Fee Option for Health Care Expenses at Pisgah</u> <u>Valley</u>.

- 1. <u>Single Occupancy</u>. Should you permanently vacate your Pisgah Estates Residence by transferring to a Health Care Residence, you may then draw against the refundable portion of the Entrance Fee to supplement payment of your health care costs at Pisgah Valley but if, and only if, your other assets from all available sources are insufficient to cover your health care costs at Pisgah Valley. Pisgah Valley will require you to demonstrate the unavailability of other resources to cover health care costs at Pisgah Valley. The refundable portion of the Entrance Fee can be accessed exclusively for healthcare services at Pisgah Valley as a supplement to any income you receive from all available sources. You may access the refund for health care purposes only when the vacated Residence is reserved by a new resident and the new resident has paid their Entrance Fee.
- 2. <u>Double Occupancy</u>. The following conditions apply when the residents to this contract are two married individuals in a Pisgah Estates Residence:
 - a. <u>Single Transfer to Health Care Residence</u>. The Entrance Fee relates to the resident identified in this Agreement, not to either individual resident alone. As such, as long as one of the residents remains at Pisgah Valley, no refund of the Entrance Fee is due to either resident, even if one resident vacates Pisgah Valley for any reason.
 - b. <u>Dual Transfer to Health Care Residence</u>. Should both residents vacate their Pisgah Estates Residence by transferring to a Health Care Residence, either

or both resident(s) may then draw against the refundable portion of the Entrance Fee to supplement payment of their health care costs at Pisgah Valley but if, and only if, the residents' other assets from all available sources are insufficient to cover the residents' health care costs at Pisgah Valley. Pisgah Valley will require the residents to demonstrate the unavailability of other resources to cover health care costs at Pisgah Valley. The remaining refundable portion of the Entrance Fee can be accessed exclusively for healthcare services at Pisgah Valley as a supplement to any income the residents receive from all available sources. The residents may access the refund for health care purposes only when the vacated Residence is reserved by a new resident and the new resident has paid their Entrance Fee.

c. <u>Single Transfer to Health Care Residences and Change in Residence</u>. Should one resident vacate their Residence by transferring to a Health Care Residence, and the other resident vacates the Residence by transferring to an Pisgah Estates Residence that carries a lesser Entrance Fee, the resident who has transferred to the Health Care Residence may then draw against the remaining refundable portion of the Entrance Fee to supplement payment of their health care costs at Pisgah Valley, up to the difference between the original Entrance Fee, and the then current Entrance Fee ("Revised Entrance Fee") for the new Pisgah Estates Residence, but if, and only if, the resident's other assets from all available sources are insufficient to cover the resident's health care costs at Pisgah Valley. Pisgah Valley will require the resident to demonstrate the unavailability of other resources to cover health care costs at Pisgah Valley.

Should the resident residing in a Pisgah Estates Residence vacate said accommodation by transferring to a Health Care Residence at Pisgah Valley, that resident may then draw upon the remaining refundable portion of the Revised Entrance Fee to supplement payment of their health care costs at Pisgah Valley, but if, and only if, the resident's other assets from all available sources are insufficient to cover the resident's health care costs at Pisgah Valley. Pisgah Valley will require the resident to demonstrate the unavailability of other resources to cover health care costs at Pisgah Valley. The remaining refundable portion of the Entrance Fee can be accessed exclusively for health care services at Pisgah Valley as a supplement to any income the resident receives from all available sources. The Resident may access the refund for health care purposes only when the vacated Residence is reserved by a new resident and the new resident has paid their Entrance Fee.

d. Utilization of the remaining refundable portion of the Entrance Fee may be made to supplement payment of health care costs at Pisgah Valley only. Contingent upon a financial review of the resident's income and assets, Pisgah Valley reserves the right to determine the amount of the refundable portion of the Entrance Fee that may be used to supplement the resident's health care fees at Pisgah Valley.

X. FINANCIAL ASSISTANCE

The policies relating to financial assistance are determined by Management. The amount of assistance is determined on an individual basis and there is no guarantee of assistance to any individual resident.
